Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There are limited directly comparable recent sales due to the property's unique combination of features and inclusions, including 4 bedrooms, 3 bathrooms plus an additional powder room, a modern kitchen with butler's kitchen, fireplace, garage cabinetry, solar panels and sheer curtains. These features are not consistently reflected in the available comparable properties and therefore require consideration when assessing the property's market value.
