## Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

| |
|---|
| The agent reasonably believes there are no comparable sales within five kilometres in the past 18 months, having regard to the property's location, size, condition and overall features. Recent sales differ materially in these characteristics and are not considered suitable comparisons. |
