Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The property is a substantial rural/farming holding located in Willow Grove, where there is a limited number of recent sales of properties with comparable land size, improvements and overall characteristics. Due to the specialised nature of the property and the limited availability of directly comparable sales, fewer than three comparable properties could be identified. The available sales have therefore been considered based on their relevance to the property, including location, land size, dwelling and improvements, and overall rural/farming characteristics.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
