FORM 1 - Vendor's Statement

(Section 7 Land and Business (Sale and Conveyancing) Act 1994)

Contents

- Preliminary
- Part A – Parties and land
- Part B – Purchaser's cooling off rights and proceeding with the purchase
- Part C – Statement with respect to required particulars
- Part D – Certificate with respect to prescribed inquiries by registered agent
- Schedule

Preliminary

To the purchaser:

The purpose of a statement under section 7 of the *Land and Business (Sale and Conveyancing) Act 1994* is to put you on notice of certain particulars concerning the land to be acquired. If you intend to carry out building work on the land, change the use of the land or divide the land, you should make further inquiries to determine whether this will be permitted. For example, building work may not be permitted on land not connected to a sewerage system or common drainage scheme if the land is near a watercourse, dam, bore or the River Murray and Lakes.

The *Aboriginal Heritage Act 1988* protects any Aboriginal site or object on the land. Details of any such site or object may be sought from the "traditional owners" as defined in that Act.

If you desire additional information, it is up to you to make further inquiries as appropriate.

Instructions to the vendor for completing this statement:

means the Part, Division, particulars or item may not be applicable.

If it is applicable, ensure the box is ticked and complete the Part, Division, particulars or item.

If it is not applicable, ensure the box is empty or strike out the Part, Division, particulars or item. Alternatively, the Part, Division, particulars or item may be omitted, but not in the case of an item or heading in the table of particulars in Division 1 of the Schedule that is required by the instructions at the head of that table to be retained as part of this statement.

* means strike out or omit the option that is not applicable.

All questions must be answered with a YES or NO (inserted in the place indicated by a rectangle or square brackets below or to the side of the question).

If there is insufficient space to provide any particulars required, continue on attachments.

You may notify the vendor of your intention not to be bound by the contract for the sale of the land UNLESS–

- (a) you purchased by auction; or
- (b) you purchased on the same day as you, or some person on your behalf, bid at the auction of the land; or

- (g) the contract also provides for the sale of a business that is not a small business.

2 – Time for service

The cooling-off notice must be served–

- (a) if this form is served on you before the making of the contract– before the end of the second clear business day after the day on which the contract was made; or
- (b) if this form is served on you after the making of the contract– before the end of the second clear business day from the day on which this form is served.

However, if this form is not served on you at least 2 clear business days before the time at which settlement takes place, the cooling-off notice may be served at any time before settlement.

- (a) if you intend to serve the notice by leaving it for the vendor's agent at the agent's address for service or an address nominated by the agent, you obtain an acknowledgment of service of the notice in writing; or
- (b) if you intend to serve the notice by fax or email, you obtain a record of the transmission of the fax or email.

5 – Effect of service

If you serve such cooling-off notice on the vendor, the contract will be taken to have been rescinded at the time when the notice was served. You are then entitled to the return of any money you paid under the contract other than–

- (a) the amount of any deposit paid if the deposit did not exceed \$100; or
- (b) an amount paid for an option to purchase the land.

Proceeding with the purchase

If you wish to proceed with the purchase—

- (a) it is strongly recommended that you take steps to make sure your interest in the property is adequately insured against loss or damage; and
- (b) pay particular attention to the provisions in the contract as to time of settlement - it is essential that the necessary arrangements are made to complete the purchase by the agreed date - if you do not do so, you may be in breach of the contract; and

**SCHEDULE - DIVISION 3****COMMUNITY LOTS AND STRATA UNITS****Matters to be considered in purchasing a community lot or strata unit**

The property you are buying is on strata or community title. There are **special obligations and restrictions** that go with this kind of title. Make sure you understand these. If unsure, seek legal advice before signing a contract. For example:

Governance

You will automatically become a member of the **body corporate**, which includes all owners and has the job of maintaining the common property and enforcing the rules. Decisions, such as the amount you must pay in levies, will be made by vote of the body corporate. You will need to take part in meetings if you wish to have a say. If outvoted, you will have to live with decisions that you might not agree with.

If you are buying into a mixed use development (one that includes commercial as well as residential lots), owners of some types of lots may be in a position to outvote owners of other types of lots. Make sure you fully understand your voting rights, see later.

Use of your property

You, and anyone who visits or occupies your property, will be bound by rules in the form of **articles or by-laws**. These can restrict the use of the property, for example, they can deal with keeping pets, car parking, noise, rubbish disposal, short-term letting, upkeep of buildings and so on. Make sure that you have read the articles or by-laws before you decide whether this property will suit you.

Depending on the rules, you might not be permitted to make changes to the exterior of your unit, such as installing a television aerial or an air-conditioner, building a pergola, attaching external blinds etc without the permission of the body corporate. A meeting may be needed before permission can be granted. Permission may be refused. Note that the articles or by-laws **could change** between now and when you become the owner: the body corporate might vote to change them. Also, if you are buying before the community plan is registered, then any by-laws you have been shown are just a draft.

Are you buying a debt?

If there are unpaid contributions owing on this property, you can be made to pay them. You are entitled to **know the financial state of the body corporate** and you should make sure you see its records before deciding whether to buy. As a prospective owner, you can write to the body corporate requiring to see the records, including minutes of meetings, details of assets and liabilities, contributions payable, outstanding or planned expenses and insurance policies. There is a fee. To make a request, write to the secretary or management committee of the body corporate.

Expenses

The body corporate can **require you to maintain your property**, even if you do not agree, or can carry out maintenance and bill you for it.

The body corporate can **require you to contribute** to the cost of upkeep of the common property, even if you do not agree. Consider what future maintenance or repairs might be needed on the property in the long term.

Guarantee

As an owner, you are a **guarantor** of the liabilities of the body corporate. If it does not pay its debts, you can be called on to do so. Make sure you know what the liabilities are before you decide to buy. Ask the body corporate for copies of the financial records.

Contracts

The body corporate can make contracts. For example, it may engage a body corporate manager to do some or all of its work. It may contract with traders for maintenance work. It might engage a caretaker to look after the property. It might make any other kind of contract to buy services or products for the body corporate. Find out **what contracts the body corporate is committed to and the cost**.

The body corporate will have to raise funds from the owners to pay the money due under these contracts. As a guarantor, you could be liable if the body corporate owes money under a contract.

Buying off the plan

If you are buying a property that has not been built yet, then you **cannot be certain** what the end product of the development process will be. If you are buying before a community plan has been deposited, then any proposed development contract, scheme description or by-laws you have been shown could change.

Mixed use developments - voting rights

You may be buying into a group that is run by several different community corporations. This is common in mixed use developments, for example, where a group of apartments is combined with a hotel or a group of shops. If there is more than 1 corporation, then you should not expect that all lot owners in the group will have equal voting rights. The corporations may be structured so that, even though there are more apartments than shops in the group, the shop owners can outvote the apartment owners on some matters. Make enquiries so that you understand how many corporations there are and what voting rights you will have.

Buyers information notice

Prescribed notice to be given to purchaser

Before you buy a home there are a number of things that you should investigate and consider. Though it may not be obvious at the time, there could be matters that may affect your enjoyment of the property, the safety of people on the property or the value of the property.

The following questions may help you to identify if a property is appropriate to purchase. In many cases the questions relate to a variety of laws and standards. These laws and standards change over time, so it is important to seek the most up to date information. Various government agencies can provide up to date and relevant information on many of these questions. Notices

Notices are printed under arrangement with organisations having some potential interest in the subject land. You should contact the identified party for further details.

Electricity and Telecommunications Infrastructure - Building Restrictions and Statutory Easements (including those related to gas, water and sewage)

Building restrictions

It is an offence under section 86 of the *Electricity Act 1996* to erect a building or structure within a prescribed distance of aerial or underground powerlines. In some, but not all, cases approval may be obtained from the Technical Regulator. Generally, however, land owners must not build, or alter a building or structure, with the result that any part of the resulting building or structure is within the minimum clearance distance required from certain types of powerlines. These building limitations are set out in the *Electricity (General) Regulations 2012* regulations 81 and 82. Purchasers intending to redevelop the property to be purchased should therefore be aware that the restrictions under the *Electricity Act* and *Regulations* may affect how, or if, they are able to redevelop the property.

In addition, if a building or structure is erected in proximity to a powerline of an electricity entity in contravention of the *Electricity Act*, the entity may seek a court order:

- a) requiring the person to take specified action to remove or modify the building or structure within a specified period;
- b) for compensation from the person for loss or damage suffered in consequence of the contravention; and/or
- c) for costs reasonably incurred by the entity in relocating the powerline or carrying out other work.

Contact the Office of the Technical Regulator in DEM on 8226 5500 for further details.

Statutory easements

Statutory easements for purposes such as (and without limitation) electricity, telecommunications, gas, water and sewage, may also exist, but may not be registered or defined on the title for the land.

Separate from the above building restrictions, South Australia's electricity supply and transmission businesses have statutory easements over land where part of the electricity distribution or transmission system was on, above or under the land as at particular dates specified by legislation.

This notice does not necessarily imply that any statutory or other easement exists.

However, where in existence, statutory easements may provide these organisations and businesses (identified in the relevant legislation) with the right of entry, at any reasonable time, to operate, repair, examine, replace, modify or maintain their equipment, to bring any vehicles or equipment on the land for these purposes, and to install, operate and carry out work on any pipelines, electricity or telecommunications cables or equipment that may be incorporated in, or attached to, their equipment (For example, see Clause 2 of Schedule 1 of the *Electricity Corporations (Restructuring and Disposal) Act 1999*; section 48A of the *Electricity Act 1996*).

For further clarification on these matters, please contact the relevant organisations or businesses, such as SA Power Networks' Easements Branch on telephone 8404 5897 or 8404 5894.

If you intend to excavate, develop or subdivide land, it is suggested that you first lodge a 'Dial Before you Dig' enquiry. Dial Before You Dig is a free referral service that provides information on the location of underground infrastructure. Using the Dial Before you Dig service (<https://1100.com.au>) may mitigate the risk of injury or expense resulting from inadvertent interference with, damage to, or requirement to relocate infrastructure.

Land Tax Act 1936 and Regulations thereunder

Agents should note that the current owner will remain liable for any additional charge accruing due before the date of this certificate which may be assessed on the land and also that the purchaser is only protected in respect of the tax for the financial year for which this certificate is issued. If the change of ownership will not occur on or before the 30th June, another certificate should be sought in respect of the next financial year or requests for certificate should not be made until after 30th June.

Animal and Plant Control (Agriculture Protection and other purposes) Act 1986 and Regulations

Agents should note that this legislation imposes a responsibility on a landholder to control and keep controlled proclaimed plants and particular classes of animals on a property.

Information should be obtained from:

- The vendor about the known presence of proclaimed plants or animals on the property including details which the vendor can obtain from records held by the local animal and plant control board
- The local animal and plant control board or the Animal and Plant Control Commission on the policies and priorities relating to the control of any serious proclaimed plants or animals in the area where the property is located.

Building Indemnity Insurance

(Building Indemnity Insurance only applies to domestic building work that requires Development Approval, is more than \$12,000 in value and commenced after 1 May 1987 or \$20,000 for works commenced after 10 November 2025. The insurance is only applicable for the first five years after completion of the building work and does not apply to domestic building work undertaken by 'Owner/Builders'). If no details appear below, no applicable Building Indemnity Insurance details exist.

Further information held by councils

Does the council hold details of any development approvals relating to:

- (a) commercial or industrial activity at the land; or
- (b) a change in the use of the land or part of the land (within the meaning of the *Development Act 1993* or the *Planning, Development and Infrastructure Act 2016*)?

NO

Note:

The question relates to information that the council for the area in which the land is situated may hold. If the council answers "YES" to the question, it will provide a description of the nature of each development approved in respect of the land. The purchaser may then obtain further details from the council (on payment of any fee fixed by the council). However, it is expected that the ability to supply further details will vary considerably between councils.

A "YES" answer to paragraph (a) of the question may indicate that a **potentially contaminating activity** has taken place at the land (see sections 103C and 103H of the Environment Protection Act 1993) and that assessments or remediation of the land may be required at some future time.

It should be noted that:

- the approval of development by a council does not necessarily mean that the development has taken place;
- the council will not necessarily be able to provide a complete history of all such development that has taken place at the land.

Only that information which is required to be provided has been given and that information should not be taken as a representation as to whether or not any other charges or encumbrances affect the subject land.

Treasurer's Report August 2025

Part A: 24-25 Financial Outcomes

1. Overview

Please refer to Table A-1: 24-25 Budget v Actual and Table A-2: 24-25 Transactions list¹ in the Appendix.

A quick overview: we started with \$56,086 (made up of cash \$27,682 and term deposits \$27,404) and ended with \$53,667 against a budgeted \$41,847. So, the overall value dropped \$2,400 over the year but much less than planned at the last AGM.

Projected income was \$39,065, actual was \$36,974 the main difference being less GST refund than initially estimated.

Recurrent expenditure was planned to be \$26,162, actual was \$23,273. There were a quite a few moves: up and down. Our insurance premium was less than expected but that was because the company only granted us a 6 month policy; the electrical account was much less than anticipated – not sure why; inspections/reports were also below budget as we only funded 2: Property Valuation and Brickwork Discoloration. Increased costs came from an extra \$2,000 transferred to term deposit and more minor maintenance works than budgeted, the largest being a burst water main that will carry a further cost into 25-26.

Non recurrent expenditure is where the largest underspend occurred: Planned \$35,700 actual \$26,623. The bulk of money spent was completion of the roofing and external painting. Our proposed expenditure on fencing (\$7,000) did not occur, mainly because for both South and East, required neighbour agreement was not forthcoming. \$1,000 was intentionally reserved for future driveway work: not to be spent in 24-25, but put aside for later: that is the purpose of a Sinking Fund.

Tied funds in term deposits grew from \$27,000 to \$38,000. Interest rates are competitive, but low.

2. Special Purpose Account (SPA)

The re-roofing bank account, opened in February 2024, remained open throughout 24-25 firstly to cover the last roofing payment, and then to fund the external painting. It is interest bearing and served us well. It has a current balance of \$500.

Either we rename and use it as the operating account and close the current operating account – only because the Special Purpose Account (SPA) does generate interest, or vice versa. Alternatively a preferred option is to rename the SPA to the Sinking Fund, and use it for that purpose.

Please refer to Table A-3: Special Purpose Account Transactions in the Appendix

The Strata Corporation had to re-register for GST in 2024 due to the size of the roofing contract. It can be de-registered (subject to approval by the ATO): I suggest this occurs **after** payment of the next insurance premium and **before** collection of Sept-Dec levies. This depends upon when the insurance premium is invoiced: a reminder has been sent to Strata Fair.

¹ Copies of bank statements are available.

Please refer to Table A-4: GST and Tax Liability 23-25.

The GST and tax obligations are up to date, the projected \$85 refund was paid in August. Income tax is running at about \$400 per annum.

3. Recommendation

The 24-25 Financial Report is accepted as presented.

Strata Corporation Plan No 3568 INC
Management Committee Meeting Minutes
Tuesday 29th July 2025

Present: Peter, Margaret, Jamie, Angela, Mark, Nick, Gail.

Apologies: Pam

Agenda:

- Insurance update and excess
- Nat Murray & Associates report
- Fence West side
- Security Cameras
- Known Maintenance Issues
- Maintenance Fee
- Budget for 2026

Business:

Insurance

The 6 months expires 16th October. The report from Nat Murray & Associates has been forwarded to Strata Fair. They have forwarded to the insurance company. No response to date.

Renewal will be for 12 months.

Insurance excess to be investigated.

Nat Murray and Associates Report

As in the report. Nothing should be done to the bricks. All resident asked to report any water issues. This was a much more detailed report than the last.

Follow up in Maintenance Issues.

Fence West side

Margaret has contacted Leon 3 times. Still waiting a response.

At present: unit 7 – fence is attached to the neighbour's water tanks. Unit 8 fence fixed with vertical pole. Unit 9 fence supported by sheds. Car park so far no problems. Unit 10 fence repaired. Unit 11 only 2 panels of fence.

Need to measure the full length of the fence to get a quote for the stabilization of the whole fence.

Fence at the rear of the property needs replacing. Margaret to contact the neighbouring units.

Security Cameras

Unit 11 camera not working. Needs to be reset.

Front cameras. It is not known if these are working and recording.

Angela, Peter and Jamie will look at doing a factory reset. Jamie will adjust the angle of some cameras so that they are facing the correct areas.

Community Lighting

Margaret will send Jamie the video file on how to adjust the timing.

Margaret put the lighting onto a business plan, resulting in cheaper electricity bills. Lights are on for approximately 6 hours.

Maintenance Issues

Water Pressure

High water pressure could be the cause of broken pipes etc. Peter has a pressure unit and will check the pressure at all units. It can also check for water leaks. Some units already have pressure reducing valves. Peter will get a quote for installing a pressure reducing valve on the mains tap. All agreed to these proposals.

Driveway

Peter has mapped the cracks in the driveway. We need to get a professional opinion on how to treat the cracks.

Asbestos

This is under the eaves. Do we need to do a report?

Storm water

Further investigation is needed to ensure that this is flowing correctly.

Concrete repairs at unit 7 need to be completed.

Maintenance Fee

This will remain the same for the next 12 months

Budget for 2026

If you would like any changes to proposed budget please contact Peter as soon as possible.

It is proposed that we retain an Operating Account and a Sinking Fund Account as well as the Term Deposits. The Term Deposits are the sinking fund.

AGM will be held Tuesday 16th September 2025.

Papers distributed by August 26th.

Meeting concluded 8.45 pm.

Business

Painting Quotes

There is a huge difference in the quotes.

A J Blunt \$45,567.50

Star Painters \$26,400 plus GST

J and L Painting Services \$18,491

J and L Painting Services did our last painting and was satisfactory. The management committee will recommend to the AGM that we accept the quote from J and L Painting Services.

Fence

The fence between unit 8 and next door 2/9 Osmond Terrace blew over in the strong wind. This is the third time the fence between the two properties has blown over. The fence needs to be repaired and reinforced.

It has proved difficult to find a contractor to do the work. One quote from a photo was \$880.

The owner of 2/9 has volunteered to reinstate the fence.

Water tanks and raised garden beds prevent extra welding on the side of 2/9.

Margaret to find out if No 9 is strata/ community title and who to contact for shared cost of repair and reinforcement of the fence. Jamie will contact Li at 9 Osmond Terrace to obtain the name of the contractor who fixed the fence between unit 10 and No 9.

Peter suggested Jim's Fencing or a contact that he had.

Gates

Peter and Gordon will continue to review possibilities.

Papers for the AGM

Presiding Officers Report

Financial Report

Roof

Water damage was caused to ceilings, floor and electricals of unit 7 when the old water heater was removed by the roof contractor. (the only one with water still in it).

Margaret has paid the insurance excess to our insurance company. Question raised is the contractor's insurance company involved. Margaret will check.

Margaret asked permission to place a caravan in the car park area for a week or two. Power from either unit 9 or 10. Permission granted.

We need to investigate the cost of putting power into the storage shed.

Amy will move out for a month whilst the repairs are done.

Trade and removal vehicles will be on the property 5th to 28th August.

Maintenance

Peter suggested using a building inspection company twice a year before the AGM to access any likely maintenance issues both short and long term that need to be in the budget. Quotes needed for this.

Pam queried lack of finance allocated to the driveway. Sinking fund needs more funds. The recurrent levy needs to match works needed. Pam objected to the idea of a special levy for major works.

GST

We will leave the Special Account at Bendigo Bank open until the painting is completed. Painting money to be transferred to that account. Peter and Gail to action.

Security Camera

The front camera recorder to be re installed near unit 1

Exclusions

The following provides a summary of the main exclusions to cover only. These are examples only. For full details of the exclusions that apply, please read the Policy in full.

For example, We will not pay for any loss, damage, benefit, legal liability, compensation, or any other loss, costs, fees, charges or expenses of whatsoever kind, arising directly or indirectly from or in any way connected with:

Conditions

You must meet certain conditions for Your insurance cover to apply. If You do not comply with the conditions We may refuse to pay a claim in whole or in part. For full details of all the conditions of cover that apply, please read the Policy in full. The following are examples only:

1. Payment of any Excess shown in this Policy or in the Schedule for each claim made may be requested from You when the claim is lodged, or may be deducted from Our payment if Your claim is accepted.
2. When Your Insured Property is a total loss and We have paid out the total Sum Insured, this insurance ceases. If You rebuild or replace Your Insured Property, this requires a new insurance contract commencing at that time with an applicable Premium.
3. When You first purchase and when You renew Your insurance if You do not pay the amount by the due date, Your Policy may be cancelled and We will write to let You know when this will happen.
4. When renewing Your insurance with Us, You have a duty to take reasonable care not to make a misrepresentation. This means giving Us true, complete and accurate answers to Our questions, including where You provide information on someone else's behalf. We use Your answers to decide whether to insure You and on what terms. You must advise Us of any changes to Your claims or insurance history that a reasonable person in the circumstances would tell Us. CHU will notify You in writing of any effect a change may have on Your insurance renewal.

The cost of this insurance

The amount that We charge You for this insurance when You first acquire the Policy and when You renew the Policy is called the

Premium. In order to calculate Your Premium, We take various factors into consideration, including, but not limited to:

- the Sum(s) Insured;
- the address of Your Insured Property;
- Your insurance history.

The total cost of the Policy is shown in the Schedule and is made up of Your Premium plus government taxes, fees, duties and charges such as Stamp Duty, GST and any Emergency Services Levy (where applicable).

When You apply for this insurance, You will be advised of the Premium. If You choose to effect cover, the amount will be set out in the Schedule.

Paying Your Premium

Various options are available for paying Your Premium including annual payment by credit card, BPAY, EFT and direct deposit.

Annual Premium

We will let You know how much Premium You need to pay Us, how to pay it and when. If You pay Your Premium annually, You need to pay Your Premium on time to ensure You are covered. If You don't pay the Premium Your Policy may be cancelled and We'll write to You to let You know when this will happen.

Instalment payments

Customers who acquire a Policy directly through CHU have an option to pay for the Policy by way of instalments.

If You pay Your Premium by instalment, Your Schedule will show the date and frequency of Your instalments. If Your direct debit details change You must tell Us no later than seven days before Your next instalment is due to allow Us to process the change in time.

What happens if You miss an instalment

If You miss an instalment We'll contact You to ask You to pay it or arrange to collect it from You. If You don't pay the missed instalment Your Policy may be cancelled and We'll write to You to let You know when this will happen.

If You don't pay the missed instalment and a claim arises, then We will deduct the missed instalment from Your claim.

At renewal

If You pay by instalments, and You renew Your Policy, We'll continue to deduct instalments for Your renewed Policy at the new Premium level according to the same instalment pattern, unless You tell Us to stop Your direct debit.

If You don't want to renew, You must tell Us at least seven days before Your Policy's end date so that We can arrange for the direct debit to stop in time.

A claim on Your Policy may affect Your renewal Premium

If You have a claim, contact Us as soon as You can after the incident - see Claims Conditions – What You must do. To avoid Your claim being delayed, reduced or refused You must not unnecessarily delay notifying Us of the incident - see Claims Conditions – What You must not do. If You were in difficult circumstances that prevented You from telling Us about the claim, let Us know.

If We send You a renewal invitation and the Premium doesn't take into account a claim on Your Policy, You agree to pay Us any additional Premium We would have charged if We had known about that claim.

If You tell Us about the claim before Your renewal takes effect and We agree to continue to insure You, We may apply specific conditions to Your Policy (including an imposed Excess) and/or recalculate Your renewal Premium and send You an updated renewal invitation.

If Your Policy has already renewed and We agree to continue to insure You, We may ask You for an additional Premium. If You're paying in instalments, any remaining instalments will be adjusted to reflect the additional Premium. If You've already paid Your renewal Premium in full, You'll need to pay Us any additional Premium to ensure Your cover is not affected. If You don't pay the additional Premium by the due date then We may:

- deduct the outstanding Premium amount from a claim payment; or
- cancel Your Policy - see General Conditions.

If it was reasonable in the circumstances for You to be unaware that You had a claim until after we issued Your renewal invitation, We will not ask You to pay the additional Premium for that renewal period however the claim may affect Your future renewal Premiums and/or future Policy conditions (including the application of any imposed Excess).

Please note We may have other rights under this Policy or as permitted by law, depending on the circumstances.

If Your payment details change

If the direct debit details You use to pay Us change, such as You changing credit cards or bank accounts, You must tell Us at least seven days before Your next payment date to allow Us to process the change in time.

Other costs, fees and charges

Other costs, fees and charges which may be applicable to the purchase of the Policy include:

Administration Fee

An administration fee is payable by You for each policy issued or renewed to cover CHU's administration cost of preparing and distributing the Policy. Any administration fee is noted in the Schedule and is not refundable in the event of cancellation, unless the insurance contract is cancelled within the cooling off period or is a full term cancellation. For more information on the administration fee please refer to the CHU Financial Services Guide or contact CHU directly.

Refund of Premium

You may cancel the Policy at any time. If You choose to cancel the Policy We will retain a portion of the Premium which relates to the period for which You have been insured. We will refund the residue for the unexpired period less any non-refundable government taxes or charges, provided that no Event has occurred where liability arises under the Policy.

Commissions

SGL or CHU may receive a commission payment from Us when the Policy is issued and renewed. For details of the relevant commission paid, please refer to the Financial Services Guide, or contact SGL or CHU directly.

Confirming transactions

You may contact CHU in either writing, email or by phone to confirm any transaction under Your insurance if You do not already have the required insurance confirmation details.

Sending You documents

Documents relating to Your insurance Policy will be sent by post or email. Where You have been given the choice, they will be sent by Your chosen delivery method and You can change Your preference at any time.

It is Your responsibility to make sure Your contact details are current (including telephone number, email and mailing address where relevant) and You must update these as soon as they change.

How to make a claim

General Conditions

These General Conditions apply to all Policies. In addition to these General Conditions, each Policy will be subject to specific conditions.

If any of the General Conditions or specific conditions applicable to each Policy are not met We may refuse a claim, reduce the amount We pay or in some circumstances We may cancel the Policy. Any person covered by the Policy or claiming under it must also comply with these conditions.

1. Acts or omissions of Your Body Corporate Manager/Agent

We will not deny liability for a claim, or reduce the amount thereof, if Our right of denial or reduction is solely caused by an act, error or omission of Your Body Corporate Manager/Agent while acting on Your behalf.

2. Tell Us when these things change

You must tell Us as soon as reasonably possible if any of the information noted below has changed:

- You are carrying out construction works, alterations or additions that exceed \$500,000; or
- You have cranes, hoists or similar attached to the Insured Property or at the Situation; or
- there is a change in the percentage of floor space used for commercial purposes; or
- Your building becomes subject to a Building Rectification Order, Fire Order or any other Order issued by a statutory body.

If You don’t tell Us, We may reduce or refuse to pay a claim.

When You tell Us about something that has changed or request a change to Your Policy, We will assess the change to the risk in accordance with Our underwriting rules and processes.

Changes to Your cover

If You request any change to cover (e.g. You choose to add a Policy or You increase the Sum(s) Insured) then, if We agree to the change, We will issue a new Schedule and ask You for any additional Premium. If an additional Premium is required, the change will only be effective when:

- if You’re paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional Premium;

or

- You have paid the additional Premium by the due date We give to You.

If You don't pay the additional Premium by the due date then We will make reasonable efforts to contact You using the latest contact details You provided Us. If We don't receive payment of the additional Premium owed, the change will not be effective and We will confirm this by issuing a replacement Schedule.

If You request any change to cover and We don't agree to the change, then We will let You know and the Policy will continue unchanged.

Changes to Your circumstances

Contact Us to discuss potential changes in circumstances when You know the details of the timing and nature of the changes before they happen, to find out in advance whether We will be able to continue to insure You.

If You tell Us about any of the following changes then We will cancel Your Policy and refund any unused portion of the Premium:

- You are carrying out construction works, alterations or additions that exceed \$500,000 that are unacceptable under Our underwriting rules and processes; or
- You have cranes, hoists or similar attached to the Insured Property or at the Situation.

If there is a change in the percentage of floor space used for commercial purposes, We may need to cancel Your Policy and replace it with another policy.

If You tell Us about any other change, We will consider it under Our underwriting rules and processes at the time.

3. Cancellation - how Your Policy may be cancelled

Cancellation by You

You may cancel this Policy at any time by telling Us in writing. We will retain a portion of Premium which relates to the period for which You have been insured together with any non-refundable government taxes or charges, or CHU administration fees.

Cancellation by Us

We may cancel this Policy at any time as allowed by law by notifying You in writing of the date from which cancellation is to take effect. Notification will be delivered to the address last notified to Us and cancellation will take effect no earlier than 4.00pm on the date set out in the cancellation notice unless the Policy was in force by virtue of Section 58 of the Insurance Contracts Act 1984 (Cth), whereby the cancellation will take effect from the fourteenth business day after the day on which notice was given to You.

4. Goods and Services Tax – how it affects any payments We make

The amount of Premium payable by You for this Policy includes an amount on account of the Goods and Services Tax (GST) on the Premium.

When We pay a claim, Your GST status will determine the amount We pay. When You are:

- a. not registered for GST We will pay up to the Sum Insured, Limit of Liability or other Policy limit including GST.

- b. registered for GST:

- i. and We settle direct with the builder, repairer or supplier We will pay up to the Sum Insured, Limit of Liability or other Policy limit including GST; or
- ii. when We settle direct with You We will pay up to the Sum Insured, Limit of Liability or other Policy limit and
- iii. where You are liable to pay an amount for GST in respect of an acquisition relevant to Your claim We will pay for the GST amount but We will reduce the GST amount We pay by the amount of any Input Tax Credits to which You are or would be entitled.

In these circumstances, the Input Tax Credit may be claimable through Your Business Activity Statement (BAS).

You must advise Us of Your correct Australian Business Number & Taxable Percentage. Any GST liability arising from Your incorrect advice is payable by You.

Where the settlement of Your claim is less than the Sum Insured or the other limits of insurance cover, We will only pay an amount for GST (less Your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover Your loss, We will only pay the GST relating to Our settlement of the claim.

GST, Input Tax Credit (ITC), Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in A New Tax System (Goods and Services Tax) Act 1999 (Cth) and related legislation as amended from time to time. Taxable Percentage is Your entitlement to an Input Tax Credit on Your Premium as a percentage of the total GST on that Premium.

There may be other taxation implications affecting You, depending upon Your own circumstances. We recommend that You seek professional advice.

5. Joint insureds

When there is more than one insured on Your Policy, We may treat each as a separate and distinct party. The words You, Your, Yours may apply to each party in the same manner as if a separate Policy had been issued to each party, provided Our liability for any Sum Insured, Limit of Liability or other Policy limit for any one Event or Occurrence is not thereby increased. We may treat what any one insured says or does in relation to Your Policy or any claim under it, as said or done by each of the insureds. We may rely on a request from one insured to change or cancel Your Policy or tell Us where a claim payment should be paid. Any act, breach or non-compliance with the terms and conditions of this Policy committed by any one such party shall not be prejudicial to the rights and entitlements of the other insured party(ies), provided that the other insured party(ies) upon becoming aware of any such act, breach or non-compliance which increases the risk of loss, Damage or liability give Us written notice within a reasonable time.

6. Excess

You must pay or contribute the amount of any Excess shown in the Policy or in the Schedule for each claim made. Payment of any Excess shown in this Policy or in the Schedule for each claim made may be requested from You when the claim is lodged, or may be deducted from Our payment.

Should more than one Excess be payable for any claim arising from the one Event, such Excesses will not be aggregated and the highest single level of Excess only will apply.

For earthquake or seismological disturbance, where loss or Damage occurs during any one period of 72 consecutive hours, the Excess is \$500, or the Excess amount shown in the Policy Schedule, whichever is greater.

7. Reinstatement of Sum Insured

After We have admitted liability for a claim We will automatically reinstate the Sum Insured and/or Special Benefit limits to their pre-loss amount without any additional Premium having to be paid.

This condition does not apply:

- a. when We pay a total loss;
- b. when We pay the full Sum Insured;
- c. to Policy 5 – Office Bearers’ Legal Liability;
- d. to Policy 8 – Government Audit Costs, Appeal Expenses and Legal Defence Expenses;
- e. to Special Benefits 6 and 23 of Policy 1 – Insured Property.

8. Governing law and jurisdiction

This Policy is governed by the laws of the State or Territory of Australia in which this Policy is issued. Any dispute relating to this Policy shall be submitted to the jurisdiction of an Australian Court within the State or Territory in which this Policy was issued.

9. Subrogation, recovery action & uninsured loss

We may at any time in consultation with You, at Our expense and in Your name, use all legal means available to You of securing reimbursement for loss or Damage arising under Your Policy. In the event We do so, You agree to give all reasonable assistance for that purpose.

If You have suffered loss that was not covered by the Policy as a result of the incident, We may offer to attempt to recover this. You may also specifically ask Us to recover this for You.

You will need to give Us documents supporting Your loss. Before We include any uninsured loss in the recovery action We will also ask You to agree to the basis on which We will handle Your recovery action. Where required and within reason, You may need to contribute to legal costs in some circumstances.

10. Related Claims

For the purposes of applying any Excess or Limit of Liability, all loss otherwise recoverable under this Policy resulting from or in connection with:

- a. one and the same act, error or omission; or
- b. a series of acts, errors or omissions arising out of or attributable to the same originating cause, or source;

will be deemed to be one claim.

11. Severability/Non-imputation/Innocent Non-disclosure

Where this Policy insures more than one party, where one party made a misrepresentation to Us before the Policy was entered into this shall not prejudice the right of any other insured person to indemnity as may be provided by this Policy provided that:

- i. You were not aware of the failure or misrepresentation;
- ii. as soon as is reasonably practicable upon becoming aware of any such conduct, You advise Us in writing of all known facts in relation to such conduct; and

- iii. the conduct of the principals, partners and directors of the Insured are imputed to the Insured.
