Part D - Certificate with respect to prescribed inquiries by registered agent

Schedule

Preliminary

To the purchaser:

The purpose of a statement under section 7 of the *Land and Business (Sale and Conveyancing) Act 1994* is to put you on notice of certain particulars concerning the land to be acquired.

If you intend to carry out building work on the land, change the use of the land or divide the land, you should make further inquiries to determine whether this will be permitted. For example, building work may not be permitted on land not connected to a sewerage system or common drainage scheme if the land is near a watercourse, dam, bore or the River Murray and Lakes.

The *Aboriginal Heritage Act 1988* protects any Aboriginal site or object on the land. Details of any such site or object may be sought from the "traditional owners" as defined in that Act.

If you desire additional information, it is up to you to make further inquiries as appropriate.

Instructions to the vendor for completing this statement:

means the Part, Division, particulars or item may not be applicable.

If it is applicable, ensure the box is ticked and complete the Part, Division, particulars or item.

If it is not applicable, ensure the box is empty or strike out the Part, Division, particulars or item. Alternatively, the Part, Division, particulars or item may be omitted, but not in the case of an item or heading in the table of particulars in Division 1 of the Schedule that is required by the instructions at the head of that table to be retained as part of this statement.

All questions must be answered with a YES or NO (inserted in the place indicated by a rectangle or square brackets below or to the side of the question).

If there is insufficient space to provide any particulars required, continue on attachments.

Part B - Purchaser's cooling-off rights and proceeding with the purchase

To the purchaser:

Right to cool-off (section 5)

1 - Right to cool-off and restrictions on that right

You may notify the vendor of your intention not to be bound by the contract for the sale of the land UNLESS -

- (a) you purchased by auction; or
- (b) you purchased on the same day as you, or some person on your behalf, bid at the auction of the land; or
- (c) you have, before signing the contract, received independent advice from a legal practitioner and the legal practitioner has signed a certificate in the prescribed form as to the giving of that advice; or
- (d) you are a body corporate and the land is not residential land; or
- (e) the contract is made by the exercise of an option to purchase not less than 5 clear business days after the grant of the option and not less than 2 clear business days after service of this form; or
- (f) the sale is by tender and the contract is made not less than 5 clear business days after the day fixed for the closing of tenders and not less than 2 clear business days after service of this form; or
- (g) the contract also provides for the sale of a business that is not a small business.

2 - Time for service

The cooling-off notice must be served -

- (a) if this form is served on you before the making of the contract - before the end of the second clear business day after the day on which the contract was made; or
- (b) if this form is served on you after the making of the contract - before the end of the second clear business day from the day on which this form is served.

However, if this form is not served on you at least 2 clear business days before the time at which settlement takes place, the cooling-off notice may be served at any time before settlement.

3 - Form of cooling-off notice

The cooling-off notice must be in writing and must be signed by you.

4 - Methods of service

The cooling-off notice must be -

- (a) given to the vendor personally; or
- (b) posted by registered post to the vendor at the following address:

(being the vendor's last known address); or
- (c) transmitted by fax or email to the following fax number or email address:

(being a number or address provided to you by the vendor for the purpose of service of the notice); or

- (d) left for the vendor's agent (with a person apparently responsible to the agent) at, or posted by registered post to the agent at, the following address:

being the agent's address for service under the *Land Agents Act 1994*

an address nominated by the agent to you for the purpose of service of the notice

Note - Section 5(3) of the *Land and Business (Sale and Conveyancing) Act 1994* places the onus of proving the giving of the cooling-off notice on the purchaser. It is therefore strongly recommended that -

- (a) if you intend to serve the notice by leaving it for the vendor's agent at the agent's address for service or an address nominated by the agent, you obtain an acknowledgment of service of the notice in writing;
- (b) if you intend to serve the notice by fax or email, you obtain a record of the transmission of the fax or email.

5 - Effect of service

If you serve such cooling-off notice on the vendor, the contract will be taken to have been rescinded at the time when the notice was served. You are then entitled to the return of any money you paid under the contract other than -

- (a) the amount of any deposit paid if the deposit did not exceed \$100; or
- (b) an amount paid for an option to purchase the land.

Proceeding with the purchase

If you wish to proceed with the purchase -

- (a) it is strongly recommended that you take steps to make sure your interest in the property is adequately insured against loss or damage; and
- (b) pay particular attention to the provisions in the contract as to time of settlement - it is essential that the necessary arrangements are made to complete the purchase by the agreed date - if you do not do so, you may be in breach of the contract; and
- (c) you are entitled to retain the solicitor or registered conveyancer of your choice.

- 2 Copies of the articles of the strata corporation may also be obtained from the Lands Titles Registration Office.
- 3 All owners of a strata unit are bound by the articles of the strata corporation. The articles regulate the rights and liabilities of owners of units in relation to their units and the common property and matters of common concern.
- 4 For a brief description of some of the matters that need to be considered before purchasing a strata unit, see Division 3 of this Schedule.

Matters to be considered in purchasing a community lot or strata unit

The property you are buying is on strata or community title. There are **special obligations and restrictions** that go with this kind of title. Make sure you understand these. If unsure, seek legal advice before signing a contract. For example:

Governance

You will automatically become a member of the **body corporate**, which includes all owners and has the job of maintaining the common property and enforcing the rules. Decisions, such as the amount you must pay in levies, will be made by vote of the body corporate. You will need to take part in meetings if you wish to have a say. If outvoted, you will have to live with decisions that you might not agree with.

If you are buying into a mixed use development (one that includes commercial as well as residential lots), owners of some types of lots may be in a position to outvote owners of other types of lots. Make sure you fully understand your voting rights, see later.

Use of your property

You, and anyone who visits or occupies your property, will be bound by rules in the form of **articles or by-laws**. These can restrict the use of the property, for example, they can deal with keeping pets, car parking, noise, rubbish disposal, short-term letting, upkeep of buildings and so on. Make sure that you have read the articles or by-laws before you decide whether this property will suit you.

Depending on the rules, you might not be permitted to make changes to the exterior of your unit, such as installing a television aerial or an air-conditioner, building a pergola, attaching external blinds etc without the permission of the body corporate. A meeting may be needed before permission can be granted. Permission may be refused.

Note that the articles or by-laws **could change** between now and when you become the owner: the body corporate might vote to change them. Also, if you are buying before the community plan is registered, then any by-laws you have been shown are just a draft.

Are you buying a debt?

If there are unpaid contributions owing on this property, you can be made to pay them. You are entitled to **know the financial state of the body corporate** and you should make sure you see its records before deciding whether to buy. As a prospective owner, you can write to the body corporate requiring to see the records, including minutes of meetings, details of assets and liabilities, contributions payable, outstanding or planned expenses and insurance policies. There is a fee. To make a request, write to the secretary or management committee of the body corporate.

Expenses

The body corporate can **require you to maintain your property**, even if you do not agree, or can carry out maintenance and bill you for it.

The body corporate can **require you to contribute** to the cost of upkeep of the common property, even if you do not agree. Consider what future maintenance or repairs might be needed on the property in the long term.

Guarantee

As an owner, you are a **guarantor** of the liabilities of the body corporate. If it does not pay its debts, you can be called on to do so. Make sure you know what the liabilities are before you decide to buy. Ask the body corporate for copies of the financial records.

Contracts

The body corporate can make contracts. For example, it may engage a body corporate manager to do some or all of its work. It may contract with traders for maintenance work. It might engage a caretaker to look after the property. It might make any other kind of contract to buy services or products for the body corporate. Find out **what contracts the body corporate is committed to and the cost**.

The body corporate will have to raise funds from the owners to pay the money due under these contracts. As a guarantor, you could be liable if the body corporate owes money under a contract.

Buying off the plan

If you are buying a property that has not been built yet, then you **cannot be certain** what the end product of the development process will be. If you are buying before a community plan has been deposited, then any proposed development contract, scheme description or by-laws you have been shown could change.

Mixed use developments—voting rights

You may be buying into a group that is run by several different community corporations. This is common in mixed use developments, for example, where a group of apartments is combined with a hotel or a group of shops. If there is more than 1 corporation, then you should not expect that all lot owners in the group will have equal voting rights. The corporations may be structured so that, even though there are more apartments than shops in the group, the shop-owners can outvote the apartment owners on some matters. Make enquiries so that you understand how many corporations there are and what voting rights you will have.

Buyers information notice

Prescribed notice to be given to purchaser

Before you buy a home there are a number of things that you should investigate and consider. Though it may not be obvious at the time, there could be matters that may affect your enjoyment of the property, the safety of people on the property or the value of the property.

The following questions may help you to identify if a property is appropriate to purchase. In many cases the questions relate to a variety of laws and standards. These laws and standards change over time, so it is important to seek the most up to date information. Various government agencies can provide up to date and relevant information on many of these questions. To find out more, Consumer and Business Services recommends that you check the website: www.cbs.sa.gov.au.

Consider having a professional building inspection done before proceeding with a purchase. A building inspection will help you answer some of the questions below.

The questions have been categorised under the headings **Safety**, **Enjoyment** and **Value**, but all of the issues are relevant to each heading.

Safety

- Is there **asbestos** in any of the buildings or elsewhere on the property e.g. sheds and fences?

- Does the property have any **termite** or other pest infestations? Is there a current preventive termite treatment program in place? Was the property treated at some stage with persistent organochlorins (now banned) or other **toxic** termiticides?
- Has fill been used on the site? Is the soil contaminated by **chemical residues** or waste?
- Does the property use **cooling towers** or manufactured warm water systems? If so, what are the maintenance requirements?

Enjoyment

- Does the property have any **stormwater** problems?
- Is the property in a **flood prone** area? Is the property prone to coastal flooding?
- Does the property have an on-site **wastewater treatment facility** such as a septic tank installed? If so, what are the maintenance requirements? Is it compliant?
- Is a **sewer mains connection** available?
- Are all gutters, downpipes and stormwater systems in good working order and in good condition?
- Is the property near **power lines**? Are there any trees on the property near power lines? Are you considering planting any trees? Do all structures and trees maintain the required clearance from any power lines?
- Are there any **significant** trees on the property?
- Is this property a unit on **strata or community title**? What could this mean for you? Is this property on strata or community title? Do you understand the restrictions of use and the financial obligations of ownership? Will you have to pay a previous owner's debt or the cost of planned improvements?
- Is the property close to a hotel, restaurant or other venue with entertainment consent for live music? Is the property close to any industrial or commercial activity, a busy road or airport etc that may result in the generation of **noise** or the **emission of materials or odours** into the air?

Electricity and Telecommunications Infrastructure - Building Restrictions and Statutory Easements (including those related to gas, water and sewage)

Building restrictions

It is an offence under section 86 of the *Electricity Act 1996* to erect a building or structure within a prescribed distance of aerial or underground powerlines. In some, but not all, cases approval may be obtained from the Technical Regulator. Generally, however, land owners must not build, or alter a building or structure, with the result that any part of the resulting building or structure is within the minimum clearance distance required from certain types of powerlines. These building limitations are set out in the *Electricity (General) Regulations 2012* regulations 81 and 82. Purchasers intending to redevelop the property to be purchased should therefore be aware that the restrictions under the *Electricity Act* and *Regulations* may affect how, or if, they are able to redevelop the property.

In addition, if a building or structure is erected in proximity to a powerline of an electricity entity in contravention of the *Electricity Act*, the entity may seek a court order:

- a) requiring the person to take specified action to remove or modify the building or structure within a specified period;
- b) for compensation from the person for loss or damage suffered in consequence of the contravention; and/or
- c) for costs reasonably incurred by the entity in relocating the powerline or carrying out other work.

Contact the Office of the Technical Regulator in DEM on 8226 5500 for further details.

Statutory easements

Statutory easements for purposes such as (and without limitation) electricity, telecommunications, gas, water and sewage, may also exist, but may not be registered or defined on the title for the land.

Separate from the above building restrictions, South Australia's electricity supply and transmission businesses have statutory easements over land where part of the electricity distribution or transmission system was on, above or under the land as at particular dates specified by legislation.

This notice does not necessarily imply that any statutory or other easement exists.

However, where in existence, statutory easements may provide these organisations and businesses (identified in the relevant legislation) with the right of entry, at any reasonable time, to operate, repair, examine, replace, modify or maintain their equipment, to bring any vehicles or equipment on the land for these purposes, and to install, operate and carry out work on any pipelines, electricity or telecommunications cables or equipment that may be incorporated in, or attached to, their equipment (For example, see Clause 2 of Schedule 1 of the *Electricity Corporations (Restructuring and Disposal) Act 1999*; section 48A of the *Electricity Act 1996*).

For further clarification on these matters, please contact the relevant organisations or businesses, such as SA Power Networks' Easements Branch on telephone 8404 5897 or 8404 5894.

If you intend to excavate, develop or subdivide land, it is suggested that you first lodge a 'Dial Before you Dig' enquiry. Dial Before You Dig is a free referral service that provides information on the location of underground infrastructure. Using the Dial Before you Dig service (<https://1100.com.au>) may mitigate the risk of injury or expense resulting from inadvertent interference with, damage to, or requirement to relocate infrastructure.

Land Tax Act 1936 and Regulations thereunder

Agents should note that the current owner will remain liable for any additional charge accruing due before the date of this certificate which may be assessed on the land and also that the purchaser is only protected in respect of the tax for the financial year for which this certificate is issued. If the change of ownership will not occur on or before the 30th June, another certificate should be sought in respect of the next financial year or requests for certificate should not be made until after 30th June.

Animal and Plant Control (Agriculture Protection and other purposes) Act 1986 and Regulations

Agents should note that this legislation imposes a responsibility on a landholder to control and keep controlled proclaimed plants and particular classes of animals on a property.

Information should be obtained from:

- The vendor about the known presence of proclaimed plants or animals on the property including details which the vendor can obtain from records held by the local animal and plant control board
- The local animal and plant control board or the Animal and Plant Control Commission on the policies and priorities relating to the control of any serious proclaimed plants or animals in the area where the property is located.

Schedule—Division 2—Other particulars (section 7(1)(b))

Particulars of building indemnity insurance

Note: Building indemnity insurance is not required for -

- a) domestic building work for which approval under the *Planning, Development and Infrastructure Act 2016*, the repealed *Development Act 1993* or the repealed *Building Act 1971* is or was not required; or
- b) minor domestic building work (see section 3 of the *Building Work Contractors Act 1995*); or
- c) domestic building work commenced before 1 May 1987; or
- d) building work in respect of which an exemption from the application of Division 3 of Part 5 of the *Building Work Contractors Act 1995* applies under the *Building Work Contractors Regulations 2011*; or
- e) building work in respect of which an exemption from the application of Division 3 of Part 5 of the *Building Work Contractors Act 1995* has been granted under section 45 of that Act.

1. Building indemnity insurance is required: No

2. Name of persons insured: N/A

3. Name of insurer: N/A

4. Limitations on the liability of the insurer: N/A

5. Name of the builder: N/A

6. Builders licence number: N/A

7. Description of insured building work: N/A

8. Date of issue of insurance: N/A

Exemption from holding insurance:

If particulars of insurance are not given, has an exemption been granted under section 45 of the *Building Work Contractors Act 1995* from the requirement to hold an insurance policy in accordance with Division 3 of Part 5 of that Act?

No

1. Date of the exemption: N/A

2. Name of builder granted the exemption: N/A

3. Licence number of builder granted the exemption: N/A

4. Details of building work for which the exemption applies: N/A

5. Details of conditions for which the exemption is subject: N/A

6 - Further information held by councils

Does the council hold details of any development approvals relating to:

- a) commercial or industrial activity at the land; or
- b) a change in the use of the land or part of the land (within the meaning of the *Planning, Development Act 1993*) or the *Planning, Development and Infrastructure Act 2016*?

NO

Description of the nature of the development(s) approved:

Refer to the repealed *Development Act 1993* Section of this document particularly Part 3 Development Plan, Section 42 – Condition (that continues to apply) of a development authorisation and Repealed Act conditions listed in this document.

The question relates to information that the council for the area in which the land is situated may hold. If the council answers "YES" to the question, it will provide a description of the nature of each development approved in respect of the land. The purchaser may then obtain further details from the council (on payment of any fee fixed by the council). However, it is expected that the ability to supply further details will vary considerably between councils.

A "YES" answer to paragraph (a) of the question may indicate that a **potentially contaminating activity** has taken place at the land (see sections 103C and 103H of the *Environment Protection Act 1993*) and that assessments or remediation of the land may be required at some future time.

It should be noted that—

- the approval of development by a council does not necessarily mean that the development has taken place;
- the council will not necessarily be able to provide a complete history of all such development that has taken place at the land.

Strata meeting 8 Eton Road on 11 July 2025

ATTENDING: Kathryn Power, Marion Goudie, Kathleen Hickey, Bohdan Hnatyszyn

APOLOGIES: Nil

KP advised that the insurance bill came in much higher this year. MG had sought out additional quotes and there were no savings to be had going with a different provider. Strata insurance is a legal requirement in SA. KP had concerns that while we could pay the bill from current bank balance, there would not be enough to do the pest inspection on time or pay this level of insurance next year.

MG proposed raising strata contributions to \$250 per quarter as a starting point, though we may need to review again in 6 months. All in agreement. New payment amount starts next quarter.

KP will delay pest inspection for 3-6 months to make sure there is sufficient funds to cover this expense.

ACTIONS:

- KP to pay insurance bill, continuing with Suncorp.
- Next meeting in 6 months.

Strata meeting 8 Eton Road on 15 March 2025

ATTENDING: Kathryn Power, Marion Goudie, Kathleen Hickey, Bohdan Hnatyszyn

APOLOGIES: Nil

Welcome new owners Kathleen Hickey, Bohdan (Bob) Hnatyszyn
Email for correspondence: bowkat@outlook.com

KP advised previous owner Jeff Potter handover of strata responsibilities and key documents and shared these with the group. Previous arrangements were informal and while this will continue KP will now create and keep minutes of meetings.

Extra green bin is MG's but she's happy to leave out the front for green waste from mowing etc.

Community initiative stobie pole painting underway in Eton Road. KP will have one side, KH the other of the one directly outside no. 8.

Banking, KP to advise bank of ownership change and set up KP and BH access to banking. Jeff and Marilyn Potter are no longer owners, new owners are Kathleen Hickey and Bohdan Hnatyszyn.

KP advised back corner fence issue will require access via neighbouring property to fix as supporting posts are behind, she is not in a rush to fix but will follow up at some stage. MG talked about a loose panel on her back fence and potential issues with the fence behind her property and KP's as those neighbours talked about replacing this at some point in the future.

Insurance needs updating to ensure coverage:

- All units now owner occupied
- Colourbond roofing in the middle unit
- Construction date 1977
- Remove note about swipe cards supervised entrance
- Remove note about monitored smoke detectors
- All owners no claims in last 3 years declined or refused
- 2020 and 2021 claimants no longer own units.

KP to follow up and action changes, even if this increases premium.

KH advised BH would like to hold a garage sale in the coming weeks, this will be conducted in the street facing section of their property and will not impact driveway access. MG and KP agreed this is okay and asked to be notified of the date once confirmed.

ACTIONS:

- KP follow up banking
- KP follow up insurance
- KH and BH advise garage sale date once confirmed.

Strata meeting 8 Eton Road on 21 December 2025

ATTENDING: Kathryn Power, Marion Goudie, Kathleen Hickey, Bohdan Hnatyszyn

APOLOGIES: Nil

Last minutes approved without changes.

Balance of accounts is \$1,528.72

Concerns around under insurance, consensus decision made to increase re-build value to \$1 million from \$882. BH asked MG to talk to real estate agent about approximate land value for block, so that we can better understand building values.

MG strata contributions increase to \$300 per quarter, though we may need to review again in 6 months. All in agreement. New payment amount starts after the January payment.

Pest inspection in the new year, Friday's preferred. KP to arrange.

KP to calculate a kitty fund for grounds maintenance – with money previously allocated for lawn mowing to be made available to draw on for expenses related to grounds maintenance.

ACTIONS:

- KP to update insurance and organise pest inspection
- MG to talk with real estate agent about estimated land value
- Next meeting in 6 months.

Please check that the property details shown on this Certificate are correct for the land being sold.

The amount payable on this Certificate is accurate as at the date of issue.

This Certificate is only valid for the financial year shown.

If the change of ownership will occur in the following financial year, you must obtain another Certificate after 30 June.
