Schedule

Preliminary

To the purchaser:

The purpose of a statement under section 7 of the *Land and Business (Sale and Conveyancing) Act 1994* is to put you on notice of certain particulars concerning the land to be acquired. If you intend to carry out building work on the land, change the use of the land or divide the land, you should make further inquiries to determine whether this will be permitted. For example, building work may not be permitted on land not connected to a sewerage system or common drainage scheme if the land is near a watercourse, dam, bore or the River Murray and Lakes.

The *Aboriginal Heritage Act 1988* protects any Aboriginal site or object on the land. Details of any such site or object may be sought from the "traditional owners" as defined in that Act.

If you desire additional information, it is up to you to make further inquiries as appropriate.

Instructions to the vendor for completing this statement:

☐ *means the Part, Division, particulars or item may not be applicable.*
If it is applicable, ensure the box is ticked and complete the Part, Division, particulars or item.
If it is not applicable, ensure the box is empty or strike out the Part, Division, particulars or item. Alternatively, the Part, Division, particulars or item may be omitted, but not in the case of an item or heading in the table of particulars in Division 1 of the Schedule that is required by the instructions at the head of that table to be retained as part of this statement.

* *means strike out or omit the option that is not applicable.*

All questions must be answered with a YES or NO (inserted in the place indicated by a rectangle or square brackets below or to the side of the question).

If there is insufficient space to provide any particulars required, continue on attachments.

Note –

These questions relate to details about the land that may be known by the vendor. A **"YES"** answer to the questions at items 2(1) or 2(2) may indicate that a ***potentially contaminating activity*** has taken place at the land (see sections 103C and 103H of the *Environment Protection Act 1993*) and that assessments or remediation of the land may be required at some future time.
A **"YES"** answer to any of the questions in this item may indicate the need for the purchaser to seek further information regarding the activities, for example, from the council or the EPA.

3 – Licences and exemptions recorded by EPA in public register

Does the EPA hold any of the following details in the public register:

(a) details of a current licence issued under Part 6 of the *Environment Protection Act 1993* to conduct any prescribed activity of environmental significance under Schedule 1 of that Act at the land?

These questions relate to details about licences and exemptions required to be recorded by the EPA in the public register.

If the EPA answers "**YES**" to any of the questions –

- in the case of a licence or exemption under the *Environment Protection Act 1993* –
  - the purchaser may obtain a copy of the licence or exemption from the public register on payment of the prescribed fee; and
  - the purchaser should note that transfer of a licence or exemption is subject to the conditions of the licence or exemption and the approval of the EPA (see section 49 of the *Environment Protection Act 1993*); and
- in the case of a licence under a repealed Act – the purchaser may obtain details about the licence from the public register on payment of the prescribed fee.

A "**YES**" answer to any of these questions may indicate that a ***potentially contaminating activity*** has taken place at the land (see sections 103C and 103H of the *Environment Protection Act 1993*) and that assessments or remediation of the land may be required at some future time.

The EPA will not provide details about licences to conduct the following prescribed activities of environmental significance (within the meaning of Schedule 1 Part A of the *Environment Protection Act 1993*): waste transport business (category A), waste transport business (category B), dredging, earthworks drainage, any other activities referred to in Schedule 1 Part A undertaken by means of mobile works, helicopter landing facilities, marinas and boating facilities or discharges to marine or inland waters.

The EPA will not provide details about exemptions relating to –

- the conduct of any of the licensed activities in the immediately preceding paragraph in this note; or
- noise.

4 – Pollution and site contamination on the land – details recorded by EPA in public register

Does the EPA hold any of the following details in the public register in relation to the land or part of the land:

(a) details of serious or material environmental harm caused or threatened in the course of an activity (whether or not notified under section 83 of the *Environment Protection Act 1993)?*

NO

(b) details of site contamination notified to the EPA under section 83A of the *Environment Protection Act 1993*?

NO

(c) a copy of a report of an environmental assessment (whether prepared by the EPA or some other person or body and whether or not required under legislation) that forms part of the information required to be recorded in the public register?

YES

(d) a copy of a site contamination audit report?

NO

(e) details of an agreement for the exclusion or limitation of liability for site contamination to which section 103E of the *Environment Protection Act 1993* applies?

NO

(f) details of an agreement entered into with the EPA relating to an approved voluntary site contamination assessment proposal under section 103I of the *Environment Protection Act 1993*?

NO

(g) details of an agreement entered into with the EPA relating to an approved voluntary site remediation proposal under section 103K of the *Environment Protection Act 1993?*

NO

(h) details of a notification under section 103Z(1) of the *Environment Protection Act 1993* relating to the commencement of a site contamination audit?

NO

(i) details of a notification under section 103Z(2) of the *Environment Protection Act 1993* relating to the termination before completion of a site contamination audit?

NO

(j) details of records, held by the former South Australian Waste Management Commission under the repealed *Waste Management Act 1987*, of waste (within the meaning of that Act) having been deposited on the land between 1 January 1983 and 30 April 1995?

NO

Note –

These questions relate to details required to be recorded by the EPA in the public register. If the EPA answers "YES" to any of the questions, the purchaser may obtain those details from the public register on payment of the prescribed fee.

5 – Pollution and site contamination on the land – other details held by EPA

Does the EPA hold any of the following details in relation to the land or part of the land:

(a) a copy of a report known as a "Health Commission Report" prepared by or on behalf of the South Australian Health Commission (under the repealed *South Australian Health Commission Act 1976*)?

NO

(b) details (which may include a report of an environmental assessment) relevant to an agreement entered into with the EPA relating to an approved voluntary site contamination assessment proposal under section 103I of the *Environment Protection Act 1993*?

NO

(c) details (which may include a report of an environmental assessment) relevant to an agreement entered into with the EPA relating to an approved voluntary site remediation proposal under section 103K of the *Environment Protection Act 1993*?

NO

(d) a copy of a pre-1 July 2009 site audit report?

NO

(e) details relating to the termination before completion of a pre-1 July 2009 site audit?

NO

Note –

These questions relate to details that the EPA may hold. If the EPA answers "**YES**" to any of the questions, the purchaser may obtain those details from the EPA (on payment of any fee fixed by the EPA).

6 – Further information held by councils

Does the council hold details of any development approvals relating to –

(a) commercial or industrial activity at the land; or

(b) a change in the use of the land or part of the land (within the meaning of the *Development Act 1993* or the *Planning, Development and Infrastructure Act 2016*)?

NO

Note –

These question relates to information that the council for the area in which the land is situated may hold. If the council answers "**YES**" to the question, it will provide a description of the nature of each development approved in respect of the land. The purchaser may then obtain further details from the council (on payment of any fee fixed by the council). However, it is expected that the ability to supply further details will vary considerably between councils.

A "**YES**" answer to paragraph (a) of the question may indicate that a ***potentially contaminating activity*** has taken place at the land (see sections 103C and 103H of the *Environment Protection Act 1993*) and that assessments or remediation of the land may be required at some future time.

It should be noted that –

- the approval of development by a council does not necessarily mean that the development has taken place;
- the council will not necessarily be able to provide a complete history of all such development that has taken place at the land.

7 – Further information for purchasers

Note –

The purchaser is advised that other matters under the *Environment Protection Act 1993* (that is, matters other than those referred to in this Statement) that may be relevant to the purchaser's further enquiries may also be recorded in the public register. These include:

- details relating to environmental authorisations such as applications, applicants, locations of activities, conditions, suspension, cancellation or surrender of authorisations, disqualifications, testing requirements and test results;
- details relating to activities undertaken on the land under licences or other environmental authorisations no longer in force;
- written warnings relating to alleged contraventions of the *Environment Protection Act 1993*;
- details of prosecutions and other enforcement action;
- details of civil proceedings;
- other details prescribed under the *Environment Protection Act 1993* (see section 109(3)(l)).

Details of these matters may be obtained from the public register on payment to the EPA of the prescribed fee.

If –

- an environment performance agreement, environment protection order, clean-up order, clean-up authorisation, site contamination assessment order or site remediation order has been registered on the certificate of title for the land; or
- a notice of declaration of special management area in relation to the land has been gazetted; or
- a notation has been made on the certificate of title for the land that a site contamination audit report has been prepared in respect of the land; or
- a notice of prohibition or restriction on taking water affected by site contamination in relation to the land has been gazetted,

it will be noted in the items under the heading *Environment Protection Act 1993* under the Table of Particulars in this Statement. Details of any registered documents may be obtained from the Lands Titles Registration Office.

SCHEDULE – DIVISION 3 – COMMUNITY LOTS AND STRATA UNITS

☑

Matters to be considered in purchasing a community lot or strata unit

The property you are buying is on strata or community title. There are **special obligations and restrictions** that go with this kind of title. Make sure you understand these. If unsure, seek legal advice before signing a contract. For example:

Governance

You will automatically become a member of the **body corporate**, which includes all owners and has the job of maintaining the common property and enforcing the rules. Decisions, such as the amount you must pay in levies, will be made by vote of the body corporate. You will need to take part in meetings if you wish to have a say. If outvoted, you will have to live with decisions that you might not agree with.

If you are buying into a mixed use development (one that includes commercial as well as residential lots), owners of some types of lots may be in a position to outvote owners of other types of lots. Make sure you fully understand your voting rights, see later.

Use of your property

You, and anyone who visits or occupies your property, will be bound by rules in the form of **articles or by-laws**. These can restrict the use of the property, for example, they can deal with keeping pets, car parking, noise, rubbish disposal, short-term letting, upkeep of buildings and so on. Make sure that you have read the articles or by-laws before you decide whether this property will suit you.

Depending on the rules, you might not be permitted to make changes to the exterior of your unit, such as installing a television aerial or an air-conditioner, building a pergola, attaching external blinds etc without the permission of the body corporate. A meeting may be needed before permission can be granted. Permission may be refused. Note that the articles or by-laws could change between now and when you become the owner: the body corporate might vote to change them. Also, if you are buying before the community plan is registered, then any by-laws you have been shown are just a draft.

Are you buying a debt?

If there are unpaid contributions owing on this property, you can be made to pay them. You are entitled to **know the financial state of the body corporate** and you should make sure you see its records before deciding whether to buy. As a prospective owner, you can write to the body corporate requiring to see the records, including minutes of meetings, details of assets and liabilities, contributions payable, outstanding or planned expenses and insurance policies. There is a fee. To make a request, write to the secretary or management committee of the body corporate.

Expenses

The body corporate can require you to **maintain your property**, even if you do not agree, or can carry out maintenance and bill you for it.

The body corporate can **require you to contribute** to the cost of upkeep of the common property, even if you do not agree. Consider what future maintenance or repairs might be needed on the property in the long term.

Guarantee

As an owner, you are a **guarantor** of the liabilities of the body corporate. If it does not pay its debts, you can be called on to do so. Make sure you know what the liabilities are before you decide to buy. Ask the body corporate for copies of the financial records.

Contracts

The body corporate can make contracts. For example, it may engage a body corporate manager to do some or all of its work. It may contract with traders for maintenance work. It might engage a caretaker to look after the property. It might make any other kind of contract to buy services or products for the body corporate. Find out **what contracts the body corporate is committed to and the cost**.

The body corporate will have to raise funds from the owners to pay the money due under these contracts. As a guarantor, you could be liable if the body corporate owes money under a contract.

Buying off the plan

If you are buying a property that has not been built yet, then you **cannot be certain** what the end product of the development process will be. If you are buying before a community plan has been deposited, then any proposed development contract, scheme description or by-laws you have been shown could change.

Mixed use developments - voting rights

You may be buying into a group that is run by several different community corporations. This is common in mixed use developments, for example, where a group of apartments is combined with a hotel or a group of shops. If there is more than 1 corporation, then you should not expect that all lot owners in the group will have equal voting rights. The corporations may be structured so that, even though there are more apartments than shops in the group, the shop owners can outvote the apartment owners on some matters. Make enquiries so that you understand how many corporations there are and what voting rights you will have.

Notices

Electricity and Telecommunications Infrastructure - Building Restrictions and Statutory Easements (including those related to gas, water and sewage)

Building restrictions

It is an offence under section 86 of the *Electricity Act 1996* to erect a building or structure within a prescribed distance of aerial or underground powerlines. In some, but not all, cases approval may be obtained from the Technical Regulator. Generally, however, land owners must not build, or alter a building or structure, with the result that any part of the resulting building or structure is within the minimum clearance distance required from certain types of powerlines. These building limitations are set out in the *Electricity (General) Regulations 2012* regulations 81 and 82. Purchasers intending to redevelop the property to be purchased should therefore be aware that the restrictions under the *Electricity Act* and *Regulations* may affect how, or if, they are able to redevelop the property.

In addition, if a building or structure is erected in proximity to a powerline of an electricity entity in contravention of the *Electricity Act*, the entity may seek a court order:
a) requiring the person to take specified action to remove or modify the building or structure within a specified period;
b) for compensation from the person for loss or damage suffered in consequence of the contravention; and/or
c) for costs reasonably incurred by the entity in relocating the powerline or carrying out other work.

Contact the Office of the Technical Regulator in DEM on 8226 5500 for further details.

Statutory easements

Statutory easements for purposes such as (and without limitation) electricity, telecommunications, gas, water and sewage, may also exist, but may not be registered or defined on the title for the land.

Separate from the above building restrictions, South Australia's electricity supply and transmission businesses have statutory easements over land where part of the electricity distribution or transmission system was on, above or under the land as at particular dates specified by legislation.

This notice does not necessarily imply that any statutory or other easement exists.

However, where in existence, statutory easements may provide these organisations and businesses (identified in the relevant legislation) with the right of entry, at any reasonable time, to operate, repair, examine, replace, modify or maintain their equipment, to bring any vehicles or equipment on the land for these purposes, and to install, operate and carry out work on any pipelines, electricity or telecommunications cables or equipment that may be incorporated in, or attached to, their equipment (For example, see Clause 2 of Schedule 1 of the *Electricity Corporations (Restructuring and Disposal) Act 1999*; section 48A of the *Electricity Act 1996*).

For further clarification on these matters, please contact the relevant organisations or businesses, such as SA Power Networks' Easements Branch on telephone 8404 5897 or 8404 5894.

If you intend to excavate, develop or subdivide land, it is suggested that you first lodge a 'Dial Before you Dig' enquiry. Dial Before You Dig is a free referral service that provides information on the location of underground infrastructure. Using the Dial Before you Dig service (https://1100.com.au) may mitigate the risk of injury or expense resulting from inadvertent interference with, damage to, or requirement to relocate infrastructure.

***Land Tax Act 1936* and *Regulations* thereunder**

Agents should note that the current owner will remain liable for any additional charge accruing due before the date of this certificate which may be assessed on the land and also that the purchaser is only protected in respect of the tax for the financial year for which this certificate is issued. If the change of ownership will not occur on or before the 30th June, another certificate should be sought in respect of the next financial year or requests for certificate should not be made until after 30th June.

Animal and Plant Control (Agriculture Protection and other purposes) Act 1986* and *Regulations

Agents should note that this legislation imposes a responsibility on a landholder to control and keep controlled proclaimed plants and particular classes of animals on a property.

Information should be obtained from:

- The vendor about the known presence of proclaimed plants or animals on the property including details which the vendor can obtain from records held by the local animal and plant control board
- The local animal and plant control board or the Animal and Plant Control Commission on the policies and priorities relating to the control of any serious proclaimed plants or animals in the area where the property is located.

Basis of Preparation

The Body Corporate agent has prepared the financial statements on the basis that the Body Corporate is a non-reporting entity because there are no users dependent on general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared to meet the information needs of members.

The financial statements have been prepared in accordance with the significant accounting policies disclosed below, which the Body Corporate agent has determined are appropriate to meet the purposes of preparation. Such accounting policies are consistent with the prior period unless otherwise stated.

Basis of Accounting

The financial statements have been prepared on a cash basis where income is recorded when received and expenditure is recorded when paid and are based on historical costs.

Cash and cash equivalents

Cash and cash equivalents comprise deposits held on call with banks and other short-term highly liquid investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Goods and Services Tax

Income, expenditure and assets of the Corporation are recognised net of the amount of Goods and Services Tax (GST), except where the GST incurred is not recoverable from the Australian Taxation Office (ATO).

The net amount of GST payable to, or recoverable from, the ATO represents the unpaid portion of the aggregate of GST on income received and expenditure paid and is presented as the GST Control Account on the Statement of Assets and Liabilities.

Income Tax

Income tax is the tax payable on taxable income calculated using applicable income tax rates enacted, or substantially enacted, during the financial year.

Only the non-member income of the Corporation is assessable for income tax purposes, as member income is excluded under the principle of mutuality.

The income tax expense recorded in the Statement of Income and Expenditure represent amounts that have been paid to, or recovered from, the ATO.

This means, that if the contractor engaged by the Body Corporate does not have the necessary accreditation, an injured party may seek damages from the Body Corporate.

The Corporate Manager will only request quotations from, and instruct works to be undertaken on behalf of the Body Corporate, by accredited contractors. However, non-accredited contractor's invoices will be processed for payment only when instructed to do so by the Body Corporate Chairperson or a person authorised by the Body Corporate to do so.

Item 10

The *Work Health and Safety Act 2012,* recognises that a Body Corporate's common property is a workplace, as such the Body Corporate is responsible for ensuring the workplace is free from hazard, as far as reasonably practicable. Many different areas are subject to annual compliance and the Body Corporate Manager may review at the meeting all Body Corporate obligations and where necessary, update any compliance reports required to be held on file.

All legislative compliance reports will be reviewed promptly as required and any maintenance attended to in accordance with Australian Standards or Industry best practice using qualified and reputable practitioners. To ensure that the Body Corporate obligations are met and maintained during the year, the Compliance Register will be updated throughout the year.

Item 11

Item 6		
Accredited Contractors (Advice)		
To ensure compliance with work health and safety requirements to protect both contractors and Body Corporates, Whittles only engage accredited contractors who comply with state and territory legislation. If the Body Corporate decides, by act or omission to engage a contractor who is not accredited with Whittles, the Body Corporate acts as the Person Conducting a Business or Undertaking, in regard to the common property for the purposes of occupational health and safety legislation. This means, that if the contractor engaged by the Body Corporate does not have the necessary accreditation, an injured party may seek damages from the Body Corporate. The Corporate Manager will only request quotations from, and instruct works to be undertaken on behalf of the Body Corporate, by accredited contractors. However, non-accredited contractor's invoices will be processed for payment only when instructed to do so by the Body Corporate Chairperson or a person authorised by the Body Corporate to do so.		

Item 7		
Annual Compliance Register (Advice)		
The *Work Health and Safety Act 2012,* recognises that a Body Corporate's common property is a workplace, as such the Body Corporate is responsible for ensuring the workplace is free from hazard, as far as reasonably practicable. Whittles has established a register to ensure owners are fully aware of their legislative and reporting requirements for the Body Corporate. Many different areas are subject to annual compliance and the Body Corporate Manager may review at the meeting all Body Corporate obligations and where necessary, update any compliance reports required to be held on file. All legislative compliance reports will be reviewed promptly as required and any maintenance attended to in accordance with Australian Standards or Industry best practice using qualified and reputable practitioners. To ensure that the Body Corporate obligations are met and maintained during the year, the Compliance Register will be updated throughout the year.

This PDS was prepared on the 25 July 2025.

Important Information and Notices

There are two parts to this booklet. The first part is Important Information about this Policy including information about how We will protect Your privacy and how to make a complaint or access Our dispute resolution service.

The second part is Your Policy Wording which sets out the detailed terms, conditions and exclusions of the Policy.

Because We don't know Your own personal circumstances, You should treat any advice in this booklet as purely general in nature.

It doesn't consider Your objectives, financial situation or needs. You should carefully consider the information provided with regard to Your personal circumstances to decide if it's right for You.

This booklet is also a Product Disclosure Statement (PDS). Other documents You receive may comprise the PDS. You will know when this happens because it will say so in the document.

The information in this PDS is current at the preparation date however it may change over time.

When we make a change that is materially adverse, either a Supplementary Product Disclosure Statement (SPDS) or a new PDS will be provided at renewal.

If we make a change to information in the PDS that is not materially adverse, we may not notify you of the change and may not immediately update the PDS. However, you can contact us for a copy of the change at no charge by us.

CHUiSAVER Underwriting Agency Pty Ltd (ABN 85 613 645 239, AFSL 491113) trading as Flex Insurance (Flex) is a wholly owned subsidiary of CHU. CHU is a wholly owned subsidiary of Steadfast Group Ltd (ABN 98 073 659 677) ('SGL').

Authority to deal with Your information

CHU may share information which You have provided to it with its related Body Corporate(s) Flex, not only for the purpose of this CHU product but also for the secondary purpose of products offered by Flex. This includes if You tell Us something in seeking insurance from Us. In purchasing the product described in this PDS, You consent to related Body Corporate disclosure for a secondary purpose.

Authority to act on Our behalf

We have given CHU a binding authority to market, underwrite, settle claims and administer this Policy on Our behalf.

Any matters or enquiries You may have should be directed to CHU. The contact details for CHU are shown on the back cover of this document.

Under the terms of this binding authority CHU acts as Our agent, and not Yours, but liability within the terms and conditions of the Policy remains at all times with QBE.

The cost of this Policy

Premium is what You pay Us for this Policy and it's made up of the amount We've calculated for the risk and any taxes and government charges.

When calculating Your Premium We take a number of factors into account, including:

- where the Insured Property is located;
- the Sum Insured;
- the Insured Property's characteristics including any defects or maintenance issues;

- the options that You have selected, where available and We have agreed to them;
- Your previous insurance and claims history; and
- any business activities of any Lots/Units used for commercial purposes (not including office work by employees working from home).

The total cost of the Policy is shown in the Schedule and is made up of Your Premium plus government taxes, fees, duties and charges such as Stamp Duty, GST and any Emergency Services Levy (where applicable).

When You apply for this insurance, You will be advised of the Premium. If You choose to effect cover, the amount will be set out in the Schedule.

Information relating to Premium calculation

The list of factors in 'The cost of this Policy' is not exhaustive. We may take other factors into account and add or remove factors. The importance We place on the factors We use to calculate the Premium and how the factors combine, all affect calculation of the Premium. Some factors will not affect all components of the Premium and not all components of the Premium may be subject to discounts in the same way or at all.

How the factors combine to calculate Premium may also be impacted according to Your circumstances and other underwriting considerations. The Premium determined by a combination of the factors may be adjusted up or down to reflect Your circumstances and underwriting considerations including the risk being insured and the value of any claims. An adjustment like this may increase or decrease the Premium from the combination of factors and may limit discounts.

Minimum Premium and Your previous year's Premium are commercial factors that may limit Premium increases and decreases from the combination of the factors and any discounts. A minimum Premium is the least amount of Premium We will accept for the insurance and factors and any discounts will not reduce the Premium below minimum Premium. Your previous year's Premium is taken into account on renewal and may limit Premium increases and decreases from the combination of the factors and limit discounts.

The Premium We calculate according to the factors, Your circumstances and other commercial factors, including taxes and government charges, will be shown on Your Schedule.

Claims made and Notified Insurance

Section 5 – Office Bearers' Legal Liability and Section 6 – Government Audit Costs, Appeal Expenses and Legal Defence Expenses of this Policy provide cover on a claims made and notified basis. This means that these Sections only cover claims first made against You during the period this Policy is in force and notified to the Insurer as soon as reasonably practicable in writing while the Policy is in force. This Policy may not provide cover for any claims made against You if at any time prior to the commencement of this Policy You became aware of facts which might give rise to those claims being made against You.

Section 40(3) of the Insurance Contracts Act 1984 (Cth) provides that where You gave notice in writing to the Insurer of facts that might give rise to a claim against You as soon as was reasonably practicable after You became aware of those facts while this Policy is in force, the Insurer cannot refuse to pay a claim which arises out of those facts, when made, because it was made after the expiry of the Policy.

To understand the features, benefits and risks of this insurance and to determine if it is appropriate for You, it is important that You read:

- all of the Product Disclosure Statement – this information is designed to help You understand this insurance and Your rights and obligations under it;
- the Policy Wording. It tells You about:
  - what makes up the insurance, i.e. Your contract with Us which We call a Policy;
  - important definitions that set out what We mean by certain words;
  - the cover We can provide (see Sections 1 to 6) which in addition to the standard cover provided to You under the relevant Sections may, depending on Your circumstances and selections, also consist of standard benefits, additional benefits, special benefits or optional extensions applicable to Your cover;
  - what Excesses You may have to pay;
  - when You are not insured (see General Exclusions and other exclusions under Sections 1 to 6);
  - what You and We need to do in relation to claims;
  - Yours and Our cancellation rights.
- the relevant quote/proposal form You need to complete to apply for cover (if applicable);
- any Schedule when it is issued to You; and
- any other documents We may give You which vary Our standard terms of cover set out in this document.

These documents should be read together carefully. It is important that they are kept in a safe place.

Significant features and benefits

The following provides a summary of the main covers available only. You need to read the Schedule and the Policy Wording for full details of the available cover, terms, definitions, conditions, exclusions and limits that apply to make sure it meets Your expectations. The cover in each Section is provided only if specified as applicable in the Schedule.

Section 1 - Insured Property

We insure You up to the Sum Insured shown in the Schedule for Section 1 for Damage to Your Insured Property (Building and Common Area Contents) that occurs during the Period of Insurance not otherwise excluded in the Section.

If the Sum Insured is not otherwise expended, We will also pay for the costs or fees incurred as a result of Damage to Your Insured Property under Section 1. Details of the costs and fees We pay are set out under the heading 'Additional Benefits' in Section 1.

We also provide cover for Special Benefits in addition to the Sum Insured for Section 1. Details of the Special Benefits are set out under the heading 'Special Benefits' in Section 1. The combined total amount We will pay under Special Benefits arising out of any one Event that is admitted as a claim under Section 1 is limited to the percentage of the Building Sum Insured for Section 1 as shown in the Schedule or such other percentage as We may agree in writing.

Section 1 - Insured Property - standard extension - Lot Owners' Fixtures and Improvements

We insure the cost of replacing Lot Owners' Fixtures and Improvements in their Lot/Unit provided that the Sum Insured under Section 1 is not otherwise expended. Replacement of such installations must be following Damage by any Event that is not otherwise excluded under Section 1.

Section 2 - Liability to Others

We will indemnify You up to the Limit of Liability shown in the Schedule for Section 2 if You become legally responsible to pay compensation for Personal Injury or

Property Damage resulting from an Occurrence in connection with the ownership of Your Common Area and Your Insured Property that happens during the Period of Insurance.

We also pay the costs of defending a claim in connection with a claim under this Section.

Section 3 - Voluntary Workers

We pay to a Voluntary Worker, or that person's estate, the corresponding benefits set out in the Table of Benefits in Section 3 in the event of such Voluntary Worker sustaining bodily injury during the Period of Insurance whilst voluntarily engaged in work on Your behalf and caused accidentally and which, independently of any other cause results in one of the insured events as set out in the Table of Benefits.

Section 4 - Fidelity Guarantee

We will indemnify You up to the Sum Insured stated in the Schedule for Section 4 for the fraudulent misappropriation of Your funds committed during the Period of Insurance.

Section 5 - Office Bearers' Legal Liability

We will respond to any Claim first made against an Office Bearer in respect of legal liability for any Claim made against them.

The amount payable in respect of all Claims under Section 5 will not exceed the Limit of Liability shown in the Schedule and is inclusive of the claimant's costs and expenses and the Defence Costs incurred by Us during the currency of any one Period of Insurance.

Section 6 - Government Audit Costs, Appeal Expenses and Legal Defence Expenses

We insure You on a Claims made basis for Parts A, B and C of Section 6 which means We will respond to Claims first made against You during the Period of Insurance and notified to Us during that Period of Insurance.

Important information You should understand

In addition to the covers summarised above, there are a number of terms, conditions, limits and exclusions contained in the Policy that can affect how or whether a claim is paid under this Policy. You need to read the PDS, Schedule and the Policy Wording for full details of the available cover, terms, definitions, conditions, exclusions and limits that apply to make sure it meets Your expectations.

Exclusions

The following provides a summary of the main exclusions to cover only. These are examples only. For full details of the exclusions that apply, please read the Policy in full.

For example, We will not pay for any loss, damage, benefit, legal liability, compensation, or any other loss, costs, fees, charges or expenses of whatsoever kind, arising directly or indirectly from or in any way connected with:

a. any Act of Terrorism where such act is directly or indirectly caused by, contributed to, resulting from, or arising out of or in connection with biological, chemical, or nuclear weapons, pollution or contamination;

b. the actual or alleged use or presence of asbestos;

c. ionising radiation from, or contamination by radio-activity from, any nuclear fuel or nuclear waste from the combustion of nuclear fuel.

Conditions

You must meet certain conditions for Your insurance cover to apply. If You do not comply with the conditions, We may refuse to pay a claim in whole or in part. For full details of all the conditions of cover that apply, please read the Policy in full. The following are examples only:

1. Payment of any Excess shown in this Policy or in the Schedule for each claim made may be requested from You when the claim is lodged, or may be deducted from Our payment if Your claim is accepted.
2. When Your Insured Property is a total loss and We have paid out the total Sum Insured, this insurance ceases. If You rebuild or replace Your Insured Property, this requires a new insurance contract commencing at that time with an applicable Premium.
3. When You first purchase and when You renew Your insurance if You do not pay the amount by the due date, Your Policy may be cancelled and We will write to let You know when this will happen.
4. When renewing Your insurance with Us, You have a duty to take reasonable care not to make a misrepresentation. This means giving Us true, complete and accurate answers to Our questions, including where You provide information on someone else's behalf.

We use Your answers to decide whether to insure You and on what terms. You must advise Us of any changes to Your claims or insurance history that a reasonable person in the circumstances would tell Us. CHU will notify You in writing of any effect a change may have on Your insurance renewal.

Paying Your Premium

Various options are available for paying Your Premium including annual payment by credit card, BPAY, EFT and direct deposit.

Annual Premium

We will let You know how much Premium You need to pay Us, how to pay it and when. If You pay Your Premium annually, You need to pay Your Premium on time to ensure You are covered. If You don't pay the Premium Your Policy may be cancelled and We'll write to You to let You know when this will happen.

Instalment payments

Customers who acquire a Policy directly through CHU have an option to pay for the Policy by way of instalments.

If You pay Your Premium by instalment, Your Schedule will show the date and frequency of Your instalments. If Your direct debit details change You must tell Us no later than seven days before Your next instalment is due to allow Us to process the change in time.

What happens if You miss an instalment

If You miss an instalment, We'll contact You to ask You to pay it or arrange to collect it from You. If You don't pay the missed instalment Your Policy may be cancelled and We'll write to You to let You know when this will happen.

If You don't pay the missed instalment and a claim arises, then We will deduct the missed instalment from Your claim.

At renewal

If You pay by instalments, and You renew Your Policy, We will continue to deduct instalments for Your renewed Policy at the new Premium level according to the same instalment pattern, unless You tell Us to stop Your direct debit.

If You don't want to renew, You must tell Us at least seven days before Your Policy's end date so that We can arrange for the direct debit to stop in time.

A claim on Your Policy may affect Your renewal Premium

If You have a claim, contact Us as soon as You can after the incident – see Claims Conditions – What You must do. To avoid Your claim being delayed, reduced or refused You must not unnecessarily delay notifying Us of the incident – see Claims Conditions – What You must not do. If You were in difficult circumstances that prevented You from telling Us about the claim, let Us know.

If We send You a renewal invitation and the Premium doesn't take into account a claim on Your Policy, You agree to pay Us any additional Premium We would have charged if We had known about that claim.

If You tell Us about the claim before Your renewal takes effect and We agree to continue to insure You, We may apply specific conditions to Your Policy (including an imposed Excess) and/or recalculate Your renewal Premium and send You an updated renewal invitation.

If Your Policy has already renewed and We agree to continue to insure You, We may ask You for an additional Premium. If You're paying in instalments, any remaining instalments will be adjusted to reflect the additional Premium.

If You've already paid Your renewal Premium in full, You'll need to pay Us any additional Premium to ensure Your cover is not affected. If You don't pay the additional Premium by the due date then We may:

- deduct the outstanding Premium amount from a claim payment; or
- cancel Your Policy – see General Conditions.

If it was reasonable in the circumstances for You to be unaware that You had a claim until after we issued Your renewal invitation, We will not ask You to pay the additional Premium for that renewal period however the claim may affect Your future renewal Premiums and/or future Policy conditions (including the application of any imposed Excess).

Please note We may have other rights under this Policy or as permitted by law, depending on the circumstances.

If Your payment details change

If the direct debit details You use to pay Us change, such as You changing credit cards or bank accounts, You must tell Us at least seven days before Your next payment date to allow Us to process the change in time.

Other costs, fees and charges

Other costs, fees and charges which may be applicable to the purchase of the Policy include:

Underwriting Agency Fee

An Underwriting Agency fee is payable by You for each Policy issued or renewed to cover CHU's administration cost of preparing and distributing the Policy. Any Underwriting Agency fee is noted in the Schedule and is not refundable in the event of cancellation, unless the insurance contract is cancelled within the cooling off period or is a full term cancellation. For more information on the Underwriting Agency fee please refer to the CHU Financial Services Guide or contact CHU directly.

Refund of Premium

You may cancel the Policy at any time. If You choose to cancel the Policy, We will retain a portion of the Premium which relates to the period for which You have been insured. We will refund the residue for the unexpired period less any non-refundable government taxes or charges, provided that no Event has occurred where liability arises under the Policy.

Commissions

SGL or CHU may receive a commission payment from Us when the Policy is issued and renewed. For details of the relevant commission paid, please refer to the Financial Services Guide, or contact SGL or CHU directly.

Confirming transactions

You may contact CHU in writing or by email or phone to confirm any transaction under Your insurance if You do not already have the required insurance confirmation details.

Sending You documents

Documents relating to Your insurance Policy will be sent by post or email. Where You have been given the choice, they will be sent by Your chosen delivery method and You can change Your preference at any time.

It is Your responsibility to make sure Your contact details are current (including telephone number, email and mailing address where relevant) and You must update these as soon as they change.

How to make a claim

Please contact CHU to make a claim, the contact details are shown on the back cover of this document. They also have an after-hours Emergency Claims Hotline that You can contact on 1800 022 444.

You should advise them as soon as reasonably practicable of an incident which could lead to a claim. Having the required documentation and possibly photographs of the items will assist in having Your claim assessed and settled. When You make a claim, We require You to:

- provide details of the incident and when requested complete the claim form We send You;
- subject to reasonable notice and at a reasonable time that suits You and Us, allow Us or Our appointed representative to inspect Your Insured Property and take possession of any Damaged item(s) if reasonable and required;
- take all reasonable steps to reduce the damage or loss and prevent further loss or Damage;
- inform the police as soon as reasonably practicable following theft, vandalism, malicious damage or misappropriation of money or property;
- where practicable and reasonable not dispose of any Damaged items without first seeking Our approval; and
- not get repairs done, except for essential temporary repairs, and where reasonable We will seek Your cooperation in selecting the repairer or supplier.

These are only some of the things that You must do if making a claim.

Please refer to the Claims Conditions section which sets out claims information and what You must do if making a claim.

Cooling off period

If You change Your mind about Your Policy and haven't made a claim, You can cancel it within 21 days of the start or renewal date and We'll give You a full refund. If You cancel Your Policy in these circumstances, You will have no cover under the Policy.

To cancel Your Policy within the cooling off period, contact Us.

You can also cancel Your Policy outside the cooling off period, see 'Cancellation'.

You may cancel the Policy at any time by notifying Us in writing. We may cancel the Policy where We are entitled to by law.

1. Acts or omissions of Your Body Corporate Manager/ Agent

We will not deny liability for a claim, or reduce the amount thereof, if Our right of denial or reduction is solely caused by an act, error or omission of Your Body Corporate Manager/Agent while acting on Your behalf.

2. Tell Us when these things change

You must tell Us as soon as reasonably possible if any of the information noted below has changed:

- You are carrying out construction works, alterations or additions that exceed $500,000; or
- You have cranes, hoists or similar attached to the Insured Property or at the Situation; or
- there is a change in the percentage of floor space used for commercial purposes; or
- Your building becomes subject to a Building Rectification Order, Fire Order or any other Order issued by a statutory body.

If You don't tell Us, We may reduce or refuse to pay a claim.

When You tell Us about something that has changed or request a change to Your Policy, We will assess the change to the risk in accordance with Our underwriting rules and processes.

Changes to Your cover

If You request any change to cover (e.g. You choose to add a Section or You increase the Sum(s) Insured) then, if We agree to the change, We will issue a new Schedule and ask You for any additional Premium. If an additional Premium is required, the change will only be effective when:

- if You are paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional Premium;

  or

- You have paid the additional Premium by the due date We give to You.

If You don't pay the additional Premium by the due date then We will make reasonable efforts to contact You using the latest contact details You provided Us. If We don't receive payment of the additional Premium owed, the change will not be effective and We will confirm this by issuing a replacement Schedule.

If You request any change to cover and We don't agree to the change, then We will let You know and the Policy will continue unchanged.

Changes to Your circumstances

Contact Us to discuss potential changes in circumstances when You know the details of the timing and nature of the changes before they happen, to find out in advance whether We will be able to continue to insure You.

If You tell Us about any of the following changes then We will cancel Your Policy and refund any unused portion of the Premium:

- You are carrying out construction works, alterations or additions that exceed $500,000 that are unacceptable under Our underwriting rules and processes; or
- You have cranes, hoists or similar attached to the Insured Property or at the Situation.

If there is a change in the percentage of floor space used for commercial purposes, We may need to cancel Your Policy and replace it with another policy.

If You tell Us about any other change, We will consider it under Our underwriting rules and processes at the time.

3. Cancellation – how Your Policy may be cancelled

Cancellation by You

You may cancel this Policy at any time by telling Us in writing. We will retain a portion of Premium which relates to the period for which You have been insured together with any non-refundable government taxes or charges, or CHU Underwriting Agency fees.

Cancellation by Us

We may cancel this Policy at any time as allowed by law by notifying You in writing of the date from which cancellation is to take effect. Notification will be delivered to the address last notified to Us and cancellation will take effect no earlier than 4.00pm on the date set out in the cancellation notice unless the Policy was in force by virtue of Section 58 of the Insurance Contracts Act 1984 (Cth), whereby the cancellation will take effect from the

fourteenth business day after the day on which notice was given to You.

4. Goods and Services Tax – how it affects any payments We make

The amount of Premium payable by You for this Policy includes an amount on account of the Goods and Services Tax (GST) on the Premium.

When We pay a claim, Your GST status will determine the amount We pay. When You are:

a. not registered for GST We will pay up to the Sum Insured, Limit of Liability or other Policy limit including GST.

b. registered for GST:

i. and We settle direct with the builder, repairer or supplier, We will pay up to the Sum Insured, Limit of Liability or other Policy limit including GST; or

ii. when We settle direct with You, We will pay up to the Sum Insured, Limit of Liability or other Policy limit; and

iii. where You are liable to pay an amount for GST in respect of an acquisition relevant to Your claim We will pay for the GST amount but We will reduce the GST amount We pay by the amount of any Input Tax Credits to which You are or would be entitled.

In these circumstances, the Input Tax Credit may be claimable through Your Business Activity Statement (BAS).

You must advise Us of Your correct Australian Business Number & Taxable Percentage. Any GST liability arising from Your incorrect advice is payable by You.

Where the settlement of Your claim is less than the Sum Insured or the other limits of insurance cover, We will only pay an amount for GST (less Your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover Your loss, We will only pay the GST relating to Our settlement of the claim.

GST, Input Tax Credit (ITC), Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in A New Tax System (Goods and Services Tax) Act 1999 (Cth) and related legislation as amended from time to time. Taxable Percentage is Your entitlement to an Input Tax Credit on Your Premium as a percentage of the total GST on that Premium.

There may be other taxation implications affecting You, depending upon Your own circumstances. We recommend that You seek professional advice.

5. Joint insureds

When there is more than one insured on Your Policy, We may treat each as a separate and distinct party. We may treat what any one insured says or does in relation to Your Policy or any claim under it, as said or done by each of the insureds. We may rely on a request from one insured to change or cancel Your Policy or tell Us where a claim payment should be paid. Any act, breach or non-compliance with the terms and conditions of this Policy committed by any one such party shall not be prejudicial to the rights and entitlements of the other insured party(ies), provided that the other insured party(ies) upon becoming aware of any such act, breach or non-compliance which increases the risk of loss, Damage or liability give Us written notice within a reasonable time.

6. Excess

You must pay or contribute the amount of any Excess shown in the Policy or in the Schedule for each claim made. Payment of any Excess shown in this Policy or in the Schedule for each claim made may be requested from You when the claim is lodged, or may be deducted from Our payment.

Should more than one Excess be payable for any claim arising from the one Event, such Excesses will not be aggregated and the highest single level of Excess only will apply.

For earthquake or seismological disturbance, where loss or Damage occurs during any one period of 72 consecutive hours, the Excess is $1,000, or the Excess amount shown in the Schedule, whichever is greater.

7. Reinstatement of Sum Insured

After We have admitted liability for a claim, We will automatically reinstate the Sum Insured and/or Special Benefit limits to their pre-loss amount without any additional Premium having to be paid.

This condition does not apply:

a. when We pay a total loss;

b. when We pay the full Sum Insured;

c. to Section 5 – Office Bearers' Legal Liability;

d. to Section 6 – Government Audit Costs, Appeal Expenses and Legal Defence Expenses;
