## CONTRACT OF SALE - SPECIAL CONDITIONS

### 1. Whole Agreement

The Purchaser acknowledges that no information, representation, comment, opinion or warranty by the Vendor or the Vendor's Agent was supplied or made with the intention or knowledge that it would be relied upon by the Purchaser and no information, representation, comment, opinion or warranty has in fact been so relied upon and that there are no conditions, warranties or other terms affecting this sale other than those embodied in this Contract.

### 2. Representation and Warranty as to Building

The Purchaser acknowledges that the Vendor has not, nor has anyone on the Vendor's behalf, made any representation or warranty as to the fitness for any particular purpose or otherwise of the property or that any structures comply with the current or any building regulations and the Purchaser expressly releases the Vendor and/or the Vendor's Agents from any claims demands in respect thereof.

### 3. Planning

The property is sold subject to any restriction as to user imposed by law or by any Authority with power under any legislation to control the use of land. Any such restriction shall not constitute a defect in Title or a matter of Title or effect the validity of this Contract and the Purchaser shall not make any requisition or objection or claim or be entitled to compensation or damages from the Vendor in respect thereof.

### 4. Director's Guarantee and Warranty

In the event that the Purchaser is a corporate entity then the Director/s signing on behalf of the Corporate Purchaser shall execute the Contract and shall warrant that same is done lawfully in accordance with the Constitution of the Purchaser Company and further shall cause either the Sole Director or at least two Directors of the Purchaser Company to execute the form of Guarantee and Indemnity annexed hereto.

### 5. Foreign Acquisition

The Purchaser warrants that in the event that he or she is a person as defined by the *Foreign Acquisitions & Takeovers Act 1975* all requirements of the Act have been observed and that any loss occasioned by a breach of such warranty shall form the basis of damages recoverable from the Purchaser.

### 6. Foreign resident capital gains withholding

- 6.1 Words defined or used in Subdivision 14-D of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* have the same meaning in this special condition unless the context requires otherwise.
- 6.2 Every vendor under this contract is a foreign resident for the purposes of this special condition unless the vendor gives the purchaser a clearance certificate issued by the Commissioner under section 14-220 (1) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*. The specified period in the clearance certificate must include the actual date of settlement.
- 6.3 This special condition only applies if the purchaser is required to pay the Commissioner an amount in accordance with section 14-200(3) or section 14-235 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* ("the amount") because one or more of the vendors is a foreign resident, the property has or will have a market value of \$750,000 or more just after the transaction, and the transaction is not excluded under section 14-215(1)(a) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*.

- 6.4 The amount is to be deducted from the vendor's entitlement to the contract consideration. The vendor must pay to the purchaser at settlement such part of the amount as is represented by non-monetary consideration.
- 6.5 The purchaser must:
- (a) engage a legal practitioner or conveyancer ("representative") to conduct all the legal aspects of settlement, including the performance of the purchaser's obligations under the legislation and this special condition; and
  - (b) ensure that the representative does so.
- 6.6 The terms of the representative's engagement are taken to include instructions to have regard to the vendor's interests and instructions that the representative must:
- (a) pay, or ensure payment of, the amount to the Commissioner in the manner required by the Commissioner and as soon as reasonably and practicably possible, from moneys under the control or direction of the representative in accordance with this special condition if the sale of the property settles;
  - (b) promptly provide the vendor with proof of payment; and
  - (c) otherwise comply, or ensure compliance with, this special condition; despite:
  - (d) any contrary instructions, other than from both the purchaser and the vendor; and
  - (e) any other provision in this contract to the contrary.
- 6.7 The representative is taken to have complied with the obligations in special condition 6.6 if:
- (a) the settlement is conducted through the electronic conveyancing system operated by Property Exchange Australia Ltd or any other electronic conveyancing system agreed by the parties; and
  - (b) the amount is included in the settlement statement requiring payment to the Commissioner in respect of this transaction.
- 6.8 Any clearance certificate or document evidencing variation of the amount in accordance with section 14-235(2) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* must be given to the purchaser at least 5 business days before the due date for settlement.
- 6.9 The vendor must provide the purchaser with such information as the purchaser requires to comply with the purchaser's obligation to pay the amount in accordance with section 14-200 of Schedule 1 of *Taxation Administration Act 1953 (Cth)*. The information must be provided within 5 business days of request by the purchaser. The vendor warrants that the information the vendor provides is true and correct.
- 6.10 The purchaser is responsible for any penalties or interest payable to the Commissioner on account of late payment of the amount.

## 7. Electronic Conveyancing

Settlement and lodgment of the instruments necessary to record the purchaser as registered proprietor of the land will be conducted electronically in accordance with the *Electronic Conveyancing National Law* if the box on the 'Particulars' page is marked "EC".

- 7.1 This special condition has priority over any other provision to the extent of any inconsistency. This special condition applies if the contract of sale specifies, or the parties subsequently agree in writing, that settlement and lodgment of the instruments necessary to record the purchaser as registered proprietor of the land will be conducted electronically in accordance with the *Electronic Conveyancing National Law*.
- 7.2 A party must immediately give written notice if that party reasonably believes that settlement and lodgment can no longer be conducted electronically.
- 7.3 Each party must:
- (a) Be, or engage a representative who is, a subscriber for the purposes of the *Electronic Conveyancing National Law*
  - (b) Ensure that all other persons for whom that party is responsible and who are associated with this transaction are, or engage, a subscriber for the purposes of the *Electronic Conveyancing National Law*

- (c) Conduct the transaction in accordance with the *Electronic Conveyancing National Law*
- 7.4 The vendor must open the Electronic Workspace ("workspace") as soon as reasonably practicable. The inclusion of a specific date for settlement in a workspace is not of itself a promise to settle on that date. The workspace is an electronic address for the service of notices and for written communications for the purposes of any electronic transactions legislation.
- 7.5 The vendor must nominate a time of the day for locking of the workspace at least 7 days before the due date for settlement.
- 7.6 Settlement occurs when the workspace records that:
- (a) The exchange of funds or value between financial institutions in accordance with the instruction of the parties has occurred; or
  - (b) If there is no exchange of funds or value, the documents necessary to enable the purchaser to become registered proprietor of the land have been accepted for electronic lodgement.
- 7.7 The parties must do everything reasonably necessary to effect settlement:
- (a) electronically on the next business day, or
  - (b) at the option of either party, otherwise than electronically as soon as possible – if, after locking of the workspace at the nominated settlement time, settlement in accordance with special condition 2.6 has not occurred by 4.00pm, or 6.00pm if the nominated time for settlement is after 4.00pm.
- 7.8 Each party must do everything reasonably necessary to assist the other party to trace and identify the recipient of any missing or mistaken payment and to recover the missing or mistaken payment.
- 7.9 The vendor must:
- (a) before settlement deliver any keys, security devices and codes ("keys") to the estate agent named in the contract,
  - (b) direct the estate agent to give the keys to the purchaser or the purchaser's nominee on notification of settlement by the vendor, the vendor's subscriber or the Electronic Network Operator,
  - (c) deliver all other physical documents and items (other than the goods sold by the contract) to which the purchaser is entitled at settlement, and any keys if not delivered to the estate agent, to the vendor's subscriber or, if there is no vendor's subscriber, confirm in writing to the purchaser that the vendor holds those documents, items and keys at the vendor's address set out in the contract, and
  - (d) direct the vendor's subscriber to give (or, if there is no vendor's subscriber, give) all those documents and items, and any such keys, to the purchaser or the purchaser's nominee on notification of settlement by the Electronic Network Operator.
- 7.10 The vendor must, at least 7 days before the due date for settlement, provide the original of any document required to be prepared by the vendor in accordance with general condition 6.

## 8. GST Withholding

- 8.1 Words and expressions defined or used in Subdivision 14-E of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* or in *A New Tax System (Goods and Services Tax) Act 1999 (Cth)* have the same meaning in this special condition unless the context requires otherwise. Words and expressions first used in this special condition and shown in italics and marked with an asterisk are defined or described in at least one of those Acts.
- 8.2 This special condition applies if the purchaser is required to pay the Commissioner an \*amount in accordance with section 14-250 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* because the property is \*new residential premises or \*potential residential land in either case falling within the parameters of that section, and also if the sale attracts the operation of section 14-255 of the legislation. Nothing in this special condition is to be taken as relieving the vendor from compliance with section 14-255.
- 8.3 The amount is to be deducted from the vendor's entitlement to the contract \*consideration and is then taken to be paid to the vendor, whether or not the vendor provides the purchaser with a GST withholding notice in accordance with section 14-255 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*. The vendor must pay to the purchaser at settlement such part of the amount as is represented by non-monetary consideration.

- 8.4 The purchaser must:
- (a) engage a legal practitioner or conveyancer ("representative") to conduct all the legal aspects of settlement, including the performance of the purchaser's obligations under the legislation and this special condition; and
  - (b) ensure that the representative does so.
- 8.5 The terms of the representative's engagement are taken to include instructions to have regard to the vendor's interests relating to the payment of the amount to the Commissioner and instructions that the representative must:
- (a) pay, or ensure payment of, the amount to the Commissioner in the manner required by the Commissioner and as soon as reasonably and practicably possible, from moneys under the control or direction of the representative in accordance with this special condition on settlement of the sale of the property;
  - (b) promptly provide the vendor with evidence of payment, including any notification or other document provided by the purchaser to the Commissioner relating to payment; and
  - (c) otherwise comply, or ensure compliance, with this special condition; despite:
    - (d) any contrary instructions, other than from both the purchaser and the vendor; and
    - (e) any other provision in this contract to the contrary.
- 8.6 The representative is taken to have complied with the requirements of special condition 8.5 if:
- (a) settlement is conducted through the electronic conveyancing system operated by Property Exchange Australia Ltd or any other electronic conveyancing system agreed by the parties; and
  - (b) the amount is included in the settlement statement requiring payment to the Commissioner in respect of this transaction.
- 8.7 The purchaser may at settlement give the vendor a bank cheque for the amount in accordance with section 16-30 (3) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*, but only if:
- (a) so agreed by the vendor in writing; and
  - (b) the settlement is not conducted through an electronic settlement system described in special condition 8.6.  
However, if the purchaser gives the bank cheque in accordance with this special condition 8.7, the vendor must:
  - (c) immediately after settlement provide the bank cheque to the Commissioner to pay the amount in relation to the supply; and
  - (d) give the purchaser a receipt for the bank cheque which identifies the transaction and includes particulars of the bank cheque, at the same time the purchaser gives the vendor the bank cheque.
- 8.8 The vendor must provide the purchaser with a GST withholding notice in accordance with section 14-255 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* at least 14 days before the due date for settlement.
- 8.9 A party must provide the other party with such information as the other party requires to:
- (a) decide if an amount is required to be paid or the quantum of it, or
  - (b) comply with the purchaser's obligation to pay the amount,
- in accordance with section 14-250 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*. The information must be provided within 5 business days of a written request. The party providing the information warrants that it is true and correct.

- 8.10 The vendor warrants that:
- (a) at settlement, the property is not new residential premises or potential residential land in either case falling within the parameters of section 14-250 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* if the vendor gives the purchaser a written notice under section 14-255 to the effect that the purchaser will not be required to make a payment under section 14-250 in respect of the supply, or fails to give a written notice as required by and within the time specified in section 14-255; and
  - (b) the amount described in a written notice given by the vendor to the purchaser under section 14-255 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* is the correct amount required to be paid under section 14-250 of the legislation.
- 8.11 The purchaser is responsible for any penalties or interest payable to the Commissioner on account of non-payment or late payment of the amount, except to the extent that:
- (a) the penalties or interest arise from the vendor's failure, including breach of a warranty in special condition 8.10; or
  - (b) the purchaser's reasonable belief that the property is neither new residential premises nor potential residential land requiring the purchaser to pay an amount to the Commissioner in accordance with section 14-250 (1) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*.
- The vendor is responsible for any penalties or interest payable to the Commissioner on account of non-payment or late payment of the amount if either exception applies.
- 8.12 This special condition will not merge on settlement.

## **9. Property Controls and Representation and Warranty as to Building**

### **9.1 The purchaser**

- (a) Accepts the property with all property controls and approvals and in its present condition with all defects and non-compliance with any property controls or approvals;
- (b) Acknowledged that the decision to purchase the property was based on the purchaser's own investigations and that no representations were made by or on behalf of the vendor or vendor's agents as to the condition of the property or any of the matters referred to in special condition 7.1(a); and
- (c) Must not exercise any purchaser rights in relation to any of the matters referred to in this special condition and agrees that those matters do not affect the vendor's title to the property.

### **9.2 As from the settlement date, the purchaser:**

- (a) Assumes full responsibility for compliance with each applicable property control and approval insofar as they relate to the property; and
- (b) Agrees to keep the vendor indemnified at all times against liability arising out of a failure to comply with a Property Control.

### **9.3 The purchaser acknowledges that the vendor has not, nor has anyone on the vendor's behalf, made any representation or warranty as to the fitness for any particular purpose or otherwise of the property or that any structures comply with the current or any building regulations and the purchaser expressly release the vendor and/or the vendor's agents from any claims or demands in respect thereof.**

## **10. Adjustments**

The purchaser must prepare and deliver a statement of adjustments of the outgoings to the vendor's legal representative at least 2 business days before the date settlement is due accompanied by copies of information statements or information certificates from the relevant authorities relating to the adjustments. If the purchaser does not comply with special condition 10;

- (a) The vendor is not obliged to settle this contract until 2 business days after the date on which the purchaser delivers the statement of adjustments accompanied by the copies of information statements or information certificates from the relevant authorities relating to the adjustments to the vendor's legal representative; and
- (b) The purchaser must pay interest under general condition calculated from and including the date settlement is due to and including the date settlement occurs.

**11. Settlement and Rescheduling Fee**

Should the purchaser require that the settlement take place on any date other than the date contained in the contract of sale, then the purchaser may be required to pay the vendor's legal representative a fee of ~~\$250.00~~ (including GST) ("Rescheduling Fee"). This rescheduling fee (if applicable) must be allowed by the purchaser to the vendor in the statement of adjustments. The purchaser acknowledges that the rescheduling fee is a reasonable pre-estimate of additional legal costs incurred by the vendor as a result of the vendor's legal representative having to reschedule settlement.

**12. Swimming Pools and Smoke Alarms**

12.1 The vendor makes no representation and accepts no responsibility concerning compliance of swimming pools or spas with the minimum standards of the Building Regulations 1994. The purchaser is advised that Regulation 5.13 requires that pools or spas have barriers installed to restrict access by some children to the swimming pool, within 30 days of the date of completion of the contract, or, in the case of a terms contract, after the purchaser becomes entitled to possession or to the receipt of rents and profits.

12.2 The vendor makes no representations and accepts no responsibility concerning compliance with the Building Regulations 1994 requirement for smoke alarms. The purchaser is advised that Regulation 5.14 of the Building Regulations 1994 requires that all dwelling and or units be fitted with self-contained smoke alarms within 30 days of settlement.

**13. Purchaser Acknowledgments**

The purchaser hereby acknowledges that prior to execution of the contract in relation to the purchase of the land the purchaser received from the vendor, vendor's agent or vendor's legal representative a copy of the vendor statement signed by the vendor, a copy of the special conditions referred to in the contract and a copy of a due diligence checklist.

- 18.7 The parties must do everything reasonably necessary to effect settlement:
- (a) electronically on the next business day, or
- (b) at the option of either party, otherwise than electronically as soon as possible –

Words and expressions first used in this general condition and shown in italics and marked with an asterisk are defined or described in at least one of those Acts.
- 25.2 The purchaser must notify the vendor in writing of the name of the recipient of the \*supply for the purposes of section 14-255 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* at least 21 days before the due date for settlement unless the recipient is the purchaser named in the contract.
- 25.3 The vendor must at least 14 days before the due date for settlement provide the purchaser and any person nominated by the purchaser under general condition 4 with a GST withholding notice in accordance with section 14-255 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*, and must provide all information required by the purchaser or any person so nominated to confirm the accuracy of the notice.
- 25.4 The remaining provisions of this general condition 25 apply if the purchaser is or may be required to pay the Commissioner an \*amount in accordance with section 14-250 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* because the property is \*new residential premises or \*potential residential land in either case falling within the parameters of that section, and also if the sale attracts the operation of section 14-255 of the legislation. Nothing in this general condition 25 is to be taken as relieving the vendor from compliance with section 14-255.
- 25.5 The amount is to be deducted from the vendor's entitlement to the contract \*consideration and is then taken to be paid to the vendor, whether or not the vendor provides the purchaser with a GST withholding notice in accordance with section 14-255 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*. The vendor must pay to the purchaser at settlement such part of the amount as is represented by non-monetary consideration.
- 25.6 The purchaser must:
- (a) engage a legal practitioner or conveyancer ("representative") to conduct all the legal aspects of settlement, including the performance of the purchaser's obligations under the legislation and this general condition; and
  - (b) ensure that the representative does so.

- 25.7 The terms of the representative's engagement are taken to include instructions to have regard to the vendor's interests relating to the payment of the amount to the Commissioner and instructions that the representative must:
- (a) pay, or ensure payment of, the amount to the Commissioner in the manner required by the Commissioner and as soon as reasonably and practicably possible, from moneys under the control or direction of the representative in accordance with this general condition on settlement of the sale of the property;
  - (b) promptly provide the vendor with evidence of payment, including any notification or other document provided by the purchaser to the Commissioner relating to payment; and
  - (c) otherwise comply, or ensure compliance, with this general condition;
- despite:
- (d) any contrary instructions, other than from both the purchaser and the vendor; and
  - (e) any other provision in this contract to the contrary.
- 25.8 The representative is taken to have complied with the requirements of general condition 25.7 if:
- (a) settlement is conducted through an electronic lodgement network; and
  - (b) the amount is included in the settlement statement requiring payment to the Commissioner in respect of this transaction.
- 25.9 The purchaser may at settlement give the vendor a bank cheque for the amount in accordance with section 16-30 (3) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*, but only if:
- (a) so agreed by the vendor in writing; and
  - (b) the settlement is not conducted through an electronic lodgement network.
- However, if the purchaser gives the bank cheque in accordance with this general condition 25.9, the vendor must:
- (c) immediately after settlement provide the bank cheque to the Commissioner to pay the amount in relation to the supply; and
  - (d) give the purchaser a receipt for the bank cheque which identifies the transaction and includes particulars of the bank cheque, at the same time the purchaser gives the vendor the bank cheque.
- 25.10 A party must provide the other party with such information as the other party requires to:
- (a) decide if an amount is required to be paid or the quantum of it, or
  - (b) comply with the purchaser's obligation to pay the amount,
- in accordance with section 14-250 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*. The information must be provided within 5 business days of a written request. The party providing the information warrants that it is true and correct.
- 25.11 The vendor warrants that:
- (a) at settlement, the property is not new residential premises or potential residential land in either case falling within the parameters of section 14-250 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* if the vendor gives the purchaser a written notice under section 14-255 to the effect that the purchaser will not be required to make a payment under section 14-250 in respect of the supply, or fails to give a written notice as required by and within the time specified in section 14-255; and
  - (b) the amount described in a written notice given by the vendor to the purchaser under section 14-255 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* is the correct amount required to be paid under section 14-250 of the legislation.
- 25.12 The purchaser is responsible for any penalties or interest payable to the Commissioner on account of non-payment or late payment of the amount, except to the extent that:
- (a) the penalties or interest arise from any failure on the part of the vendor, including breach of a warranty in general condition 25.11; or
  - (b) the purchaser has a reasonable belief that the property is neither new residential premises nor potential residential land requiring the purchaser to pay an amount to the Commissioner in accordance with section 14-250 (1) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*.
- The vendor is responsible for any penalties or interest payable to the Commissioner on account of non-payment or late payment of the amount if either exception applies.

**34. DEFAULT NOTICE**

- 34.1 A party is not entitled to exercise any rights arising from the other party's default, other than the right to receive interest and the right to sue for money owing, until the other party is given and fails to comply with a written default notice.
- 34.2 The default notice must:
  - (a) specify the particulars of the default; and

  - (d) the vendor may retain any part of the price paid until the vendor's damages have been determined and may apply that money towards those damages; and
  - (e) any determination of the vendor's damages must take into account the amount forfeited to the vendor.

# Due diligence checklist

## What you need to know before buying a residential property

Before you buy a home, you should be aware of a range of issues that may affect that property and impose restrictions or obligations on you, if you buy it. This checklist aims to help you identify whether any of these issues will affect you. The questions are a starting point only and you may need to seek professional advice to answer some of them. You can find links to organisations and web pages that can help you learn more, by visiting the [Due diligence checklist page on the Consumer Affairs Victoria website](https://consumer.vic.gov.au/duediligencechecklist) (consumer.vic.gov.au/duediligencechecklist).

## Urban living

### Moving to the inner city?

High density areas are attractive for their entertainment and service areas, but these activities create increased traffic as well as noise and odours from businesses and people. Familiarising yourself with the character of the area will give you a balanced understanding of what to expect.

### Is the property subject to an owners corporation?

If the property is part of a subdivision with common property such as driveways or grounds, it may be subject to an owners corporation. You may be required to pay fees and follow rules that restrict what you can do on your property, such as a ban on pet ownership.

## Growth areas

### Are you moving to a growth area?

You should investigate whether you will be required to pay a growth areas infrastructure contribution.

## Flood and fire risk

### Does this property experience flooding or bushfire?

Properties are sometimes subject to the risk of fire and flooding due to their location. You should properly investigate these risks and consider their implications for land management, buildings and insurance premiums.

## Rural properties

### Moving to the country?

If you are looking at property in a rural zone, consider:

- Is the surrounding land use compatible with your lifestyle expectations? Farming can create noise or odour that may be at odds with your expectations of a rural lifestyle.
- Are you considering removing native vegetation? There are regulations which affect your ability to remove native vegetation on private property.
- Do you understand your obligations to manage weeds and pest animals?

### Can you build new dwellings?

Does the property adjoin crown land, have a water frontage, contain a disused government road, or are there any crown licences associated with the land?

### Is there any earth resource activity such as mining in the area?

You may wish to find out more about exploration, mining and quarrying activity on or near the property and consider the issue of petroleum, geothermal and greenhouse gas sequestration permits, leases and licences, extractive industry authorisations and mineral licences.

## Soil and groundwater contamination

### Has previous land use affected the soil or groundwater?

You should consider whether past activities, including the use of adjacent land, may have caused contamination at the site and whether this may prevent you from doing certain things to or on the land in the future.

(04/10/2016)

## **Land boundaries**

### **Do you know the exact boundary of the property?**

You should compare the measurements shown on the title document with actual fences and buildings on the property, to make sure the boundaries match. If you have concerns about this, you can speak to your lawyer or conveyancer, or commission a site survey to establish property boundaries.

## **Planning controls**

### **Can you change how the property is used, or the buildings on it?**

All land is subject to a planning scheme, run by the local council. How the property is zoned and any overlays that may apply, will determine how the land can be used. This may restrict such things as whether you can build on vacant land or how you can alter or develop the land and its buildings over time.

The local council can give you advice about the planning scheme, as well as details of any other restrictions that may apply, such as design guidelines or bushfire safety design. There may also be restrictions – known as encumbrances – on the property's title, which prevent you from developing the property. You can find out about encumbrances by looking at the section 32 statement.

### **Are there any proposed or granted planning permits?**

The local council can advise you if there are any proposed or issued planning permits for any properties close by. Significant developments in your area may change the local 'character' (predominant style of the area) and may increase noise or traffic near the property.

## **Safety**

### **Is the building safe to live in?**

Building laws are in place to ensure building safety. Professional building inspections can help you assess the property for electrical safety, possible illegal building work, adequate pool or spa fencing and the presence of asbestos, termites, or other potential hazards.

## **Building permits**

### **Have any buildings or retaining walls on the property been altered, or do you plan to alter them?**

There are laws and regulations about how buildings and retaining walls are constructed, which you may wish to investigate to ensure any completed or proposed building work is approved. The local council may be able to give you information about any building permits issued for recent building works done to the property, and what you must do to plan new work. You can also commission a private building surveyor's assessment.

### **Are any recent building or renovation works covered by insurance?**

Ask the vendor if there is any owner-builder insurance or builder's warranty to cover defects in the work done to the property.

## **Utilities and essential services**

### **Does the property have working connections for water, sewerage, electricity, gas, telephone and internet?**

Unconnected services may not be available, or may incur a fee to connect. You may also need to choose from a range of suppliers for these services. This may be particularly important in rural areas where some services are not available.

## **Buyers' rights**

### **Do you know your rights when buying a property?**

The contract of sale and section 32 statement contain important information about the property, so you should request to see these and read them thoroughly. Many people engage a lawyer or conveyancer to help them understand the contracts and ensure the sale goes through correctly. If you intend to hire a professional, you should consider speaking to them before you commit to the sale. There are also important rules about the way private sales and auctions are conducted. These may include a cooling-off period and specific rights associated with 'off the plan' sales. The important thing to remember is that, as the buyer, you have rights.
