Additional Conditions forming part of this Contract

33. Real Estate Agents

The purchaser warrants that they were not introduced to the property or the vendor by any real estate agent or other person entitled to claim commission as a result of this sale (other than the vendor's agent, if any, specified in this contract). The purchaser will indemnify the vendor against any claim for commission by any real estate agent or other person arising out of an introduction of the purchaser and against all claims and expenses for the defence and determination of such a claim made against the vendor as a result of the breach of this warranty by the purchaser. This right continues after completion.

34. Notice to complete

- (a) Despite any rule of law or equity to the contrary, the vendor and the purchaser agree that any notice to complete given by either party to the other party under this contract will be reasonable as to time if a period of 14 days from the date of service of the notice is allowed for completion.
- (b) In the event that the vendor issues a Notice to Complete pursuant to special condition 34(a) then the purchaser agrees to pay the sum of \$400.00 plus GST to the vendor's solicitor on completion to reimburse the vendor for the cost of issuing the notice to complete. This special condition does not affect the vendor's rights against the purchaser to recover any other damages.

35. Capacity

Without in any way limiting, negating or restricting any rights or remedies which would have been available to either party at law or in equity had this special condition not been included, if either party (and if more than one person comprises that other party then any one of them) prior to completion:

- (a) dies or becomes mentally ill, then either party may rescind this contract by written notice to the first party's solicitor and thereupon this contract will be at an end and the provisions of clause 19 apply; or
- (b) a liquidator, receiver or voluntary administrator of it appointed, or enters into any deed of company arrangement or scheme of arrangement with its creditors, then that party will be in default under this contract.

36. Late completion

Provided that the vendor is ready, willing and able to give title to the purchaser, if this contract is not completed for any reason (other than the vendor's default) on or before the Completion date then in addition to any other right which the vendor may have under this contract or otherwise the purchaser will on completion of this contract pay to the vendor interest on the balance of the purchase price at the rate of 10% per annum calculated on daily balances, commencing on the Completion date and continuing until completion of this contract. This interest is a genuine pre-estimate of liquidated damages and will be deemed to be part of the balance of purchase money due and payable on completion.

37. Hunter Water Corporation

The vendor discloses that Hunter Water Corporation will not provide a Sewerage Service Diagram for the subject property and the purchaser cannot make any objection, requisition, claim for compensation, rescind or terminate in respect to such disclosure.

In the event of the following:

- (a) Settlement has been booked in with the vendor's mortgagee; and
- (b) Settlement is cancelled through no fault of the vendor; and

- (d) The guarantor:
 - (i) indemnifies the vendor against any claim, action, loss, damage, cost, liability, expense or payment incurred by the vendor in connection with or arising from any breach or default by the purchaser of its obligations under this contract; and
 - (ii) must pay on demand any money due to the vendor under this indemnity.
- (e) The guarantor is jointly and separately liable with the purchaser to the vendor for:
 - (i) the performance by the purchaser of its obligations under this contract; and
 - (ii) any damage incurred by the vendor as a result of the purchaser's failure to perform its obligations under this contract or the termination of this contract by the vendor.
- (f) The guarantor must pay to the vendor on written demand by the vendor all expenses incurred by the vendor in respect of the vendor's exercise or attempted exercise of any right under this special condition.
- (g) If the vendor assigns or transfers the benefit of this contract, the transferee receives the benefit of the guarantor's obligations under this special condition.
- (h) The guarantor's obligations under this special condition are not released, discharged or otherwise affected by:
 - (i) the granting of any time, waiver, covenant not to sue or other indulgence;
 - (ii) the release or discharge of any person;
 - (iii) an arrangement, composition or compromise entered into by the vendor, the purchaser, the guarantor or any other person;
 - (iv) any moratorium or other suspension of the right, power, authority, discretion or remedy conferred on the vendor by this contract, a statute, a Court or otherwise;
 - (v) payment to the vendor, including payment which at or after the payment date is illegal, void, voidable, avoided or unenforceable; or

The land or part of the land IS NOT between the flood planning area and the probable maximum flood and subject to flood related development controls.

Development consent is required where works described in the Table to this clause are proposed on land shown on the Maitland LEP 2011 Acid Sulfate Soils Map as being of the class specified for those works.

The Council has adopted by resolution a policy on contaminated land which may restrict the development of the land to which this certificate relates. This policy is implemented when zoning or land use changes are proposed on lands which:

- are considered to be contaminated; or
- which have previously been used for certain purposes; or
- which have previously been used for certain purposes but Council's records do not have sufficient information about previous use of the land to determine whether the land is contaminated; or

Consideration of Council's adopted policy and the application of provisions under relevant State legislation is warranted.
