EVIDENCE OF IDENTITY OF PROSPECTIVE PURCHASER

A Proxy Bidder or the Prospective Purchaser must provide a copy of this document to agent for verification of written authority to bid on behalf of another person or entity

In South Australia, an auctioneer cannot legally accept a bid at an auction for residential land (as defined in the *Land and Business (Sale and Conveyancing) Act 1994*) from a person who is not registered in the bidders' register for the auction. Consequently, if you intend to have someone bid on your behalf (a "Proxy Bidder"), that person must register as a bidder. As a registered bidder, your Proxy Bidder will be allocated a unique identifier which will allow them to bid at the auction and be appropriately identified by the auctioneer. If the Proxy Bidder chooses to bid at the auction, the auctioneer will announce bidding using unique identifiers.

NOTE: The Proxy Bidder must provide the Agent with a copy of the Prospective Purchaser's proof of identification at the time the Proxy Bidder registers. Failing to do this will prohibit the ability of the Proxy Bidder to bid. If the valid original or certified copy of a Power of Attorney is not produced then the Proxy Bidder is still required to sign the Contract in his own name and "and/or nominee". The Proxy Bidder is the buyer on the day.
