

IMPORTANT INFORMATION REGARDING SEARCHES

McDonald Conveyancing
PO Box 149
CHRISTIES BEACH SA 5165

Attention Conveyancers

○ **Section 187 certificate update request free of charge (One Update):**

- Penalties and interest, property charges, payments or dishonoured payments can impact account balances on a daily basis.

To assist with financial adjustments as close as practicable to the date of settlement, your **Section 187 certificate will now be valid for 90 days**. Within this period Council will offer one update request without charge. This update is to be obtained via the online portal.

It is important to note all searches advise when fines/interest will be applied. When receiving your update search, should it be evident that further penalties will be applied prior to settlement, you will need to still consider these additional amounts as part of your settlement statement calculations.

Please Note: Section 7 certificates remain valid for a 30 day period only.

○ **BPAY biller code added to searches to enable electronic settlement of funds**

- Our BPAY biller code is now detailed on each search, enabling settlement funds to be disbursed to Council electronically. Please note that this is Council's preferred method payment and we request that you cease the use of cheques to affect settlement.

○ **How to advise Council of change of ownership?**

To also assist with the reduction of duplication of information being received from various agencies i.e. conveyancers and the Lands Titles Office, we are advocating that the **Purchaser's Conveyancer** to advise the change of ownership by following the below:

- If you are using e-conveyancing to affect a sale, please **only issue advice to Council if the mail service address is different to what was lodged via the transfer at the LTO**. Council's new practice is to update ownership details including the mailing address in accordance with the advice provided by the Valuer General. Council has amended this change to align with SA Water practices and to provide an improved customer experience overall.
- If lodging in person at Lands Title Office – Please send the change of ownership advice to Council via mail@onkaparinga.sa.gov.au. Electronic settlement of funds is still preferred.

Yours sincerely

Further information held by council

Does the council hold details of any development approvals relating to: NO

- (a) commercial or industrial activity at the land; or
- (b) a change in the use of the land or part of the land (within the meaning of the *Development Act 1993*) or the *Planning, Development and Infrastructure Act 2016*?

Note –

The question relates to information that the council for the area in which the land is situated may hold. If the council answers “YES” to the question, it will provide a description of the nature of each development approved in respect of the land. The purchaser may then obtain further details from council (on payment of any fee fixed by the council). However, it is expected that the ability to supply further details will vary considerably between councils.

A “YES” answer to paragraph (a) of the question may indicate that a potentially contaminating activity has taken place at the land (see sections 103C and 103H of the *Environment Protection Act 1993*) and that assessments or remediation of the land may be required at some future time.

It should be noted that –

- the approval of development by a council does not necessarily mean that the development has taken place;
- the council will not necessarily be able to provide a complete history of all such development that has taken place at the land.
