26. Electronic Conveyancing & Confirmation to Use

The parties may use electronic conveyancing procedures and may mutually agree in writing to use electronic conveyancing and will discuss and confirm these procedures for settlement upon first communicating with each other by their conveyancers and or lawyers once the contract is finalised. Upon agreement by their conveyancers and lawyers to proceed using electronic conveyancing then the following provisions apply. Settlement and lodgement will be conducted electronically in accordance with the Electronic Conveyancing National Law and this special condition applies.

- 26.1 This condition has priority over any other provision to the extent of any inconsistency. This condition applies if the contract of sale specifies, or the parties subsequently agree in writing, that settlement and lodgement of the instruments necessary to record the Purchaser as registered proprietor of the land will be conducted electronically in accordance with the Electronic Conveyancing National Law.
- 26.2 A party must immediately give written notice if that party reasonably believes that settlement and lodgement can no longer be conducted electronically then this condition ceases to apply from when such notice is given. No party is obliged to agree to electronic conveyancing.
- 26.3 Each party must:
- (a) be, or engage a representative who is, a subscriber for the purposes of the Electronic Conveyancing National Law,
 - (b) ensure that all other persons for whom that party is responsible and who are associated with this transaction are, or engage, a subscriber for the purposes of the Electronic Conveyancing National Law, and
 - (c) conduct the transaction in accordance with the Electronic Conveyancing National Law.
- 26.4 The Vendor must open the Electronic Workspace ("workspace") as soon as reasonably practicable. The workspace is an electronic address for the service of notices and for written communications for the purposes of any electronic transactions legislation.
- 26.5 The Vendor must nominate a time of the day for locking of the workspace at least seven (7) days before the due date for settlement.
- 26.6 Settlement occurs when the workspace records that:
- (a) the exchange of funds or value between financial institutions in accordance with the instructions of the parties has occurred; or
 - (b) if there is no exchange of funds or value, the documents necessary to enable the Purchaser to become registered proprietor of the land have been accepted for electronic lodgement.
- 26.7 The parties must do everything reasonably necessary to effect settlement:
- (a) electronically on the next business day, or
 - (b) at the option of either party, otherwise than electronically as soon as possible – if, after the locking of the workspace at the nominated settlement time, settlement in accordance with special condition 26.6 has not occurred by 4.00pm, or 6.00pm if the nominated time for settlement is after 4.00pm.
- 26.8 Each party must do everything reasonably necessary to assist the other party to trace and identify the recipient of any mistaken payment and to recover the mistaken payment.
- 26.9 The Vendor must before settlement:
- (a) deliver any keys, security devices and codes ("keys") to the estate agent named in the contract,
 - (b) direct the estate agent to give the keys to the Purchaser or the Purchaser's nominee on notification of settlement by the Vendor, the Vendor's subscriber or the Electronic Network Operator;
 - (c) deliver all other physical documents and items (other than the goods sold by the Contract) to which the Purchaser is entitled at settlement, and any keys if not delivered to the estate agent, to the Vendor's subscriber or, if there is no Vendor's subscriber, confirm in writing to the Purchaser that the Vendor holds those documents, items and keys at the Vendor's address set out in the Contract, and
 - (d) direct the Vendor's subscriber to (or, if there is no Vendor's subscriber) give all those documents and items, and any such keys, to the Purchaser or the Purchaser's nominee on notification of settlement by the Electronic Network Operator.

The specified period in the clearance certificate must include the actual date of settlement.
- 27.3 This clause only applies if the Purchaser is required to pay the Commissioner an amount in accordance with sections 14-200 or 14-235 of Schedule 1 to the Tax Act ('**the amount**') because one or more of the Vendors is a foreign resident and the transaction is not excluded under section 14-215(1) of Schedule 1 to the Tax Act.

 - (b) the amount is included in the settlement statement requiring payment to the Commissioner in respect of this transaction.
- 27.8 Any clearance certificate or document evidencing variation of the amount in accordance with section 14-235(2) of Schedule 1 to the Tax Act must be given to the Purchaser at least 5 business days before the due date for settlement.
- 27.9 The Vendor must provide the Purchaser with such information as the Purchaser requires to comply with the Purchaser's obligation to pay the amount in accordance with section 14-200 of Schedule 1 to the Tax Act. The information must be provided within five (5) business days of request by the Purchaser. The Vendor warrants that the information the Vendor provides is true and correct.
- 27.10 The Purchaser will be and is responsible for any penalties or interest payable to the Commissioner on account of late payment of the amount.

 - (i) new residential premises which have not been created through substantial renovation of a building or do not constitute commercial residential premises; or

 - (i) is not registered for GST; or
 - (ii) will not acquire the Property for a creditable purpose; and
 - (d) The supply of the Property does not constitute a supply which has been excluded from the application of Subdivision 14-E of Schedule 1 to the Tax Act by virtue of a statutory declaration made by the Commissioner in accordance with Section 14-250(3) of Schedule 1 to the Tax Act.
- 28.3 At least 14 days before the relevant date in clause 28.4, the Vendor must provide to the Purchaser a notice which complies in all respects with section 14-255(1) of Schedule 1 to the Tax Act ('**notice**').

- 28.4 The Purchaser must pay to the Commissioner the amount set out in the notice ("amount") on or before:
- (a) the day on which it pays any consideration (excluding the Deposit) to the Vendor for the Property;
 - (b) if the Vendor and Purchaser are associates and no consideration is to be provided, the day on which the Property is supplied to the Purchaser; or
 - (c) such other date determined by the Commissioner in accordance with section 14-250(5) of Schedule 1 to the Tax Act.

Note: the Purchaser's obligation to withhold and pay an amount to the Commissioner is not avoided if the Vendor fails to serve a notice.

- 28.5 If the amount is not due prior to settlement, the Purchaser is taken to have complied with its obligations in clause 28.4 if:
- (a) settlement is conducted through the electronic conveyancing system operated by Property Exchange Australia Ltd (PEXA) or any other electronic conveyancing system agreed by the parties and the amount is paid to the Commissioner via this electronic conveyancing system; or

28.6 The amount is to be deducted from the Vendor's entitlement to the Contract consideration.

28.7 The Purchaser will be and is responsible for any penalties or interest payable to the Commissioner on account of late payment of the amount save if caused directly or indirectly by the Vendor.

28.8 The Purchaser must:

- (a) engage a legal practitioner or conveyancer ("representative") to conduct all the legal aspects of settlement, including the performance of the Purchaser's obligations in this clause; and
- (b) ensure that the representative does so.
