25. Breach

A party who breaches this contract must pay to the other party on demand:

- (a) compensation for any reasonably foreseeable loss to the other party resulting from the breach; and

DEFAULT

26. Interest

Interest at a rate of 2% per annum plus the rate for the time being fixed by section 2 of the **Penalty Interest Rates Act 1983** is payable on any money owing under the contract during the period of default, without affecting any other rights of the offended party.

27. Default notice

27.1 A party is not entitled to exercise any rights arising from the other party's default, other than the right to receive interest and the right to sue for money owing, until the other party is given and fails to comply with a written default notice.

- (a) specify the particulars of the default; and
- (b) state that it is the offended party's intention to exercise the rights arising from the default unless, within 14 days of notice being given
 - (i) the default is remedied; and
 - (ii) the reasonable costs incurred as a result of the default and any interest payable are paid.

28. Default not remedied

28.1 All unpaid money under the contract becomes immediately payable to the vendor if the default has been made by the purchaser and is not remedied and the costs and interest are not paid.

28.2 The contract immediately ends if:

- (a) the default notice also states that unless the default is remedied and the reasonable costs and interest are paid, the contract will be ended in accordance with this general condition; and
- (b) the default is not remedied and the reasonable costs and interest are not paid by the end of the period of the default notice.

28.3 If the contract ends by a default notice given by the purchaser:

- (a) the purchaser must be repaid any money paid under the contract and be paid any interest and reasonable costs payable under the contract; and
- (b) all those amounts are a charge on the land until payment; and
- (c) the purchaser may also recover any loss otherwise recoverable.

28.4 If the contract ends by a default notice given by the vendor:

- (a) the deposit up to 10% of the price is forfeited to the vendor as the vendor's absolute property, whether the deposit has been paid or not; and
- (b) the vendor is entitled to possession of the property; and

- (d) the vendor may retain any part of the price paid until the vendor's damages have been determined and may apply that money towards those damages; and
- (e) any determination of the vendor's damages must take into account the amount forfeited to the vendor.

28.5 The ending of the contract does not affect the rights of the offended party as a consequence of the default.

General condition 12.4 is added:

Where the purchaser is deemed by section 27(7) of the Sale of Land Act 1962 to have given the deposit release authorisation referred to in section 27 (1), the purchaser is also deemed to have accepted title in the absence of any prior express objection to title.

1B Foreign resident capital gains withholding

*This special condition applies to contracts entered into on or after 1 July 2016.

- 1B.1 Words defined or used in Subdivision 14-D of Schedule 1 to the Taxation Administration Act 1953 (Cth) have the same meaning in this special condition unless the context requires otherwise.
- 1B.2 Every vendor under this contract is a foreign resident for the purposes of this special condition unless the vendor gives the purchaser a clearance certificate issued by the Commissioner under section 14-220 (1) of Schedule 1 to the Taxation Administration Act 1953 (Cth). The specified period in the clearance certificate must include the actual date of settlement.

- 1B.8 Any clearance certificate or document evidencing variation of the amount in accordance with section 14-235(2) of Schedule 1 to the Taxation Administration Act 1953 (Cth) must be given to the purchaser at least 5 business days before the due date for settlement.
- 1B.9 The vendor must provide the purchaser with such information as the purchaser requires to comply with the purchaser's obligation to pay the amount in accordance with section 14-200 of Schedule 1 to the Taxation Administration Act 1953 (Cth). The information must be provided within 5 business days of request by the purchaser. The vendor warrants that the information the vendor provides is true and correct.
- 1B.10 The purchaser is responsible for any penalties or interest payable to the Commissioner on account of late payment of the amount.

- 2.4 The vendor must open the Electronic Workspace ("workspace") as soon as reasonably practicable. The workspace is an electronic address for the service of notices and for written communications for the purposes of any electronic transactions legislation.
- 2.5 The vendor must nominate a time of the day for locking of the workspace at least 7 days before the due date for settlement.
- 2.6 Settlement occurs when the workspace records that:
 - (a) the exchange of funds or value between financial institutions in accordance with the instructions of the parties has occurred; or
 - (b) if there is no exchange of funds or value, the documents necessary to enable the purchaser to become registered proprietor of the land have been accepted for electronic lodgement.
- 2.7 The parties must do everything reasonably necessary to effect settlement:
 - (a) electronically on the next business day, or
 - (b) at the option of either party, otherwise than electronically as soon as possible – if, after the locking of the workspace at the nominated settlement time, settlement in accordance with special condition 2.6 has not occurred by 4.00 pm, or 6.00 pm if the nominated time for settlement is after 4.00 pm.

 - (a) deliver any keys, security devices and codes ("keys") to the estate agent named in the contract,
 - (b) direct the estate agent to give the keys to the purchaser or the purchaser's nominee on notification of settlement by the vendor, the vendor's subscriber or the Electronic Network Operator;
 - (c) deliver all other physical documents and items (other than the goods sold by the contract) to which the purchaser is entitled at settlement, and any keys if not delivered to the estate agent, to the vendor's subscriber or, if there is no vendor's subscriber, confirm in writing to the purchaser that the vendor holds those documents, items and keys at the vendor's address set out in the contract, and
 - (d) direct the vendor's subscriber to give (or, if there is no vendor's subscriber, give) all those documents and items, and any such keys, to the purchaser or the purchaser's nominee on notification of settlement by the Electronic Network Operator.
- 2.10 The vendor must, at least 7 days before the due date for settlement, provide the original of any document required to be prepared by the vendor in accordance with general condition 6.

It is hereby agreed between the parties hereto that there are no conditions, warranties or other terms affecting this sale other than those embodied herein and the purchaser shall not be entitled to rely on any representations made by the vendor or his Agent except such as are made conditions of this contract.

5 Dwelling

The land and buildings (if any) as sold hereby and inspected by the purchaser are sold on the basis of existing improvements thereon and the purchaser shall not make any requisition or claim any compensation for any deficiency or defect in the said improvements as to their suitability for occupation or otherwise including any requisition in relation to the issue or non-issue of Building Permits and/or completion of inspections by the relevant authorities in respect of any improvements herein.

6 Deposit

The deposit payable hereunder shall be ten per centum (10%) of the purchase price.

The Rules and Information Sheet for the conduct of the auction shall be as set out in the Schedules of the Sale of Land (Public Auctions) Regulations 2014 or any rules prescribed by regulation which modify or replace those Rules.

9 FIRB Approval

- 9.1 The purchaser warrants that the provisions of the *Foreign Acquisitions and Takeovers Act 1975* (C'th) do not require the purchaser to obtain consent to enter this contract.
- 9.2 If there is a breach of the warranty contained in Special Condition 8.1 (whether intentional or not) the purchaser must indemnify and compensate the vendor for any loss, damage or cost which the vendor incurs as a result of the breach;
- 9.3 This warranty and indemnity do not merge on completion of this contract.

10. Solar Panels

The Vendor make no representations or gives any warranties whatsoever with respect to any solar panels installed on the property hereby sold in relation to their condition, state or repair, fitness for purpose, their in-put, feed in tariff or any benefits arising from the electricity generated by any solar panels, save that they are owned by the Vendor and not encumbered in any way. The Purchaser acknowledges that any current arrangements with any energy supplier shall cease on the settlement.

11. Goods

The Purchaser acknowledges that he has inspected the goods, fittings and appliances forming part of this contract and that he is aware of their current condition and any deficiencies. The Purchaser shall not require the goods to be in working order at the date of settlement, nor shall he claim any compensation in relation thereto.

12. Cancellation and Re-Scheduling of Settlement

The Purchaser will be liable for payment of the Vendor's costs associated with cancellation and or re-scheduling of settlement. The Purchaser will be liable for \$220.00 (inclusive of GST) per cancellation and or rescheduling as required and requested by the Purchaser's representative.

13. Variations

The Buyer acknowledges that pictures provided of building including exteriors and interiors in this contract are digitally generated and are intended for illustrative purposes only and may not necessarily reflect the final product.

The Vendor reserves the right to make variations to the facade, plans, materials, and color selections as they deem necessary during the construction process. These variations may be made without notice to the Buyer.

The Buyer understands and agrees that no changes or alterations to the initial facade, plan, material, colors, appliances, or selections shall be requested during the construction process. The right to make any such changes solely rests with the Vendor.

The Buyer agrees not to make any claims or demands for alterations to the agreed-upon specifications. The Vendor's decision regarding these matters is final, and the Buyer shall accept the property in accordance with the final specifications determined by the Vendor.

14. Plan of Subdivision (If Applicable)

Settlement Date shall be on the date noted on the Contract of Sale OR within 14 days of approval of the Plan of Subdivision by the Registrar of Titles OR within 14 days of the Purchaser receiving the Certificate of Occupancy, whichever is the latter.

If the Plan of Subdivision is not registered within twenty four (24) months after the day of sale, either the Purchaser or the Vendor may after the expiration of that twenty four (24) months but before the plan of subdivision is so registered rescind this contract by notice in writing to the other party and the Deposit shall then be repaid to the Purchaser in full.

The Vendor reserves the right to make alteration to the Plan of Subdivision necessary to secure its approval by the Registrar of Titles and (subject to the provisions of Section 9AC of the Sale of Land Act) the Purchaser shall make no objection or requisition or claim any compensation in respect of any excess or deficiency whether in areas, boundaries, measurements, occupations, occupation or otherwise on the ground that the Plan of Subdivision as registered by the Registrar of Titles does not agree in measurement or otherwise with the Plan of Subdivision or the Property as inspected by the Purchaser.

Words used in this special condition that are defined in the Building Act 1993 ("the Act") have the same meaning as is given to them by the Act.

The Purchaser undertakes that he/she will not lodge a Caveat against the Title to the land hereby sold pending approval of the Plan of Subdivision by the Registrar of Titles.

15. Windfall Gains Tax (If Applicable)

The Purchaser and Vendor acknowledge and agree that in the event a rezoning event occurs in accordance with the Planning and Environment Act in respect of the Property which is sold and purchased pursuant to this Contract which results in any Windfall Gains Tax (WGT) amount being assessed against the Vendor or Property pursuant to the Windfall Gains Act or other statutory instrument between the Day of Sale and Settlement, then the Purchaser acknowledges and agrees that it must pay an amount equivalent to the WGT amount assessed on the Vendor or Property at Settlement by way of an adjustment to the Price in favour of the Vendor on Settlement.

In the event a WGT amount is assessed on the Vendor or Property between the Day of Sale and Settlement, the Purchaser acknowledges that the Vendor's obligation to proceed to Settlement will be subject to and conditional upon the Purchaser paying the WGT amount to the Vendor.

The Purchaser acknowledges that in the event the Purchaser fails to complete Settlement, but a rezoning event has occurred in relation to Property (or any portion of the Property) after the Day of Sale, notwithstanding the Purchaser's failure to complete the Contract, the Purchaser and the Purchaser Guarantors separately indemnify the Vendor for the total WGT amount that is assessed on the Vendor and/or the Property. This Special Condition 6 survives termination and Settlement of this Contract.

The Vendor and Purchaser acknowledge and agree that in the event that a rezoning event occurs in relation to the Property (or any portion of the Property) after the Day of Sale and before Settlement, then any additional rates, charges, duties or taxes assessed by a relevant Authority between the date of rezoning and the Settlement date will be payable by the Purchaser on demand. In the event that the Purchaser fails to complete Settlement and a rezoning event has occurred in relation to the Property (or any portion of the Property) after the Day of Sale, the Purchaser and Purchaser Guarantors separately indemnify the Vendor for any additional rates, charges, duties or taxes assessed by a relevant Authority and which the Purchaser must pay directly to the Authority on demand.

17. Adjustments and Supporting Documents

Purchaser's legal representative/solicitor/conveyancer shall promptly furnish all necessary adjustments, accompanied by supporting certificates. Failure to provide such certificates shall constitute default by the purchaser, absolving the vendor of any obligation to proceed with property settlement until all requisite certificates, including but not limited to those from council, water, land tax, and owners corporation, are furnished.

Due diligence checklist

What you need to know before buying a residential property

Before you buy a home, you should be aware of a range of issues that may affect that property and impose restrictions or obligations on you, if you buy it. This checklist aims to help you identify whether any of these issues will affect you. The questions are a starting point only and you may need to seek professional advice to answer some of them. You can find links to organisations and web pages that can help you learn more, by visiting the [Due diligence checklist page on the Consumer Affairs Victoria website](https://consumer.vic.gov.au/duediligencechecklist) (consumer.vic.gov.au/duediligencechecklist).

Urban living

Moving to the inner city?

High density areas are attractive for their entertainment and service areas, but these activities create increased traffic as well as noise and odours from businesses and people. Familiarising yourself with the character of the area will give you a balanced understanding of what to expect.

Is the property subject to an owners corporation?

If the property is part of a subdivision with common property such as driveways or grounds, it may be subject to an owners corporation. You may be required to pay fees and follow rules that restrict what you can do on your property, such as a ban on pet ownership.

Growth areas

Are you moving to a growth area?

You should investigate whether you will be required to pay a growth areas infrastructure contribution.

Flood and fire risk

Does this property experience flooding or bushfire?

Properties are sometimes subject to the risk of fire and flooding due to their location. You should properly investigate these risks and consider their implications for land management, buildings and insurance premiums.

Rural properties

Moving to the country?

If you are looking at property in a rural zone, consider:

Is the surrounding land use compatible with your lifestyle expectations? Farming can create noise or odour that may be at odds with your expectations of a rural lifestyle.

Are you considering removing native vegetation? There are regulations which affect your ability to remove native vegetation on private property.

Do you understand your obligations to manage weeds and pest animals?

Can you build new dwellings?

Does the property adjoin crown land, have a water frontage, contain a disused government road, or are there any crown licences associated with the land?

Is there any earth resource activity such as mining in the area?

You may wish to find out more about exploration, mining and quarrying activity on or near the property and consider the issue of petroleum, geothermal and greenhouse gas sequestration permits, leases and licences, extractive industry authorisations and mineral licences.

Soil and groundwater contamination

Has previous land use affected the soil or groundwater?

You should consider whether past activities, including the use of adjacent land, may have caused contamination at the site and whether this may prevent you from doing certain things to or on the land in the future.

Land boundaries

Do you know the exact boundary of the property?

You should compare the measurements shown on the title document with actual fences and buildings on the property, to make sure the boundaries match. If you have concerns about this, you can speak to your lawyer or conveyancer, or commission a site survey to establish property boundaries.

Planning controls

Can you change how the property is used, or the buildings on it?

All land is subject to a planning scheme, run by the local council. How the property is zoned and any overlays that may apply, will determine how the land can be used. This may restrict such things as whether you can build on vacant land or how you can alter or develop the land and its buildings over time.

The local council can give you advice about the planning scheme, as well as details of any other restrictions that may apply, such as design guidelines or bushfire safety design. There may also be restrictions – known as encumbrances – on the property's title, which prevent you from developing the property. You can find out about encumbrances by looking at the section 32 statement.

Are there any proposed or granted planning permits?

The local council can advise you if there are any proposed or issued planning permits for any properties close by. Significant developments in your area may change the local 'character' (predominant style of the area) and may increase noise or traffic near the property.

Safety

Is the building safe to live in?

Building laws are in place to ensure building safety. Professional building inspections can help you assess the property for electrical safety, possible illegal building work, adequate pool or spa fencing and the presence of asbestos, termites, or other potential hazards.

Building permits

Have any buildings or retaining walls on the property been altered, or do you plan to alter them?

There are laws and regulations about how buildings and retaining walls are constructed, which you may wish to investigate to ensure any completed or proposed building work is approved. The local council may be able to give you information about any building permits issued for recent building works done to the property, and what you must do to plan new work. You can also commission a private building surveyor's assessment.

Are any recent building or renovation works covered by insurance?

Ask the vendor if there is any owner-builder insurance or builder's warranty to cover defects in the work done to the property.

Utilities and essential services

Does the property have working connections for water, sewerage, electricity, gas, telephone and internet?

Unconnected services may not be available, or may incur a fee to connect. You may also need to choose from a range of suppliers for these services. This may be particularly important in rural areas where some services are not available.

Buyers' rights

Do you know your rights when buying a property?

The contract of sale and section 32 statement contain important information about the property, so you should request to see these and read them thoroughly. Many people engage a lawyer or conveyancer to help them understand the contracts and ensure the sale goes through correctly. If you intend to hire a professional, you should consider speaking to them before you commit to the sale. There are also important rules about the way private sales and auctions are conducted. These may include a cooling-off period and specific rights associated with 'off the plan' sales. The important thing to remember is that, as the buyer, you have rights.
