Nothing in this general condition 15B is to be taken as relieving the vendor from compliance with section 14-255.
- 5.3 The amount is to be deducted from the vendor's entitlement to the contract *\*consideration* and is then taken to be paid to the vendor, whether or not the vendor provides the purchaser with a GST withholding notice in accordance with section 14-255 of Schedule 1 to the *Taxation Administration Act 1953* (Cth). The vendor must pay to the purchaser at settlement such part of the amount as is represented by non-monetary consideration.

- (a) pay, or ensure payment of, the amount to the Commissioner in the manner required by the Commissioner and as soon as reasonably and practicably possible, from moneys under the control or direction of the representative in accordance with this general condition on settlement of the sale of the property;

5.7 The purchaser may at settlement give the vendor a bank cheque for the amount in accordance with section 16-30 (3) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*, but only if:

- (a) so agreed by the vendor in writing; and

- (b) comply with the purchaser's obligation to pay the amount,

in accordance with section 14-250 of Schedule 1 of the *Taxation Administration Act 1953 (Cth)*. The information must be provided within 5 business days of a written request. The party providing the information warrants that it is true and correct.

5.10 The vendor warrants that:

- (a) at settlement, the property is not new residential premises or potential residential land in either case falling within the parameters of section 14-250 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* if the vendor gives the purchaser a written notice under section 14-255 to the effect that the purchaser will not be required to make a payment under section 14-250 in respect of the supply, or fails to give a written notice as required by and within the time specified in section 14-255; and
- (b) the amount described in a written notice given by the vendor to the purchaser under section 14-255 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* is the correct amount required to be paid under section 14-250 of the legislation.

5.11 The purchaser is responsible for any penalties or interest payable to the commissioner on account of non-payment or late payment of the amount, except to the extent that:

- (a) the penalties or interest arise from the vendor's failure, including breach of a warranty in general condition 15B.10; or
- (b) the purchaser's reasonable belief that the property is neither new residential premises nor potential residential land requiring the purchaser to pay an amount to the Commissioner in accordance with section 14-250 (1) of Schedule 1 to the *Taxation*

The vendor is responsible for any penalties or interest payable to the commissioner on account of non-payment or late payment of the amount if either exception applies.

- 24.4 The amount is to be deducted from the vendor's entitlement to the contract consideration. The vendor must pay to the purchaser at settlement such part of the amount as is represented by non-monetary consideration.

- 24.5 The purchaser must:
- (a) The engage a legal practitioner or conveyancer (“representative”) to conduct all the legal aspects of settlement, including the performance of the purchaser’s obligations under the legislation and this general condition; and

- 24.9 The vendor must provide the purchaser with such information as the purchaser requires to comply with the purchaser’s obligation to pay the amount in accordance with section 14-200 of Schedule 1 to the Taxation Administration Act 1953 (Cth). The information must be provided within 5 business days of request by the purchaser. The vendor warrants that the information the vendor provides is true and correct.

- 25.4 The remaining provisions of this general condition 25 apply if the purchaser is or may be required to pay the Commissioner an \*amount in accordance with section 14-250 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) because the property is \*new residential premises or \*potential residential land in either case falling within the parameters of that section, and also if the sale attracts the operation of section 14-255 of the legislation. Nothing in this general condition 25 is to be taken as relieving the vendor from compliance with section 14-255.
- 25.5 The amount is to be deducted from the vendor’s entitlement to the contract \*consideration and is then taken to be paid to the vendor, whether or not the vendor provides the purchaser with a GST withholding notice in accordance with section 14- 255 of Schedule 1 to the *Taxation Administration Act 1953* (Cth). 25.9 The purchaser may at settlement give the vendor a bank cheque for the amount in accordance with section 16-30 (3) of Schedule 1 to the *Taxation Administration Act 1953* (Cth), but only if:

- (a) so agreed by the vendor in writing; and
- (b) the settlement is not conducted through an electronic lodgment network.

However, if the purchaser gives the bank cheque in accordance with this general condition 25.9, the vendor must:

- (c) immediately after settlement provide the bank cheque to the Commissioner to pay the amount in relation to the supply; and
- (d) give the purchaser a receipt for the bank cheque which identifies the transaction and includes particulars of the bank cheque, at the same time the purchaser gives the vendor the bank cheque.

- (a) at settlement, the property is not new residential premises or potential residential land in either case falling within the parameters of section 14-250 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) if the vendor gives the purchaser a written notice under section 14-255 to the effect that the purchaser will not be required to make a payment under section 14-250 in respect of the supply, or fails to give a written notice as required by and within the time specified in section 14-255; and
- (b) the amount described in a written notice given by the vendor to the purchaser under section 14-255 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) is the correct amount required to be paid under section 14-250 of the legislation

25.12 The purchaser is responsible for any penalties or interest payable to the Commissioner on account of non-payment or late payment of the amount, except to the extent that:

- (a) the penalties or interest arise from any failure on the part of the vendor, including breach of a warranty in general condition 25.11; or
- (b) the purchaser has a reasonable belief that the property is neither new residential premises nor potential residential land requiring the purchaser to pay an amount to the Commissioner in accordance with section 14-250 (1) of Schedule 1 to the *Taxation Administration Act 1953* (Cth).

34.2 The default notice must:

# Due diligence checklist

## What you need to know before buying a residential property

Before you buy a home, you should be aware of a range of issues that may affect that property and impose restrictions or obligations on you, if you buy it. This checklist aims to help you identify whether any of these issues will affect you. The questions are a starting point only and you may need to seek professional advice to answer some of them. You can find links to organisations and web pages that can help you learn more, by visiting the [Due diligence checklist page on the Consumer Affairs Victoria website](https://consumer.vic.gov.au/duediligencechecklist) (consumer.vic.gov.au/duediligencechecklist).

### Urban living

#### ***Moving to the inner city?***

High density areas are attractive for their entertainment and service areas, but these activities create increased traffic as well as noise and odours from businesses and people. Familiarising yourself with the character of the area will give you a balanced understanding of what to expect.

#### ***Is the property subject to an owners corporation?***

If the property is part of a subdivision with common property such as driveways or grounds, it may be subject to an owners corporation. You may be required to pay fees and follow rules that restrict what you can do on your property, such as a ban on pet ownership.

### Growth areas

#### ***Are you moving to a growth area?***

You should investigate whether you will be required to pay a growth areas infrastructure contribution.

### Flood and fire risk

#### ***Does this property experience flooding or bushfire?***

Properties are sometimes subject to the risk of fire and flooding due to their location. You should properly investigate these risks and consider their implications for land management, buildings and insurance premiums.

## Rural properties

### ***Moving to the country?***

If you are looking at property in a rural zone, consider:

Is the surrounding land use compatible with your lifestyle expectations? Farming can create noise or odour that may be at odds with your expectations of a rural lifestyle.

Are you considering removing native vegetation? There are regulations which affect your ability to remove native vegetation on private property.

Do you understand your obligations to manage weeds and pest animals?

### ***Can you build new dwellings?***

Does the property adjoin crown land, have a water frontage, contain a disused government road, or are there any crown licences associated with the land?

### ***Is there any earth resource activity such as mining in the area?***

You may wish to find out more about exploration, mining and quarrying activity on or near the property and consider the issue of petroleum, geothermal and greenhouse gas sequestration permits, leases and licences, extractive industry authorisations and mineral licences.

## Soil and groundwater contamination

### ***Has previous land use affected the soil or groundwater?***

You should consider whether past activities, including the use of adjacent land, may have caused contamination at the site and whether this may prevent you from doing certain things to or on the land in the future.

## Land boundaries

### ***Do you know the exact boundary of the property?***

You should compare the measurements shown on the title document with actual fences and buildings on the property, to make sure the boundaries match. If you have concerns about this, you can speak to your lawyer or conveyancer, or commission a site survey to establish property boundaries.

## Planning controls

### ***Can you change how the property is used, or the buildings on it?***

All land is subject to a planning scheme, run by the local council. How the property is zoned and any overlays that may apply, will determine how the land can be used. This may restrict such things as whether you can build on vacant land or how you can alter or develop the land and its buildings over time.

The local council can give you advice about the planning scheme, as well as details of any other restrictions that may apply, such as design guidelines or bushfire safety design. There may also be restrictions – known as encumbrances – on the property's title, which prevent you from developing the property. You can find out about encumbrances by looking at the section 32 statement.

### ***Are there any proposed or granted planning permits?***

The local council can advise you if there are any proposed or issued planning permits for any properties close by. Significant developments in your area may change the local 'character' (predominant style of the area) and may increase noise or traffic near the property.

## Safety

### ***Is the building safe to live in?***

Building laws are in place to ensure building safety. Professional building inspections can help you assess the property for electrical safety, possible illegal building work, adequate pool or spa fencing and the presence of asbestos, termites, or other potential hazards.

## Building permits

### ***Have any buildings or retaining walls on the property been altered, or do you plan to alter them?***

There are laws and regulations about how buildings and retaining walls are constructed, which you may wish to investigate to ensure any completed or proposed building work is approved. The local council may be able to give you information about any building permits issued for recent building works done to the property, and what you must do to plan new work. You can also commission a private building surveyor's assessment.

### ***Are any recent building or renovation works covered by insurance?***

Ask the vendor if there is any owner-builder insurance or builder's warranty to cover defects in the work done to the property.

## Utilities and essential services

### ***Does the property have working connections for water, sewerage, electricity, gas, telephone and internet?***

Unconnected services may not be available, or may incur a fee to connect. You may also need to choose from a range of suppliers for these services. This may be particularly important in rural areas where some services are not available.

## Buyers' rights

### ***Do you know your rights when buying a property?***

The contract of sale and section 32 statement contain important information about the property, so you should request to see these and read them thoroughly. Many people engage a lawyer or conveyancer to help them understand the contracts and ensure the sale goes through correctly. If you intend to hire a professional, you should consider speaking to them before you commit to the sale. There are also important rules about the way private sales and auctions are conducted. These may include a cooling-off period and specific rights associated with 'off the plan' sales. The important thing to remember is that, as the buyer, you have rights.

**AMOUNT PAYABLE:** \$0.00

# Notes to Certificates Under Section 95AA of the *Taxation Administration Act 1997*

Certificate No: 58367929

## Power to issue Certificate

1. The Commissioner of State Revenue can issue a Property Clearance Certificate (Certificate) to an owner, mortgagee or bona fide purchaser of land who makes an application specifying the land for which the Certificate is sought and pays the application fee.

## Amount shown on Certificate

2. The Certificate shows any land tax (including Vacant Residential Land Tax, interest and penalty tax) that is due and unpaid on the land described in the Certificate at the date of issue. In addition, it may show:
  - Land tax that has been assessed but is not yet due,
  - Land tax for the current tax year that has not yet been assessed, and
  - Any other information that the Commissioner sees fit to include, such as the amount of land tax applicable to the land on a single holding basis and other debts with respect to the property payable to the Commissioner.

## Land tax is a first charge on land

3. Unpaid land tax (including Vacant Residential Land Tax, interest and penalty tax) is a first charge on the land to which it relates. This means it has priority over any other encumbrances on the land, such as a mortgage, and will continue as a charge even if ownership of the land is transferred. Therefore, a purchaser may become liable for any such unpaid land tax.

## Information for the purchaser

4. If a purchaser of the land described in the Certificate has applied for and obtained a Certificate, the amount recoverable from the purchaser cannot exceed the 'amount payable' shown. A purchaser cannot rely on a Certificate obtained by the vendor.

## Information for the vendor

5. Despite the issue of a Certificate, the Commissioner may recover a land tax liability from a vendor, including any amount identified on this Certificate.

## General information

6. A Certificate showing no liability for the land does not mean that the land is exempt from land tax. It means that there is nothing to pay at the date of the Certificate.
7. An updated Certificate may be requested free of charge via our website, if:
  - The request is within 90 days of the original Certificate's issue date, and
  - There is no change to the parties involved in the transaction for which the Certificate was originally requested.

## For Information Only

LAND TAX CALCULATION BASED ON SINGLE OWNERSHIP

Land Tax = \$0.00

Taxable Value = \$170,000

Calculated as \$0 plus ( \$170,000 - \$0) multiplied by 0.000 cents.

# Statement of advice and information for prospective purchasers and lot owners

Schedule 3, Regulation 17, Owners Corporations Regulations 2018

## What is an owners corporation?

The lot you are considering buying is part of an owners corporation. Whenever a plan of subdivision creates common property, an owners corporation is responsible for managing the common property. A purchaser of a lot that is part of an owners corporation automatically becomes a member of the owners corporation when the transfer of that lot to the purchaser has been registered with Land Victoria.

If you buy into an owners corporation, you will be purchasing not only the individual property, but also ownership of, and the right to use, the common property as set out in the plan of subdivision. This common property may include driveways, stairs, paths, passages, lifts, lobbies, common garden areas and other facilities set up for use by owners and occupiers. In order to identify the boundary between the individual lot you are purchasing (for which the owner is solely responsible) and the common property (for which all members of the owners corporation are responsible), you should closely inspect the plan of subdivision.

## How are decisions made by an owners corporation?

As an owner, you will be required to make financial contributions to the owners corporation, in particular for the repair, maintenance and management of the common property. Decisions as to the management of this common property will be the subject of collective decision making. Decisions as to these financial contributions, which may involve significant expenditure, will be decided by a vote.

## Owners corporation rules

The owners corporation rules may deal with matters such as car parking, noise, pets, the appearance or use of lots, behaviour of owners, occupiers or guests and grievance procedures.

You should look at the owners corporation rules to consider any restrictions imposed by the rules.

## Lot entitlement and lot liability

The plan of subdivision will also show your lot entitlement and lot liability. Lot liability represents the share of owners corporation expenses that each lot owner is required to pay.

Lot entitlement is an owner's share of ownership of the common property, which determines voting rights. You should make sure that the allocation of lot liability and entitlement for the lot you are considering buying seems fair and reasonable.

## Further information

If you are interested in finding out more about living in an owners corporation, you can contact Consumer Affairs Victoria. If you require further information about the particular owners corporation you are buying into you can inspect that owners corporation's information register.

## Management of an owners corporation

An owners corporation may be self-managed by the lot owners or professionally managed by an owners corporation manager. If an owners corporation chooses to appoint a professional manager, it must be a manager registered with the Business Licensing Authority (BLA).

If you are uncertain about any aspect of the owners corporation or the documents you have received from the owners corporation, you should seek expert advice.

**2. Committees and sub-committees****2.1 Functions, powers and reporting of committees and sub-committees**

A committee may appoint members to a sub committee without reference to the owners corporation.

**3. Management and administration****3.1 Metering of services and apportionment of costs of services**

2. If a supplier has issued an account to the owners corporation, the owners corporation cannot recover from the lot owner or occupier an amount which includes any amount that is able to be claimed as a concession or rebate by or on behalf of the lot owner or occupier from the relevant supplier.
3. Subrule (2) does not apply if the concession or rebate -

4. An owner or person authorised by an owner may install a locking or safety device to protect the lot against intruders, or a screen or barrier to prevent entry of animals or insects, if the device, screen or barrier is soundly built and is consistent with the colour, style and materials of the building.

An owner or occupier of a lot must give written notification to the owners corporation if the owner or occupier changes the existing use of the lot in a way that will affect the insurance premiums for the owners corporation.

##### **Example**

If the change of use results in a hazardous activity being carried out on the lot, or results in the lot being used for commercial or industrial purposes rather than residential purposes.

#### 5.2 **External appearance of lots**

1. An owner or occupier of a lot must obtain the written approval of the owners corporation before making any changes to the external appearance of their lot.
2. An owners corporation cannot unreasonably withhold approval, but may give approval subject to reasonable conditions to protect quiet enjoyment of other lot owners, structural integrity or the value of other lots and/or common property.

#### 5.3 **Requiring notice to the owners corporation of renovations to lots**

An owner or occupier of a lot must notify the owners corporation when undertaking any renovations or other works that may affect the common property and/or other lot owners' or occupiers' enjoyment of the common property.

### 6. **Behaviour of persons**

#### 6.1 **Behaviour of owners, occupiers and invitees on common property**

2. The party making the complaint must prepare a written statement in the approved form.
3. If there is a grievance committee of the owners corporation, it must be notified of the dispute by the complainant.
4. If there is no grievance committee, the owners corporation must be notified of any dispute by the complainant, regardless of whether the owners corporation is an immediate party to the dispute.
5. The parties to the dispute must meet and discuss the matter in dispute, along with either the grievance committee or the owners corporation, within 14 working days after the dispute comes to the attention of all the parties.

6. A party to the dispute may appoint a person to act or appear on his or her behalf at the meeting.
7. If the dispute is not resolved, the grievance committee or owners corporation must notify each party of his or her right to take further action under Part 10 of the Owners Corporations Act 2006.
8. This process is separate from and does not limit any further action under Part 10 of the Owners Corporations Act 2006.

## IMPORTANT NOTICES

We have prepared this document to assist you to understand important issues relating to your insurances. Please contact your Insurance Broker if you have any questions or require further advice/assistance.

### ESSENTIAL READING OF POLICY WORDING

The policy wordings for your insurances are essential reading to understand what is protected by each policy. Read them carefully as soon as possible and contact us if you have any concerns about the extent of your cover.

### YOUR DUTY OF DISCLOSURE

Before you enter into an insurance contract, you have a duty to tell the insurer anything that you know, or could reasonably be expected to know, that may affect the insurer's decision to insure you and on what terms.

You have this duty until they agree to insure you. You have the same duty before you renew, extend, vary, or reinstate an insurance contract.

You do not need to tell the insurer anything that:

- reduces the risk they insure you for; or
- is common knowledge; or
- the insurer knows, or should know: or
- the insurer waives your duty to tell them about.

If you do not tell the insurer something you are required to, they may cancel your insurance contract or reduce the amount they will pay you if you make a claim, or both. If your failure to tell them is fraudulent, they may refuse to pay a claim and treat the insurance contract as if it never existed.

### ADDITIONAL DUTY NOT TO MAKE A MISREPRESENTATION

(Applies to consumer insurance contracts only)

A consumer insurance contract (CIC) is a contract that is purchased for personal, domestic or household purposes.

You have a duty under the *Insurance Contracts Act 1984 (ICA)* to **take reasonable care not to make a misrepresentation to the insurer (your duty)**.

Your duty applies only in respect of a policy that is a consumer insurance contract, which is a term defined in the ICA. Your duty applies before you enter into the policy and also before you renew, extend, vary or reinstate the policy.

Before you do any of these things, you may be required to answer questions and the insurer will use the answers you provide in deciding whether to insure you, and anyone else to be insured under the policy, and on what terms. To ensure you meet your duty, your answers to the questions must be truthful, accurate and complete.

If you fail to meet your duty, the insurer may be able to cancel your contract, or reduce the amount it will pay if you make a claim, or both. If your failure is fraudulent, the insurer may be able to refuse to pay a claim and treat the contract as if it never existed.

### DUTY OF GOOD FAITH

Both parties to an insurance contract, the insurer and the insured, must act towards each other with the utmost good faith. If you fail to do so, the insurer can cancel your insurance. If the insurer fails to do so, you may be able to sue the insurer.

### AVERAGE OR CO-INSURANCE

Some policies contain an Average clause. This means that if you insure for less than the full value of the property, your claim may be reduced in proportion to the amount of the under-insurance. These clauses are also called "Co-Insurance" clauses.

### A simple example is as follows:

Full (Replacement) Value	\$1,000,000
Sum Insured	\$500,000

Therefore, you would be self-insured for 50% of the Full Value

Amount of Claim, say	\$100,000
----------------------	-----------

Amount payable by Insurers as a result of the application of Average/Co-Insurance (ie: 50%)	\$50,000
---	----------

Some Business Interruption policies contain an Average/Co-insurance clause, but the calculation is different. Generally, the Rate of Gross Profit, Revenue or Rentals (as applicable) is applied to the Annual Turnover, Revenue or Rentals (as applicable) (after adjustment for business trends or other circumstances).

### CONTRACTS AND LEASES YOU SIGN

If you sign a contract with an indemnity, "hold harmless" or release, it can invalidate your insurance – unless you obtain the Insurer's consent in advance.

These clauses are often found in leases and other contracts you sign from time to time relating to your business. Do not sign a contract or lease without contacting us and/or taking legal advice as to whether the contract terms will prejudice your policy.

### Change or Alteration in Risk

It is our duty as brokers to give you sound professional advice, but that advice can only be sound and valid if we are kept properly informed of changes to your business, circumstances or products such as alteration of risk, changes in location, mergers and acquisitions or any new or changes

### Non-Renewable Insurance

Cover under your policies terminates on the date shown on our tax invoice or adjustment note.

While insurers will send renewal offers for most insurance policies, there are some which are not "renewable". For these, if you wish to effect similar insurance for a subsequent period, you will need to complete a further proposal form/declaration before the current policy expires so that we can seek terms of insurance and quotations on your behalf.

### Refund of Premium

If there is a refund or reduction of premium owed to you as a result of a cancellation or alteration to a policy, we will retain any broker fee we have charged you. CBN will retain any commission that was paid to them by the insurer for the policy and we may retain the portion of the commission that was paid to us by CBN. We may also charge you a cancellation fee.

### Cancellation of Policy or Deficient Cover Due to Non-Payment of Premium

We shall not be held responsible for the cancellation of your policy, a deficiency in cover, or the denial of a claim by your Insurer where you have not paid, or did not pay, any amount of premium due to us or your Insurer, or instalments to your premium financier.

### General

Many areas of insurance are complex, and some implications may not be evident to you. If there are **any** aspects of your insurances that you do not understand or you require further explanation, please contact us immediately.

**ADDITIONAL INSURED AND NOTING INTERESTS**

If a person is to be named on your policy or insured as a co-insured or joint insured, notify us immediately so we can request this in advance from the insurer. Your property and liability policies will not provide automatic cover for the insurable interest of other parties (e.g., mortgagees, lessors).

Check with us whether the insurer will include someone else as an insured or note their interests before you agree to this in a contract or lease. We cannot guarantee that an insurer will agree to include someone as an insured under your policy or to note their interests on your policy.

**CLAIMS OCCURRING POLICIES**

Most of your policies do not provide indemnity in respect of events that occurred before the insurance commenced. They cover events that occur during the policy period.

**CLAIMS MADE POLICIES**

Some policies (e.g. professional indemnity insurance) provide cover on a "claims made" basis. This means that claims first advised to you (or made against you) and reported to your insurer during the policy period are insured under that policy, irrespective of when the incident causing the claim occurred. If you become aware of circumstances which could give rise to a claim, notify the insurer during the policy period.

Report all incidents that may give rise to a claim against you to the insurers immediately after they come to your attention and before the policy expires.

**INSURER SOLVENCY**

We do not warrant or guarantee the current or ongoing solvency or financial viability of the insurer because we have no control over the insurer's performance, and this can be affected by many complex commercial and economic factors.

**UNAUTHORISED FOREIGN INSURERS**

In limited cases, we may recommend that you insure with an unauthorised foreign insurer. An unauthorised foreign insurer is an insurer that is not authorised under the Insurance Act 1973 (**Act**) to conduct insurance business in Australia and is not subject to the system of financial supervision of general insurers in Australia that is monitored by the Australian Prudential Regulation Authority.

**LEASING, HIRING AND BORROWING PROPERTY**

When you lease, hire or borrow property, make sure that the contract clearly identifies who is responsible for insuring the property.

Industrial Special Risks policies automatically cover property which you are responsible to insure, subject to the policy excess. Public liability insurance may assist you meet claims relating to property damage to property which you lease or hire. A sub-limit usually

If the insurer becomes insolvent, you will not be protected by the Federal Government's Financial Claims Scheme provided under Part VC of that Act.

**Non-Disclosure**

Policies which are not governed by the Insurance Contracts Act 1984 such as marine, (other than marine inland transit insurance and pleasure craft) and insurance required by statute such as Compulsory Third Party (CTP) motor vehicle insurance and workers compensation, the Insurer may be able to recover against the Insured in the event of misrepresentation, misstatement or non-disclosure.

If you are uncertain as to whether particular information is relevant to the insurer's decision to insure, please contact us and we can help you identify whether the information should be disclosed to the insurer on the application or upon renewal or variation of the insurance.

**GENERAL ADVICE WARNING**

This advice does not take into account your personal objectives, financial situation or needs. For this reason, before you act on this advice, you should consider the appropriateness of the advice having regard to your own objectives, financial situation and needs.

Insurers have created Target Market Determinations (TMDs) which set out the type of customer and risk the product is designed for. We can confirm that you fall within these criteria for this financial product. If you would like a copy of the TMD, please advise us so that we can make this available to you.

Before you make any decision about whether the policy is right for you, you should obtain and read the Product Disclosure Statement (PDS) for the policy.
