Reason there are fewer than three comparable properties

[x] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

The only historical similar comparison is 16 Prince Street , Myrtleford, however this property has 5 bedrooms as there was an extension put on the property. 17 O'Donnell Avenue is similar due to the historical factor however is a brick veneer home. There are no further comparisons.
