Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There have been limited recent sales of properties of a sufficiently comparable nature in Toorak within the past six months. Given the property's substantial 1,811sqm landholding, scale, accommodation and overall quality, there are limited recent transactions that provide a direct comparison. Accordingly, fewer than three comparable sales have been identified and the available sales evidence has been considered having regard to the property's individual characteristics.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
