Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

WARNING—SMOKE ALARMS
The owners of certain types of buildings and strata lots must have smoke alarms, or in certain cases heat alarms, installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. WARNING—LOOSE-FILL ASBESTOS INSULATION
Before purchasing land that includes residential premises, within the meaning of the *Home Building Act 1989,* Part 8, Division 1A, built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation, within the meaning of the *Home Building Act 1989*, Part 8, Division 1A. In particular, a purchaser should—

(a) search the Register required to be maintained under the *Home Building Act 1989*, Part 8, Division 1A, and

(b) ask the relevant local council whether it holds records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation, including areas in which residential premises have been identified as containing loose-fill asbestos insulation, contact NSW Fair Trading.

2.4 The purchaser can pay any of the deposit by –
2.4.1 giving cash (up to $2,000) to the *depositholder*;

and in both cases clause 30 applies.
4.2 If, because of clause 4.1.2, this *Conveyancing Transaction* is to be conducted as a *manual transaction* –
4.2.1 each *party* must –

4.3.1 in accordance with the *participation rules* and the *ECNL*; and
4.3.2 using the nominated *ELN*, unless the *parties* otherwise agree. This clause 4.3.2 does not prevent a *party* using an *ELN* which can interoperate with the nominated *ELN*.
4.4 A *party* must pay the fees and charges payable by that *party* to the *ELNO* and the *Land Registry*.
4.5 *Normally,* the vendor must *within* 7 days of the contract date create and *populate* an *Electronic Workspace* with *title data* and the date for completion*,* and invite the purchaser to the *Electronic Workspace*.

4.7.1 promptly join the *Electronic Workspace* after receipt of an invitation;
4.7.2 create and *populate* an *electronic transfer*;
4.7.3 invite any *discharging mortgagee* or *incoming mortgagee* to join the *Electronic Workspace*; and
4.7.4 *populate* the *Electronic Workspace* with a nominated *completion time*.
4.8 If the transferee in the *electronic transfer* is not the purchaser, the purchaser must give the vendor a direction signed by the purchaser personally for that transfer.
4.9 The vendor can require the purchaser to include a covenant or easement in the *electronic transfer* only if this contract contains the wording of the proposed covenant or easement, and a description of the land burdened and benefited.
4.10 If the purchaser must make a *GSTRW payment* or an *FRCGW remittance*, the purchaser must *populate* the *Electronic Workspace* with the payment details for the *GSTRW payment* or *FRCGW remittance* payable to the Deputy Commissioner of Taxation at least 2 *business days* before the date for completion.
4.11 Before completion, the *parties* must ensure that –
4.11.1 all *electronic documents* which a *party* must *Digitally Sign* to complete the *electronic transaction* are *populated* and *Digitally Signed*;
4.11.2 all certifications required by the *ECNL* are properly given; and
4.11.3 they do everything else in the *Electronic Workspace* which that *party* must do to enable the *electronic transaction* to proceed to completion.
4.12 If the computer systems of any of the *Land Registry*, the *ELNO,* Revenue NSW or the Reserve Bank of Australia are inoperative for any reason at the *completion time* agreed by the *parties*, a failure to complete this contract for that reason is not a default under this contract on the part of either *party*.

18/69 ALEXANDRA ST KURRI KURRI NSW 2327

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

4.13 If the computer systems of the *Land Registry* are inoperative for any reason at the *completion time* agreed by the *parties,* and the *parties* choose that financial settlement is to occur despite this, then on financial settlement occurring –

4.13.1 all *electronic documents Digitally Signed* by the vendor and any discharge of mortgage, withdrawal of caveat or other *electronic document* forming part of the *Lodgment Case* for the *electronic transaction* are taken to have been unconditionally and irrevocably delivered to the purchaser or the purchaser's mortgagee at the time of financial settlement together with the right to deal with the land; and

4.13.2 the vendor is taken to have no legal or equitable interest in the *property*.

4.14 If the *parties* do not agree about the delivery before completion of one or more documents or things that cannot be delivered through the *Electronic Workspace*, the *party* required to deliver the documents or things –

4.14.1 holds them on completion in escrow for the benefit of; and

5.2 If the purchaser is or becomes entitled to make any other *requisition*, the purchaser can make it only by *serving* it –

5.2.1 if it arises out of this contract or it is a general question about the *property* or title - *within* 21 days after the contract date;

5.2.2 if it arises out of anything *served* by the vendor - *within* 21 days after the later of the contract date and that *service*; and

5.2.3 in any other case - *within* a reasonable time.

6 Error or misdescription

6.1 *Normally*, the purchaser can (but only before completion) claim compensation for an error or misdescription in this contract (as to the *property*, the title or anything else and whether substantial or not).

6.2 This clause applies even if the purchaser did not take notice of or rely on anything in this contract containing or giving rise to the error or misdescription.

6.3 However, this clause does not apply to the extent the purchaser knows the true position.

7 Claims by purchaser

Normally, the purchaser can make a claim (including a claim under clause 6) before completion only by *serving* it with a statement of the amount claimed, and if the purchaser makes one or more claims before completion –

7.1 the vendor can *rescind* if in the case of claims that are not claims for delay –

7.1.1 the total amount claimed exceeds 5% of the price;

7.1.2 the vendor *serves* notice of intention to *rescind*; and

7.1.3 the purchaser does not *serve* notice waiving the claims *within* 14 days after that *service*; and

7.2 if the vendor does not *rescind*, the *parties* must complete and if this contract is completed –

7.2.1 the lesser of the total amount claimed and 10% of the price must be paid out of the price to and held by the *depositholder* until the claims are finalised or lapse;

7.2.2 the amount held is to be invested in accordance with clause 2.9;

7.2.3 the claims must be finalised by an arbitrator appointed by the *parties* or, if an appointment is not made *within* 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a *party* (in the latter case the *parties* are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);

7.2.4 the purchaser is not entitled, in respect of the claims, to more than the total amount claimed and the costs of the purchaser;

7.2.5 net interest on the amount held must be paid to the *parties* in the same proportion as the amount held is paid; and

7.2.6 if the *parties* do not appoint an arbitrator and neither *party* requests the President to appoint an arbitrator *within* 3 months after completion, the claims lapse and the amount belongs to the vendor.

8 Vendor's rights and obligations

8.1 The vendor can *rescind* if –

8.1.1 the vendor is, on reasonable grounds, unable or unwilling to comply with a *requisition*;

8.1.2 the vendor *serves* a notice of intention to *rescind* that specifies the *requisition* and those grounds; and

8.1.3 the purchaser does not *serve* a notice waiving the *requisition within* 14 days after that *service*.

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

8.2 If the vendor does not comply with this contract (or a notice under or relating to it) in an essential respect, the purchaser can *terminate* by *serving* a notice. After the *termination* –
- 8.2.1 the purchaser can recover the deposit and any other money paid by the purchaser under this contract;
- 8.2.2 the purchaser can sue the vendor to recover damages for breach of contract; and
- 8.2.3 if the purchaser has been in possession a *party* can claim for a reasonable adjustment.

9 Purchaser's default

If the purchaser does not comply with this contract (or a notice under or relating to it) in an essential respect, the vendor can *terminate* by *serving* a notice. After the *termination* the vendor can –

9.1 keep or recover the deposit (to a maximum of 10% of the price);

9.2 hold any other money paid by the purchaser under this contract as security for anything recoverable under this clause –
- 9.2.1 for 12 months after the *termination*; or
- 9.2.2 if the vendor commences proceedings under this clause *within* 12 months, until those proceedings are concluded; and

9.3 sue the purchaser either –
- 9.3.1 where the vendor has resold the *property* under a contract made *within* 12 months after the *termination*, to recover –
  - the deficiency on resale (with credit for any of the deposit kept or recovered and after allowance for any capital gains tax or goods and services tax payable on anything recovered under this clause); and
  - the reasonable costs and expenses arising out of the purchaser's non-compliance with this contract or the notice and of resale and any attempted resale; or
- 9.3.2 to recover damages for breach of contract.

10 Restrictions on rights of purchaser

10.1 The purchaser cannot make a claim or *requisition* or *rescind* or *terminate* in respect of –
- 10.1.1 the ownership or location of any fence as defined in the Dividing Fences Act 1991;
- 10.1.2 a service for the *property* being a joint service or passing through another property, or any service for another property passing through the *property* ('service' includes air, communication, drainage, electricity, garbage, gas, oil, radio, sewerage, telephone, television or water service);
- 10.1.3 a wall being or not being a party wall in any sense of that term or the *property* being affected by an easement for support or not having the benefit of an easement for support;
- 10.1.4 any change in the *property* due to fair wear and tear before completion;
- 10.1.5 a promise, representation or statement about this contract, the *property* or the title, not set out or referred to in this contract;
- 10.1.6 a condition, exception, reservation or restriction in a Crown grant;
- 10.1.7 the existence of any authority or licence to explore or prospect for gas, minerals or petroleum;
- 10.1.8 any easement or restriction on use the substance of either of which is disclosed in this contract or any non-compliance with the easement or restriction on use; or
- 10.1.9 anything the substance of which is disclosed in this contract (except a caveat, charge, mortgage, priority notice or writ).

10.2 The purchaser cannot *rescind* or *terminate* only because of a defect in title to or quality of the inclusions.

10.3 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* or require the vendor to change the nature of the title disclosed in this contract (for example, to remove a caution evidencing qualified title, or to lodge a plan of survey as regards limited title).

11 Compliance with work orders

11.1 *Normally*, the vendor must by completion comply with a *work order* made on or before the contract date and if this contract is completed the purchaser must comply with any other *work order*.

11.2 If the purchaser complies with a *work order*, and this contract is *rescinded* or *terminated*, the vendor must pay the expense of compliance to the purchaser.

12 Certificates and inspections

The vendor must do whatever is reasonably necessary to enable the purchaser, subject to the rights of any tenant –

12.1 to have the *property* inspected to obtain any certificate or report reasonably required;

12.2 to apply (if necessary in the name of the vendor) for –
- 12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or
- 12.2.2 a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and

12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.

13 Goods and services tax (GST)

13.1 Terms used in this clause which are not defined elsewhere in this contract and have a defined meaning in the *GST Act* have the same meaning in this clause.

13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.

13.3 If under this contract a *party* must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7), the *party* must adjust or pay on completion any GST added to or included in the expense, but –

13.3.1 the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and

13.3.2 if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the *GST rate*.

13.4 If this contract says this sale is the supply of a going concern –

13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;

13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;

13.4.3 if the purchaser is not registered by the date for completion, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows –

- if *within* 3 months of completion the purchaser *serves* a letter from the Australian Taxation Office stating the purchaser is registered with a date of effect of registration on or before completion, the *depositholder* is to pay the retention sum to the purchaser; but
- if the purchaser does not *serve* that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and

13.4.4 if the vendor, despite clause 13.4.1, *serves* a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.

13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.

13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.

13.7 If this contract says the sale is not a taxable supply –

13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and

13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –

- a breach of clause 13.7.1; or
- something else known to the purchaser but not the vendor.

13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –

13.8.1 this sale is not a taxable supply in full; or

13.8.2 the margin scheme applies to the *property* (or any part of the *property*).

13.9 If this contract says this sale is a taxable supply to an extent –

13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and

13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.

13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.

13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.

13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.

13.13 If the vendor *serves* details of a *GSTRW payment* which the purchaser must make, the purchaser does not have to complete earlier than 5 *business days* after that *service* and clause 21.3 does not apply to this provision.

13.14 If the purchaser must make a *GSTRW payment* the purchaser must, at least 2 *business days* before the date for completion, *serve* evidence of submission of a *GSTRW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under either clause 4.8 or clause 30.4 has been given, by the transferee named in the transfer the subject of that direction.

14 Adjustments

14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax, levies and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.

14.2 The *parties* must make any necessary adjustment on completion, and –

14.2.1 the purchaser must provide the vendor with *adjustment figures* at least 2 *business days* before the date for completion; and

14.2.2 the vendor must confirm the *adjustment figures* at least 1 *business day* before the date for completion.

14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.

14.4 The *parties* must not adjust surcharge land tax (as defined in the Land Tax Act 1956) but must adjust any other land tax for the year current at the *adjustment date* –

14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;

14.4.2 by adjusting the amount that would have been payable if at the start of the year –

- the person who owned the land owned no other land;
- the land was not subject to a special trust or owned by a non-concessional company; and
- if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.

14.5 The *parties* must not adjust any first home buyer choice property tax.

14.6 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.

14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.

14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

15 Date for completion

The *parties* must complete by the date for completion and, if they do not, a *party* can *serve* a notice to complete if that *party* is otherwise entitled to do so.

16 Completion

● Vendor

16.1 *Normally*, on completion the vendor must cause the legal title to the *property* (being the estate disclosed in this contract) to pass to the purchaser free of any charge, mortgage or other interest, subject to any necessary registration.

16.2 The legal title to the *property* does not pass before completion.

16.3 If the vendor gives the purchaser a document (other than the transfer) that needs to be lodged for registration, the vendor must pay the lodgment fee to the purchaser.

16.4 If a *party serves* a land tax certificate showing a charge on any of the land, by completion the vendor must do all things and pay all money required so that the charge is no longer effective against the land.

● Purchaser

16.5 On completion the purchaser must pay to the vendor –

16.5.1 the price less any –

- deposit paid;
- *FRCGW remittance* payable;
- *GSTRW payment*; and
- amount payable by the vendor to the purchaser under this contract; and

16.5.2 any other amount payable by the purchaser under this contract.

16.6 If any of the deposit is not covered by a *deposit-bond*, at least 1 *business day* before the date for completion the purchaser must give the vendor an order signed by the purchaser authorising the *depositholder* to account to the vendor for the deposit, to be held by the vendor in escrow until completion.

16.7 On completion the deposit belongs to the vendor.

17 Possession

17.1 *Normally*, the vendor must give the purchaser vacant possession of the *property* on completion.

17.2 The vendor does not have to give vacant possession if –

17.2.1 this contract says that the sale is subject to existing tenancies; and

17.2.2 the contract discloses the provisions of the tenancy (for example, by attaching a copy of the lease and any relevant memorandum or variation).

17.3 *Normally*, the purchaser can claim compensation (before or after completion) or *rescind* if any of the land is affected by a protected tenancy (a tenancy affected by Schedule 2, Part 7 of the Residential Tenancies Act 2010).

18 Possession before completion

18.1 This clause applies only if the vendor gives the purchaser possession of the *property* before completion.

18.2 The purchaser must not before completion –

18.2.1 let or part with possession of any of the *property*;

18.2.2 make any change or structural alteration or addition to the *property;* or

18.2.3 contravene any agreement between the *parties* or any direction, document, *legislation*, notice or order affecting the *property*.

18.3 The purchaser must until completion –

18.3.1 keep the *property* in good condition and repair having regard to its condition at the giving of possession; and

18.3.2 allow the vendor or the vendor's authorised representative to enter and inspect it at all reasonable times.

18.4 The risk as to damage to the *property* passes to the purchaser immediately after the purchaser enters into possession.

18.5 If the purchaser does not comply with this clause, then without affecting any other right of the vendor –

18.5.1 the vendor can before completion, without notice, remedy the non-compliance; and

18.5.2 if the vendor pays the expense of doing this, the purchaser must pay it to the vendor with interest at the rate prescribed under s101 Civil Procedure Act 2005.

18.6 If this contract is *rescinded* or *terminated* the purchaser must immediately vacate the *property*.

18.7 If the *parties* or their *solicitors* on their behalf do not agree in writing to a fee or rent, none is payable.

19 Rescission of contract

19.1 If this contract expressly gives a *party* a right to *rescind*, the *party* can exercise the right –

19.1.1 only by *serving* a notice before completion; and

19.1.2 in spite of any making of a claim or *requisition*, any attempt to satisfy a claim or *requisition*, any arbitration, litigation, mediation or negotiation or any giving or taking of possession.

19.2 *Normally*, if a *party* exercises a right to *rescind* expressly given by this contract or any *legislation* –

19.2.1 the deposit and any other money paid by the purchaser under this contract must be refunded;

19.2.2 a *party* can claim for a reasonable adjustment if the purchaser has been in possession;

19.2.3 a *party* can claim for damages, costs or expenses arising out of a breach of this contract; and

19.2.4 a *party* will not otherwise be liable to pay the other *party* any damages, costs or expenses.

20.2 Anything attached to this contract is part of this contract.

20.3 An area, bearing or dimension in this contract is only approximate.

20.4 If a *party* consists of 2 or more persons, this contract benefits and binds them separately and together.

20.5 A *party's solicitor* can receive any amount payable to the *party* under this contract or direct in writing that it is to be paid to another person.

20.6 A document under or relating to this contract is –

20.6.1 signed by a *party* if it is signed by the *party* or the *party's solicitor* (apart from a direction under clause 4.8 or clause 30.4);

20.6.2 *served* if it is *served* by the *party* or the *party's solicitor*;

20.6.3 *served* if it is *served* on the *party's solicitor*, even if the *party* has died or any of them has died;

20.6.8 *served* if it is provided to or by the *party's solicitor* or an *authorised Subscriber* by means of an *Electronic Workspace* created under clause 4. However, this does not apply to a notice making an obligation essential, or a notice of *rescission* or *termination*.

20.7 An obligation to pay an expense of another *party* of doing something is an obligation to pay –

20.7.1 if the *party* does the thing personally - the reasonable cost of getting someone else to do it; or

20.7.2 if the *party* pays someone else to do the thing - the amount paid, to the extent it is reasonable.

20.9 The vendor does not promise, represent or state that the purchaser has any cooling off rights.

20.10 The vendor does not promise, represent or state that any attached survey report is accurate or current.

20.11 A reference to any *legislation* (including any percentage or rate specified in *legislation*) is also a reference to any corresponding later *legislation*.

21 Time limits in these provisions
21.1 If the time for something to be done or to happen is not stated in these provisions, it is a reasonable time.
21.2 If there are conflicting times for something to be done or to happen, the latest of those times applies.
21.3 The time for one thing to be done or to happen does not extend the time for another thing to be done or to happen.
21.4 If the time for something to be done or to happen is the 29th, 30th or 31st day of a month, and the day does not exist, the time is instead the last day of the month.

22.2 This promise is essential and a breach of it entitles the vendor to *terminate*.

23 Strata or community title
● Definitions and modifications
23.1 This clause applies only if the land (or part of it) is a lot in a strata, neighbourhood, precinct or community scheme (or on completion is to be a lot in a scheme of that kind).

23.2.1 'change', in relation to a scheme, means –
- a registered or registrable change from by-laws set out in this contract;

23.3 Clauses 11, 14.8 and 18.4 do not apply to an obligation of the owners corporation, or to property insurable by it.
23.4 Clauses 14.4.2 and 14.6 apply but on a unit entitlement basis instead of an area basis.
● Adjustments and liability for expenses
23.5 The *parties* must adjust under clause 14.1 –
23.5.1 a regular periodic contribution;
23.5.2 a contribution which is not a regular periodic contribution but is disclosed in this contract; and
23.5.3 on a unit entitlement basis, any amount paid by the vendor for a normal expense of the owners corporation to the extent the owners corporation has not paid the amount to the vendor.

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

23.6 If a contribution is not a regular periodic contribution and is not disclosed in this contract –
23.6.1 the vendor is liable for it if it was determined on or before the contract date, even if it is payable by instalments; and
23.6.2 the purchaser is liable for all contributions determined after the contract date.
23.7 The vendor must pay or allow to the purchaser on completion the amount of any unpaid contributions for which the vendor is liable under clause 23.6.1.

23.8.3 a past or future change in the scheme or a higher scheme.
23.9 However, the purchaser can *rescind* if –
23.9.1 the special expenses of the owners corporation at the later of the contract date and the creation of the owners corporation when calculated on a unit entitlement basis (and, if more than one lot or a higher scheme is involved, added together), less any contribution paid by the vendor, are more than 1% of the price;
23.9.2 in the case of the lot or a relevant lot or former lot in a higher scheme, a proportional unit entitlement for the lot is disclosed in this contract but the lot has a different proportional unit entitlement at the contract date or at any time before completion;
23.9.3 a change before the contract date or before completion in the scheme or a higher scheme materially prejudices the purchaser and is not disclosed in this contract; or
23.9.4 a resolution is passed by the owners corporation before the contract date or before completion to give to the owners in the scheme for their consideration a strata renewal plan that has not lapsed at the contract date and there is not attached to this contract a strata renewal proposal or the strata renewal plan.

23.12 The vendor can complete and send the interest notice as agent for the purchaser.
23.13 The vendor must *serve* at least 7 days before the date for completion, an information certificate for the lot, the scheme or any higher scheme which relates to a period in which the date for completion falls.
23.14 The purchaser does not have to complete earlier than 7 days after *service* of the information certificate and clause 21.3 does not apply to this provision. On completion the purchaser must pay the vendor the prescribed fee for the information certificate.
23.15 The vendor authorises the purchaser to apply for the purchaser's own information certificate.
23.16 The vendor authorises the purchaser to apply for and make an inspection of any record or other document in the custody or control of the owners corporation or relating to the scheme or any higher scheme.

● Meetings of the owners corporation

23.17 If a general meeting of the owners corporation is convened before completion –
23.17.1 if the vendor receives notice of it, the vendor must immediately notify the purchaser of it; and

19.6 to comply with all statutory obligations relating to the health or safety of the residential premises, and

19.7 that a tenant who is the victim of a domestic violence offence or a co-tenant who is under the same agreement as the victim of the domestic violence offence but is not a relevant domestic violence offender is not responsible to the landlord for any act or omission by a co-tenant that is a breach of this agreement if the act or omission constitutes or resulted in damage to the premises and occurred during the commission of a domestic violence offence.

(a) the letting of residential premises, or

(b) the collection of rents payable for any tenancy of residential premises.

LFAI Register means the register of residential premises that contain or have contained loose-fill asbestos insulation that is required to be maintained under Division 1A of Part 8 of the *Home Building Act 1989*.

rental bond means money paid by the tenant as security to carry out this agreement.

residential premises means any premises or part of premises (including any land occupied with the premises) used or intended to be used as a place of residence.

tenancy means the right to occupy residential premises under this agreement.

tenant means the person who has the right to occupy residential premises under this agreement, and includes the person to whom such a right passes by transfer or operation of the law and a sub-tenant of the tenant.

2. Continuation of tenancy (if fixed term agreement)

Once any fixed term of this agreement ends, the agreement continues in force on the same terms as a periodic agreement unless the agreement is terminated by the landlord or the tenant in accordance with the *Residential Tenancies Act 2010* (see notes 3 and 4).

3. Ending this agreement

This agreement may be ended by the landlord or the tenant giving written notice of termination. The tenant may give notice at any time or on certain grounds. The landlord may only give notice on certain grounds. The *Residential Tenancies Act 2010* sets out the grounds on which the landlord and the tenant may end this agreement. The grounds for the landlord ending this agreement include breach of this agreement by the tenant, sale of the residential premises requiring vacant possession, proposed sale of the residential premises, significant renovations or repairs to the residential premises, demolition of the residential premises, the residential premises ceasing to be used as rented residential premises or the landlord or the landlord's family moving into the residential premises. The grounds for the tenant ending this agreement include breach by the landlord of information disclosure provisions under the Act, section 26, breach of this agreement by the landlord or the tenant being in circumstances of domestic violence. Further grounds are set out in the Act, Parts 5 and 7.

4. Notice for ending fixed term agreement

If this agreement is a fixed term agreement, the tenant must give at least 14 days notice to end the agreement. Generally, the landlord must give at least 90 days notice, or at least 60 days notice if the agreement is for a fixed term of 6 months or less. However, the notice period is different for certain grounds for termination.

5. Notice for ending periodic agreement

If this agreement is a periodic agreement, the tenant must give at least 21 days notice to end the agreement. Generally, the landlord must give at least 90 days notice. However, the notice period is different for certain grounds for termination

6. Warning

It is an offence for any person to obtain possession of the residential premises without an order of the Civil and Administrative Tribunal or a judgment or order of a court if the tenant does not willingly move out. A court can order fines and compensation be paid for such an offence. It is an offence for the landlord, or landlord's agent, to give a termination notice on a ground that is not genuine, to provide false or misleading supporting documents or information with a termination notice or, if an exclusion period applies, to enter into a new residential tenancy agreement of the residential premises during the exclusion period.

Tenant Information Statement

What you must know before you start renting

Starting a tenancy

Landlords or agents must give tenants this **Tenant Information Statement** before signing a residential tenancy agreement.

You should read this information statement carefully before you sign a residential tenancy agreement. Ask questions if there is anything in the agreement that you do not understand. Remember, you are entering into a legal contract with no cooling-off period. You want to be certain you understand and agree to what you are signing.

The landlord or agent must:

- ensure the property is vacant, reasonably clean, fit to live in and in good repair at the start of the tenancy
- provide and maintain the property in a reasonable state of repair
- meet health and safety laws (e.g. pool fencing, electrical installations, smoke alarms, window and balcony safety)
- ensure the property is reasonably secure
- respect your privacy and follow entry and notice requirements.

When renting you must:

- pay the rent on time
- keep the property reasonably clean and undamaged and leave it in the same condition it was in when you moved in (fair wear and tear excepted)
- not use the property for anything illegal
- follow the terms of the tenancy agreement
- respect your neighbours' right to peace, comfort and privacy.

What you must be told before you sign an agreement

Sometimes a rental property has something in its history that you should know before you sign an agreement.

The landlord or agent **must tell** you if the property is:

- planned to be sold
- subject to court proceedings where the mortgagee is trying to take possession of the property
- in a strata scheme and a strata renewal committee is currently established for the strata scheme.

The landlord or agent **must tell** you if they are aware that the property:

- has been subject to flooding from a natural weather event or bushfire in the last 5 years
- has significant health or safety risks (unless obvious to a reasonable person when the property is inspected)
- has been the scene of a serious violent crime (e.g. murder or aggravated assault) in the last 5 years
- is listed on the loose-fill asbestos insulation register
- has been used to manufacture or cultivate a prohibited drug or prohibited plant in the last 2 years
- is part of a building where a fire safety or building product rectification order (or a notice of intention to issue one of these orders) has been issued regarding external combustible cladding
- is part of a building where a development or complying development certificate application for rectification has been lodged regarding external combustible cladding
- is in a strata scheme where scheduled rectification work or major repairs will be carried out to common property during the fixed term of the agreement

FT6600_130525

- is affected by zoning or laws that will not allow you to obtain a parking permit, and only paid parking is available in the area
- is provided with any council waste services that are different to other properties in the council area
- has a driveway or walkway that others can legally use.

Penalties apply to landlords or agents if any of the above are not disclosed.

What you must be given before you sign an agreement

Before you sign an agreement or move into the property, the landlord or agent **must give** you:

- a copy of this Tenant Information Statement
- a copy of the proposed tenancy agreement, filled out in the spaces provided
- 2 hard copies, or 1 electronic copy, of the condition report for the property completed by the landlord or agent
- a copy of the by-laws, if the property is in a strata scheme.

What you must be given at the time you sign an agreement

At the time you sign the agreement, the landlord or agent **must give you**:

- for any swimming or spa pools on the property, a valid certificate of compliance or occupation certificate (issued within the last 3 years). This does not apply if you are renting a property in a strata or community scheme that has more than 2 lots.

Before or at the start of the tenancy

The landlord or agent **must give** you:

- the key (or other opening device or information) to open any lock or security device for the rented property or common property, at no cost to you or any tenant named in the agreement.

The **only** costs you can be asked to pay are:

- a holding fee (deposit) of no more than 1 weeks' rent
- up to 2 weeks' rent in advance
- up to 4 weeks' rent for the rental bond
- for agreements of 3 years or more – a fee for registering with NSW Land Registry.

The property must be fit to live in

The property must be reasonably clean, fit to live in and in a reasonable state of repair. To be fit to live in, the property must (at a minimum):

1. be structurally sound
2. have adequate natural or artificial lighting in each room, except storage rooms or garages
3. have adequate ventilation
4. be supplied with electricity or gas, and have enough electricity or gas sockets for lighting, heating and other appliances
5. have adequate plumbing and drainage
6. have a water connection that can supply hot and cold water for drinking, washing and cleaning
7. have bathroom facilities, including toilet and washing facilities, that allow users privacy.

The property could have other issues that may make it unfit for you to live in, even if it meets the above 7 minimum standards. Before you rent the property, you should tell the landlord or agent to take steps (such as make repairs) to make sure the property is fit to live in.

Residential tenancy agreement

The tenancy agreement is a legal agreement. It must include certain terms that cannot be changed or removed. It may also include additional terms. Verbal agreements are still binding on you and the landlord.

FT6600_130525

Condition report

You should have already received a copy of the condition report, completed by the landlord or agent, before you signed the agreement. This is an important piece of evidence and you should take the time to check the condition of the property at the start of the tenancy. If you do not complete the report accurately, money could be taken out of your bond (after you move out) to pay for damage that was already there when you moved in.

You must complete and give a copy of the condition report to your landlord or agent **within 7 days** after moving into the property. You must also keep a copy of the completed report.

Rent, receipts and records

Rent is a regular payment you make to the landlord to be able to live in the property. You cannot be asked to pay more than 2 weeks' rent in advance. Your landlord or agent cannot demand more rent until it is due.

Your landlord or agent can serve you with a 14 days termination notice if you are more than 14 days behind with the rent.

Your landlord or agent must:

- give you rent receipts (unless rent is paid into a bank account)
- keep a record of rent you pay
- give you a copy of the rent record within 7 days of your written request for it.

Rental bonds

The bond is money you may have to pay at the start of the tenancy as security. It must be in the form of money and not as a guarantee. Your landlord or agent can only ask for 1 bond for a tenancy agreement. The bond cannot be more than 4 weeks rent. If the landlord agrees, you can pay the bond in instalments.

Your landlord or agent must give you the option to pay your bond using Rental Bonds Online (RBO). You can use RBO to securely pay your bond direct to NSW Fair Trading using a credit card or BPAY, without the need to fill out and sign a bond lodgement form. Once registered, you can continue to use your RBO account for future tenancies.

If you decide not to use RBO, you can ask your agent or landlord for a paper bond lodgement form for you to sign, so that it can be lodged with NSW Fair Trading. The landlord must deposit any bond you pay them with NSW Fair Trading within 10 working days. If the bond is paid to the agent, the agent must deposit the bond with NSW Fair Trading within 10 working days after the end of the month in which the bond was paid.

Discrimination when applying for rental property

It is against the law for a landlord or agent to discriminate on the grounds of your race, age, disability, gender, sexual orientation, marital status or pregnancy.

If you feel that a landlord or agent has declined your tenancy application or has treated you less favourably because of any of those reasons, you can contact the NSW Anti-Discrimination Board on 1800 670 812 or the Australian Human Rights Commission on 1300 656 419.

It is not against the law if a landlord or agent chooses not to have a tenant who smokes, or has a poor tenancy history or issues with rent payments.

Communicating with your landlord or agent

Your landlord must provide you with their name and a way for you to contact them directly, even if your landlord has an agent.

This information must be given to you in writing before or when you sign the tenancy agreement, or it can be included in the agreement you sign. Your landlord must also let you know, in writing, within 14 days of any changes to their details.

Some formal communication between you and the landlord or agent must be in writing to be valid, for example, termination notices. You can use email to serve notices or other documents but only if the landlord or agent has given you permission to use their nominated email address for this purpose.

FT6600_130525

During the tenancy

Ways you can pay your rent

Your landlord or agent **must** allow you to pay your rent by:

- Electronic bank transfer (such as a funds transfer or BPAY)
- Commonwealth Government's Centrepay (this requirement to start later in 2025).

You may incur costs from your own bank, but your landlord or agent cannot charge or pass on any additional costs incurred by them if you pay your rent by one of the above options. You also **cannot** be required to use a specific service provider (such as an app) to make your payments.

Your landlord or agent can offer other ways for you to pay your rent, but you do not have to agree to these.

Can rent be increased during the tenancy?

Your rent cannot be increased in the first 12 months of your tenancy. After the first year, your landlord or agent can only increase the rent once in every 12-month period, even if your agreement is renewed or your lease type changes. This requirement continues even if the agreement is renewed or replaced as long as:

- the landlord and at least one tenant remains the same in both agreements
- the tenant hasn't moved out between agreements.

You must be given at least 60 days written notice before your rent can be increased.

Paying for electricity, gas and water usage

You may have to pay the cost for certain utilities as set out in the agreement. For example, you will pay for all:

- electricity, non-bottled gas or oil supply charges if the property is separately metered. Some exceptions apply for electricity or gas
- charges for the supply of bottled gas during the tenancy.

There are limits on when you need to pay for water usage charges. You can only be asked to pay for water usage **if** the property is separately metered (or water is delivered by vehicle) and meets the following water efficiency measures:

- all showerheads have a maximum flow rate of 9 litres per minute
- all internal cold-water taps and single mixer taps for kitchen sinks or bathroom hand basins have a maximum flow rate of 9 litres per minute
- any leaking taps or toilets on the property are fixed at the start of the agreement and whenever other water efficiency measures are installed, repaired or upgraded
- toilets are dual flush and have a minimum 3-star WELS rating.

Repairs and maintenance

The property must always be fit for you to live in. The landlord is responsible for any repairs or maintenance, so the property is in a reasonable state of repair. They must also ensure the property meets health and safety laws.

You are responsible for looking after the property and keeping it clean and undamaged. If the property includes a yard, lawns and gardens, you must also keep these areas neat and tidy.

You need to tell your landlord or the agent of any necessary repairs or damage as soon as possible. The landlord is responsible for arranging and paying for the repair costs unless you caused or allowed the damage. You are not responsible for any damage caused by a perpetrator of domestic violence during a domestic violence offence.

If the repair is an **urgent repair** e.g. where there is a burst water service, a blocked or broken toilet, a gas leak or dangerous electrical fault, your landlord or agent should organise these repairs as soon as reasonably possible after being notified. If they do not respond to an urgent repair request, you can arrange the repair yourself and the landlord must repay you up to a maximum amount of $1,000 within 14 days of you requesting payment in writing. A list of **urgent repairs** is available at nsw.gov.au/housing-and-construction/rules/urgent-repairs-residential-rental-properties.

FT6600_130525

You can apply to NSW Fair Trading for a rectification order if your landlord refuses or does not provide and maintain the property in a reasonable state of repair. Similarly, your landlord can apply to NSW Fair Trading for a rectification order if you do not repair damage you have caused or allowed. You can also apply to the NSW Civil and Administrative Tribunal (the Tribunal) for an order if your landlord does not carry out repairs.

Smoke alarms must be working

Landlords must ensure that smoke alarms are installed on all levels of the property. Your landlord must maintain the smoke alarms in your property to ensure they are working.

You should notify your landlord or agent if a smoke alarm is not working. They are responsible for repairing (including replacing a battery) or replacing a smoke alarm within 2 business days after they become aware that it is not working.

You can choose to replace a removable battery if it needs replacing, but you must notify the landlord if and when you do this. You are not responsible for maintaining, repairing or replacing a smoke alarm. However, there are some circumstances where you can arrange for a smoke alarm to be repaired or replaced.

Privacy and access

You have the right to reasonable peace, comfort and privacy when renting. Tenancy laws restrict when and how often your landlord, agent or other authorised person can enter the property during the tenancy. Your landlord, agent or authorised person can enter the property without your consent in certain circumstances if proper notice (if applicable) is provided, for example:

- in an emergency, no notice is necessary
- if the Tribunal orders that access is allowed
- to carry out, or assess the need for, necessary repairs or maintenance of the property, if you have been given at least 2 days' notice
- to carry out urgent repairs, no notice is necessary
- to carry out repairs or replacement of a smoke alarm, if you have been given at least 1 hours' notice
- to inspect or assess the need for repair or replacement of a smoke alarm, if you have been given at least 2 business days' notice
- to carry out a general inspection of the property if you have been given at least 7 days' written notice (no more than 4 inspections are allowed during a 12-month period).

How to keep a pet on the property

You can request to keep a pet on the property by filling out a pet application form and giving it to your landlord or agent. Your landlord or agent must respond within 21 days of receiving the form. If they don't respond within this time, you can keep the pet.

Landlords or agents can only refuse consent for a pet if:

- there would be more than four animals on the property, and the number of animals is unreasonable
- the property is not suitable for the animal due to fencing, lack of open space or because it will harm the animal's welfare
- the animal is very likely to cause more damage than could be repaired using the bond
- the landlord lives at the property
- keeping the animal would break other laws, local council rules, strata or community scheme by-laws, or a residential community rule
- you did not agree to a reasonable condition on keeping the animal on the property.

There are limits on what kinds of conditions a landlord or agent can set for your pet. For example, landlords or agents cannot require an increased bond or rent as a condition. Acceptable conditions may include requiring professional carpet cleaning and pest control.

If you disagree with the landlord or agent's decision or believe the condition for consent was unreasonable, you can apply to the Tribunal to challenge this.

However, if you live in purpose-built student accommodation, your landlord can refuse a pet without a specific reason.

How to make 'minor' changes to the property

You can only make minor changes to the property with your landlord's written consent, or if the agreement allows it. Your landlord can only refuse your request if it is reasonable to do so e.g. if the work involves structural changes or is inconsistent with the nature of the property.

There are certain types of 'minor' changes where it would be unreasonable for your landlord to refuse consent. For example:

- secure furniture to a non-tiled wall for safety reasons
- fit a childproof latch to an outdoor gate in a single dwelling
- insert fly screens on windows
- install or replace internal window covering (e.g. curtains)
- install cleats or cord guides to secure blind or curtain cords
- install child safety gates inside the property
- install window safety devices for child safety (non-strata only)
- install hand-held shower heads or lever-style taps to assist elderly or disabled occupants
- install or replace hooks, nails or screws for hanging pictures etc.
- install a phone line or internet connection • plant vegetables, flowers, herbs or shrubs in the garden • install wireless removable outdoor security camera
- apply shatter-resistant film to window or glass doors
- make changes that don't penetrate a surface, or permanently modify a surface, fixture or structure of the property.

Some exceptions apply. The landlord can also require that certain minor changes be carried out by a qualified person.

You will be responsible for paying for the changes and for any damage you cause to the property. Certain rules apply for removing any modifications at the end of the tenancy.

Your rights in circumstances of domestic violence

Every person has the right to feel safe and live free from domestic violence. If you or your dependent child are experiencing domestic violence in a rental property, there are options available to you to improve your safety.

If you or your dependent child need to escape violence, you can end your tenancy immediately, without penalty.

Or, if you wish to stay in your home, you can apply to the Tribunal for an order to end the tenancy of the perpetrator (if they are another co-tenant).

A tenant or any innocent co-tenant is not liable for property damage caused by the perpetrator of violence during a domestic violence offence.

More information about dealing with domestic violence in a rental property is available on nsw.gov.au/renting-domestic-violence.

Ending the tenancy

Termination notice must be given

A tenancy agreement is a legally binding agreement that can only be ended in certain ways. A tenancy will usually be ended by you or your landlord giving notice to the other party and you vacating on or by the date specified in the notice.

If you are ending a tenancy, you need to give the landlord or agent a written termination notice with the applicable notice period. In some cases, you can apply directly to the Tribunal for a termination order without issuing a termination notice (for example if you are experiencing hardship).

If your landlord or agent is ending a tenancy, they need to give you a written termination notice in most cases. The notice must include the reason for ending the tenancy. The amount of notice you must be given will depend on the reason used. A **Termination Information Statement** must be provided with the termination notice.

FT6600_130525

If you do not leave by the date specified in the termination notice, the landlord or agent can apply to the Tribunal for termination and possession orders. If you do not comply with the Tribunal order, a Sheriff's Officer can legally remove you from the property under a warrant for possession.

You cannot be locked out of your home under any circumstances unless a Sheriff's Officer is enforcing a warrant for possession issued by the Tribunal or a court.

Ending a tenancy in circumstances of domestic violence

If you or your dependent child are in circumstances of domestic violence, you can end your tenancy immediately, without penalty. To do this you must give your landlord a domestic violence termination notice with the relevant evidence and give a domestic violence termination notice to any co-tenants.

These notices do not need to be given in person. No minimum notice period applies to a domestic violence termination notice, but it must include a termination date that is on or after the day the notice is given. If you end your tenancy by issuing a domestic violence termination notice, you cannot be listed on a tenant database.

More information about ending a tenancy due to domestic violence is available on nsw.gov.au/renting-domestic-violence.

Break fee for ending a fixed term agreement early

If you decide to end a fixed term agreement early, and the agreement is for 3 years or less, you will need to pay a break fee. The amount of the break fee will depend on how far into your lease you are when you end it. For example, the fee will be:

- 4 weeks rent if you are less than 25% through the term of your lease
- 3 weeks rent if you are at least 25% but less than halfway through the term of your lease
- 2 weeks rent if you are at least halfway but less than 75% through the term of your lease
- 1 weeks rent if you are at least 75% through the term of your lease.

The break fee does not apply if you end the agreement early for certain reasons allowed under the Act, such as when you or your dependent child are in circumstances of domestic violence.

The break fee also does not apply if your landlord gives you a termination notice, and you decide to leave before the termination date. However, to do this you must give the landlord an early exit notice with the date you will leave, and give at least 14 days' notice before you move out.

Getting the rental bond returned

You should receive the bond in full at the end of the tenancy unless there is a reason for the landlord to make a claim against the bond. The landlord can claim the bond if:

- rent or other charges (e.g. unpaid water usage bills, break fee) are owing
- copies of the keys were not given back and the locks needed to be changed
- you caused damage or did not leave the property in a reasonably clean condition compared to the original condition report, apart from 'fair wear and tear'.

You are not liable for fair wear and tear to the property that occurs over time with the use of the property, even when the property receives reasonable care and maintenance.

The condition report can be used to compare the state of the property at the start and end of the tenancy.

Top tips for problem-free renting

Some useful tips to help avoid problems when renting:

- Keep a copy of your agreement, condition report, rent receipts, Rental Bond Number and copies of letters/ emails you send or receive in a safe place where you can easily find them later.
- Photos are a great way to record the condition of the property when you first move in. Take date-stamped photos of the property, especially areas that are damaged or unclean. Keep these photos in case the landlord objects to returning your bond at the end of your tenancy.
- Comply with the terms of your agreement and never stop paying your rent, even if you don't think the landlord is complying with their side of the agreement (e.g. by failing to do repairs). You could end up being evicted if you do.
- Never make any changes to the property, or let other people move in without asking the landlord or agent for permission first.
- Keep a written record of your dealings with the landlord or agent (for example by keeping copies of emails or a diary record of your conversations, including the times and dates, who you spoke to and what they agreed to do). It is helpful to have any agreements in writing, for example requests for repairs. This is a useful record and can also assist if there is a dispute.
- Consider taking out home contents insurance to cover your belongings in case of theft, fires and natural disasters. The landlord's building insurance, if they have it, will not cover your belongings.
- If the property has a pool or garden, be clear about what the landlord or agent expects you to do to maintain them.
- Be careful with what you sign relating to your tenancy and do not let anybody rush you. Never sign a blank form, such as a 'Claim for refund of bond' form.
