18. ELECTRONIC SETTLEMENT

- 18.1 Settlement and lodgement of the instruments necessary to record the purchaser as registered proprietor of the land will be conducted electronically in accordance with the Electronic Conveyancing National Law. This general condition 18 has priority over any other provision of this contract to the extent of any inconsistency.

 - (c) conduct the transaction in accordance with the Electronic Conveyancing National Law.
- 18.4 The vendor must open the electronic workspace ("workspace") as soon as reasonably practicable and nominate a date and time for settlement. The inclusion of a specific date and time for settlement in a workspace is not of itself a promise to settle on that date or at that time. The workspace is an electronic address for the service of notices and for written communications for the purposes of any electronic transactions legislation.
- 18.5 This general condition 18.5 applies if there is more than one electronic lodgement network operator in respect of the transaction. In this general condition 18.5 "the transaction" means this sale and purchase and any associated transaction involving any of the same subscribers.

To the extent that any interoperability rules governing the relationship between electronic lodgement network operators do not provide otherwise:

- (b) if two or more electronic lodgement network operators meet that description, one may be selected by purchaser's incoming mortgagee having the highest priority but if there is no mortgagee of the purchaser, the vendor must make the selection.

18.6 Settlement occurs when the workspace records that:

- (a) there has been an exchange of funds or value between the exchange settlement account or accounts in the Reserve Bank of Australia of the relevant financial institutions or their financial settlement agents in accordance with the instructions of the parties; or
- (b) if there is no exchange of funds or value, the documents necessary to enable the purchaser to become registered proprietor of the land have been accepted for electronic lodgement.

18.7 The parties must do everything reasonably necessary to effect settlement:

- (a) electronically on the next business day, or
- (b) at the option of either party, otherwise than electronically as soon as possible –

if, after the locking of the workspace at the nominated settlement time, settlement in accordance with general condition 18.6 has not occurred by 4.00pm, or 6.00pm if the nominated time for settlement is after 4.00pm.

18.8 Each party must do everything reasonably necessary to assist the other party to trace and identify the recipient of any missing or mistaken payment and to recover the missing or mistaken payment.

18.9 The vendor must before settlement:

- (a) deliver any keys, security devices and codes ("keys") to the estate agent named in the contract,
- (b) direct the estate agent to give keys to the purchaser or the purchaser's nominee on notification of settlement by the vendor, the vendor's subscriber or the electronic lodgement network operator;
- (c) deliver all other physical documents and items (other than the goods sold by the contract) to which the purchaser is entitled at settlement, and any keys if not delivered to the estate agent, to the vendor's subscriber or, if there is no vendor's subscriber, confirm in writing to the purchaser that the vendor holds those documents, items and keys at the vendor's address set out in the contract, and

give, or direct its subscriber to give, all those documents and items and any such keys to the purchaser or the purchaser's nominee on notification by the electronic lodgement network operator of settlement.

- (c) the particulars of sale specify that the supply made under this contract is of land on which a 'farming business' is carried on and the supply (or part of it) does not satisfy the requirements of section 38-480 of the GST Act; or
- (d) the particulars of sale specify that the supply made under this contract is of a going concern and the supply (or a part of it) does not satisfy the requirements of section 38-325 of the GST Act.

19.3 The purchaser is not obliged to pay any GST under this contract until a tax invoice has been given to the purchaser, unless the margin scheme applies.

19.4 If the particulars of sale specify that the supply made under this contract is of land on which a 'farming business' is carried on:

- (a) the vendor warrants that the property is land on which a farming business has been carried on for the period of 5 years preceding the date of supply; and
- (b) the purchaser warrants that the purchaser intends that a farming business will be carried on after settlement on the property.

- (a) 'GST Act' means *A New Tax System (Goods and Services Tax) Act 1999* (Cth); and
- (b) 'GST' includes penalties and interest.

20.1 If the particulars of sale specify that this contract is subject to a loan being approved, this contract is subject to the lender approving the loan on the security of the property by the approval date or any later date allowed by the vendor.

20.2 The purchaser may end the contract if the loan is not approved by the approval date, but only if the purchaser:

- (a) immediately applied for the loan; and
- (b) did everything reasonably required to obtain approval of the loan; and
- (c) serves written notice ending the contract, together with written evidence of rejection or non-approval of the loan, on the vendor within 2 clear business days after the approval date or any later date allowed by the vendor; and
- (d) is not in default under any other condition of this contract when the notice is given.

- (c) is not then in default.

21.3 All money paid must be immediately refunded to the purchaser if the contract ends in accordance with this general condition.

21.4 A notice under this general condition may be served on the vendor's legal practitioner, conveyancer or estate agent even if the estate agent's authority has formally expired at the time of service.

21.5 The registered building practitioner may inspect the property at any reasonable time for the purpose of preparing the report.

- (c) is not then in default.

22.3 All money paid must be immediately refunded to the purchaser if the contract ends in accordance with this general condition.

22.4 A notice under this general condition may be served on the vendor's legal practitioner, conveyancer or estate agent even if the estate agent's authority has formally expired at the time of service.

22.5 The pest control operator may inspect the property at any reasonable time for the purpose of preparing the report.

23. ADJUSTMENTS

23.1 The periodic outgoings payable by the vendor, and any rent and other income received in respect of the property must be apportioned between the parties on the settlement date and any adjustments paid and received as appropriate.

- (b) the amount described in a written notice given by the vendor to the purchaser under section 14-255 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) is the correct amount required to be paid under section 14-250 of the legislation.

25.12 The purchaser is responsible for any penalties or interest payable to the Commissioner on account of non-payment or late payment of the amount, except to the extent that:

SCHEDULE 5

Regulation 6

INFORMATION CONCERNING THE CONDUCT OF PUBLIC AUCTIONS OF LAND

Meaning of vendor

The vendor is the person who is selling the property that is being auctioned. There may be more than one vendor. Where there are two or more vendors, they are selling the property as co-owners.

Bidding by co-owners

Where there are two or more vendors of the property, one or some or all of them may bid to purchase the property from their co-owners. The vendor or vendors intending to bid to purchase the property can make these bids themselves, or through a representative, but not through the auctioneer.

Vendor bids

The law of Victoria allows vendors to choose to have bids made for them by the auctioneer. If this is the case, it will be stated as the first rule applying to the auction. However, these bids cannot be made for a co-owner intending to bid to purchase the property from their co-owner or co-owners.

The auctioneer can only make a vendor bid if—

- the auctioneer declares before bidding starts that the auctioneer can make bids on behalf of a vendor, and states how these bids will be made; and
 - the auctioneer states when making the bid that it is a bid for the vendors. The usual way for an auctioneer to indicate that the auctioneer is making a vendor bid is to say "vendor bid" in making the bid.
-

What rules and conditions apply to the auction?

Different rules apply to an auction depending upon whether there are any co-owners intending to bid to purchase the property from their co-owners, and whether vendor bids can be made. The auctioneer must display the rules that apply at the auction.

It is possible that a vendor may choose to have additional conditions apply at the auction. This is only allowed if those additional conditions do not conflict with the rules that apply to the auction or any other legal requirement. The additional conditions are usually contained in the contract of sale.

Copies of the rules

The law requires that a copy of the rules and conditions that are to apply to a public auction of land be made available for public inspection a reasonable time before the auction starts and in any case not less than 30 minutes before the auction starts.

Questions

A person at a public auction of land may ask the auctioneer in good faith a reasonable number of questions about the property being sold, the contract of sale, the rules under which the auction is being conducted and the conduct of the auction.

Forbidden activities at auctions

The law forbids any of the following—

- any person bidding for a vendor other than—
 - the auctioneer (who can only make bids for a vendor who does not intend to purchase the property from their co-owner or co-owners); or
 - a representative of a vendor who is a co-owner of the property wishing to purchase the property from their co-owner or co-owners;

- the auctioneer taking any bid that the auctioneer knows was made on behalf of the vendor, unless it is made by a vendor (or their representative) who is a co-owner wishing to purchase the property;
- the auctioneer acknowledging a bid if no bid was made;
- any person asking another person to bid on behalf of the vendor, other than a vendor who is a co-owner engaging a representative to bid for them;
- any person falsely claiming or falsely acknowledging that they made a bid;
- an intending bidder (or a person acting on behalf of an intending bidder) harassing or interfering with other bidders at a public auction of land.

Substantial penalties apply to any person who does any of the things in this list.

Who made the bid?

At any time during a public auction of land, a person at the auction may ask the auctioneer to indicate who made a bid. Once such a request has been made, the auctioneer is obliged by law to comply with such a request before taking another bid.

It is an offence to disrupt an auction

The law forbids an intending bidder or a person acting on behalf of an intending bidder from doing any thing with the intention of preventing or causing a major disruption to, or causing the cancellation of, a public auction of land.

The cooling off period does not apply to public auctions of land

If you purchase a property that has been offered for sale by public auction either at the auction or within 3 clear business days before or after the auction, there is no cooling off period.

What law applies

The information in this document is only intended as a brief summary of the law that applies to public auctions of land in Victoria. Most of the laws referred to in this document can be found in the **Sale of Land Act 1962** or the Sale of Land (Public Auctions) Regulations 2014. Notes to Certificate - Land Tax

Certificate No: 81436511

Power to issue Certificate

1. Pursuant to section 95AA of the *Taxation Administration Act 1997*, the Commissioner of State Revenue must issue a Property Clearance Certificate (Certificate) to an owner, mortgagee or bona fide purchaser of land who makes an application specifying the land for which the Certificate is sought and pays the application fee.

Amount shown on Certificate

2. The Certificate shows any land tax (including Vacant Residential Land Tax, interest and penalty tax) that is due and unpaid on the land described in the Certificate at the date of issue. In addition, it may show:
 - Land tax that has been assessed but is not yet due,
 - Land tax for the current tax year that has not yet been assessed, and
 - Any other information that the Commissioner sees fit to include, such as the amount of land tax applicable to the land on a single holding basis and other debts with respect to the property payable to the Commissioner.

Land tax is a first charge on land

3. Unpaid land tax (including Vacant Residential Land Tax, interest and penalty tax) is a first charge on the land to which it relates. This means it has priority over any other encumbrances on the land, such as a mortgage, and will continue as a charge even if ownership of the land is transferred. Therefore, a purchaser may become liable for any such unpaid land tax.

Information for the purchaser

4. Pursuant to section 96 of the *Land Tax Act 2005*, if a purchaser of the land described in the Certificate has applied for and obtained a certificate, the amount recoverable from the purchaser by the Commissioner cannot exceed the amount set out in the certificate, described as the "Current Land Tax Charge" overleaf. A purchaser cannot rely on a Certificate obtained by the vendor.

Information for the vendor

5. Despite the issue of a Certificate, the Commissioner may recover a land tax liability from a vendor, including any amount identified on this Certificate.

Apportioning or passing on land tax to a purchaser

6. A vendor is prohibited from apportioning or passing on land tax to a purchaser under a contract of sale of land entered into on or after 1 January 2024, where the purchase price is less than \$10 million (to be indexed annually from 1 January 2025, as set out on the website for Consumer Affairs Victoria).

General information

7. A Certificate showing no liability for the land does not mean that the land is exempt from land tax. It means that there is nothing to pay at the date of the Certificate.
8. An updated Certificate may be requested free of charge via our website, if:
 - The request is within 90 days of the original Certificate's issue date, and
 - There is no change to the parties involved in the transaction for which the Certificate was originally requested.

Notes to Certificate - Commercial and Industrial Property Tax

Certificate No: 81436511

Power to issue Certificate

1. Pursuant to section 95AA of the *Taxation Administration Act 1997*, the Commissioner of State Revenue must issue a Property Clearance Certificate (Certificate) to an owner, mortgagee or bona fide purchaser of land who makes an application specifying the land for which the Certificate is sought and pays the application fee.

Amount shown on Certificate

2. The Certificate shows any commercial and industrial property tax (including interest and penalty tax) that is due and unpaid on the land described in the Certificate at the date of issue.

Australian Valuation Property Classification Code (AVPCC)

3. The Certificate may show one or more AVPCC in respect of land described in the Certificate. The AVPCC shown on the Certificate is the AVPCC allocated to the land in the most recent of the following valuation(s) of the land under the *Valuation of Land Act 1960*:
 - a general valuation of the land;
 - a supplementary valuation of the land returned after the general valuation.
4. The AVPCC(s) shown in respect of land described on the Certificate can be relevant to determine if the land has a qualifying use, within the meaning given by section 4 of the *Commercial and Industrial Property Tax Reform Act 2024* (CIPT Act). Section 4 of the CIPT Act Land provides that land will have a qualifying use if:
 - the land has been allocated one, or more than one, AVPCC in the latest valuation, all of which are in the range 200-499 and/or 600-699 in the Valuation Best Practice Specifications Guidelines (the requisite range);
 - the land has been allocated more than one AVPCC in the latest valuation, one or more of which are inside the requisite range and one or more of which are outside the requisite range, and the land is used solely or primarily for a use described in an AVPCC in the requisite range; or
 - the land is used solely or primarily as eligible student accommodation, within the meaning of section 3 of the CIPT Act.

Commercial and industrial property tax information

5. If the Commissioner has identified that land described in the Certificate is tax reform scheme land within the meaning given by section 3 of the CIPT Act, the Certificate may show in respect of the land:
 - the date on which the land became tax reform scheme land;
 - whether the entry interest (within the meaning given by section 3 of the Duties Act 2000) in relation to the tax reform scheme land was a 100% interest (a whole interest) or an interest of less than 100% (a partial interest); and
 - the date on which the land will become subject to the commercial and industrial property tax.
6. A Certificate that does not show any of the above information in respect of land described in the Certificate does not mean that the land is not tax reform scheme land. It means that the Commissioner has not identified that the land is tax reform scheme land at the date of issue of the Certificate. The Commissioner may identify that the land is tax reform scheme land after the date of issue of the Certificate.

Change of use of tax reform scheme land

7. Pursuant to section 34 of the CIPT Act, an owner of tax reform scheme land must notify the Commissioner of certain changes of use of tax reform scheme land (or part of the land) including if the actual use of the land changes to a use not described in any AVPCC in the range 200-499 and/or 600-699. The notification

must be given to the Commissioner within 30 days of the change of use.

Commercial and industrial property tax is a first charge on land

8. Commercial and industrial property tax (including any interest and penalty tax) is a first charge on the land to which the commercial and industrial property tax is payable. This means it has priority over any other encumbrances on the land, such as a mortgage, and will continue as a charge even if ownership of the land is transferred. Therefore, a purchaser may become liable for any unpaid commercial and industrial property tax.

Information for the purchaser

9. Pursuant to section 27 of the CIPT Act, if a bona fide purchaser for value of the land described in the Certificate applies for and obtains a Certificate in respect of the land, the maximum amount recoverable from the purchaser is the amount set out in the Certificate. A purchaser cannot rely on a Certificate obtained by the vendor.

Information for the vendor

10. Despite the issue of a Certificate, the Commissioner may recover a commercial and industrial property tax liability from a vendor, including any amount identified on this Certificate.

Passing on commercial and industrial property tax to a purchaser

11. A vendor is prohibited from apportioning or passing on commercial and industrial property tax to a purchaser under a contract of sale of land entered into on or after 1 July 2024 where the purchase price is less than \$10 million (to be indexed annually from 1 January 2025, as set out on the website for Consumer Affairs Victoria).

General information

12. Land enters the tax reform scheme if there is an entry transaction, entry consolidation or entry subdivision in respect of the land (within the meaning given to those terms in the CIPT Act). Land generally enters the reform on the date on which an entry transaction occurs in respect of the land (or the first date on which land from which the subject land was derived (by consolidation or subdivision) entered the reform).
13. The Duties Act includes exemptions from duty, in certain circumstances, for an eligible transaction (such as a transfer) of tax reform scheme land that has a qualifying use on the date of the transaction. The exemptions apply differently based on whether the entry interest in relation to the land was a whole interest or a partial interest. For more information, please refer to www.sro.vic.gov.au/CIPT.
14. A Certificate showing no liability for the land does not mean that the land is exempt from commercial and industrial property tax. It means that there is nothing to pay at the date of the Certificate.
15. An updated Certificate may be requested free of charge via our website, if:
 - the request is within 90 days of the original Certificate's issue date, and
 - there is no change to the parties involved in the transaction for which the Certificate was originally requested.

Passing on windfall gains tax to a purchaser

8. A vendor is prohibited from passing on a windfall gains tax liability to a purchaser where the liability has been assessed under a notice of assessment as at the date of the contract of sale of land or option agreement. This prohibition does not apply to a contract of sale entered into before 1 January 2024, or a contract of sale of land entered into on or after 1 January 2024 pursuant to the exercise of an option granted before 1 January 2024.

Council has complied with the Victorian Government's rate cap of 2.75%. The cap applies to the average annual increase of rates and charges. The rates and charges for your property may have increased or decreased by a different percentage amount for the following reasons:

- the valuation of your property relative to the valuation of other properties in the municipality
- the application of any differential rate by Council
- the inclusion of other rates and charges not covered by the Victorian Government's rate cap.

Fire Services Property Levy

Council must collect the Fire Services Property Levy on behalf of the Victorian Government. If the leviable land is rateable land, or if it is classed as residential but is not rateable land, you may apply for a waiver, deferral, or concession in accordance with sections 27 and 28 of the *Fire Services Property Levy Act 2012*.

A property is allocated an Australian Valuation Property Classification Code (AVPCC) to determine the land use classification for Fire Services Property Levy purposes.

Pension rebate

Ratepayers who hold a Pension Concession Card or certain cards issued by Department of Veterans' Affairs may be entitled to a rate rebate on their main place of residence. Application forms are available at whittlesea.vic.gov.au or by calling 9217 2170. Health care cards are not accepted.

Farm land and single farming enterprise

For a property to be rated as 'farm land', an application form must be submitted to Council for review. Application forms are available at the Council Offices or at whittlesea.vic.gov.au

You may also apply for a single farm enterprise exemption in accordance with section 9 of the *Fire Services Property Levy Act 2012*.

Objection to the valuation

The values shown on this notice were assessed as at 1 January 2024 by the Valuer General Victoria. Objections to the valuation of your property (including the AVPCC) can be made under section 17 of the *Valuation of Land Act 1960*. Objection must be lodged within two months of this notice or Supplementary Notice being issued and can be lodged online at ratingvaluationobjections.vic.gov.au

Regardless of an objection being lodged, the rates and charges as assessed must be paid by the due dates to avoid penalty interest. Any overpayments will be refunded. These valuations may be used by other authorities. The State Revenue Office uses the site value in assessing Land Tax. Contact the State Revenue Office for more information.

Objection to a rate or charge

You can object to a rate or charge by appealing to the County Court under section 184 of the *Local Government Act 1989*. Any appeal must be lodged within 60 days of the date of issue of this notice. You may only appeal on one or more of the following grounds:

- that the land is not rateable land (this is not applicable to special rates)
- that the rate or charge assessment was calculated incorrectly
- that the person rated is not liable to be rated.

Change of name/address

It is the responsibility of the owner/s to immediately notify Council in writing of any changes of name and/or address for this property.

Due Diligence Checklist

What you need to know before buying a residential property

Before you buy a home, you should be aware of a range of issues that may affect that property and impose restrictions or obligations on you, if you buy it. This checklist aims to help you identify whether any of these issues will affect you. The questions are a starting point only and you may need to seek professional advice to answer some of them. You can find links to organisations and web pages that can help you learn more, by visiting consumer.vic.gov.au/duediligencechecklist.

Urban living

Moving to the inner city?

High density areas are attractive for their entertainment and service areas, but these activities create increased traffic as well as noise and odours from businesses and people. Familiarising yourself with the character of the area will give you a balanced understanding of what to expect.

Is the property subject to an owners corporation?

If the property is part of a subdivision with common property such as driveways or grounds, it may be subject to an owners corporation. You may be required to pay fees and follow rules that restrict what you can do on your property, such as a ban on pet ownership.

Growth areas

Are you moving to a growth area?

You should investigate whether you will be required to pay a growth areas infrastructure contribution.

Flood and fire risk

Does this property experience flooding or bushfire?

Properties are sometimes subject to the risk of fire and flooding due to their location. You should properly investigate these risks and consider their implications for land management, buildings and insurance premiums.

Rural properties

Moving to the country?

If you are looking at property in a rural zone, consider:

- Is the surrounding land use compatible with your lifestyle expectations? Farming can create noise or odour that may be at odds with your expectations of a rural lifestyle.
- Are you considering removing native vegetation? There are regulations which affect your ability to remove native vegetation on private property.
- Do you understand your obligations to manage weeds and pest animals?
- Can you build new dwellings?
- Does the property adjoin crown land, have a water frontage, contain a disused government road, or are there any crown licences associated with the land?

Is there any earth resource activity such as mining in the area?

You may wish to find out more about exploration, mining and quarrying activity on or near the property and consider the issue of petroleum, geothermal and greenhouse gas sequestration permits, leases and licences, extractive industry authorisations and mineral licences.

Soil and groundwater contamination

Has previous land use affected the soil or groundwater?

You should consider whether past activities, including the use of adjacent land, may have caused contamination at the site and whether this may prevent you from doing certain things to or on the land in the future.

Land boundaries

Do you know the exact boundary of the property?

You should compare the measurements shown on the title document with actual fences and buildings on the property, to make sure the boundaries match. If you have concerns about this, you can speak to your lawyer or conveyancer, or commission a site survey to establish property boundaries.

Planning controls

Can you change how the property is used, or the buildings on it?

All land is subject to a planning scheme, run by the local council. How the property is zoned and any overlays that may apply, will determine how the land can be used. This may restrict such things as whether you can build on vacant land or how you can alter or develop the land and its buildings over time.

The local council can give you advice about the planning scheme, as well as details of any other restrictions that may apply, such as design guidelines or bushfire safety design. There may also be restrictions – known as encumbrances – on the property's title, which prevent you from developing the property. You can find out about encumbrances by looking at the section 32 statement.

Are there any proposed or granted planning permits?

The local council can advise you if there are any proposed or issued planning permits for any properties close by. Significant developments in your area may change the local 'character' (predominant style of the area) and may increase noise or traffic near the property.

Safety

Is the building safe to live in?

Building laws are in place to ensure building safety. Professional building inspections can help you assess the property for electrical safety, possible illegal building work, adequate pool or spa fencing and the presence of asbestos, termites, or other potential hazards.

Building permits

Have any buildings or retaining walls on the property been altered, or do you plan to alter them?

There are laws and regulations about how buildings and retaining walls are constructed, which you may wish to investigate to ensure any completed or proposed building work is approved. The local council may be able to give you information about any building permits issued for recent building works done to the property, and what you must do to plan new work. You can also commission a private building surveyor's assessment.

Are any recent building or renovation works covered by insurance?

Ask the vendor if there is any owner-builder insurance or builder's warranty to cover defects in the work done to the property.

Utilities and essential services

Does the property have working connections for water, sewerage, electricity, gas, telephone and internet?

Unconnected services may not be available, or may incur a fee to connect. You may also need to choose from a range of suppliers for these services. This may be particularly important in rural areas where some services are not available.

Buyers' rights

Do you know your rights when buying a property?

The contract of sale and section 32 statement contain important information about the property, so you should request to see these and read them thoroughly. Many people engage a lawyer or conveyancer to help them understand the contracts and ensure the sale goes through correctly. If you intend to hire a professional, you should consider speaking to them before you commit to the sale. There are also important rules about the way private sales and auctions are conducted. These may include a cooling-off period and specific rights associated with 'off the plan' sales. The important thing to remember is that, as the buyer, you have rights
