Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

The property is a unique waterfront holding with characteristics that are not readily comparable to other properties sold within the relevant period. Due to its location, waterfront position and individual property attributes, there were fewer than three sales considered sufficiently comparable to provide a reliable basis for determining the estimated selling price.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
