Reason there are fewer than three comparable properties

☐ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There were less than 3 comparables as there had been no other comparables that had sold within 2km of this location in the last 6 months with a similar price range, quality/standard of build & finishes.

The closest in terms of build quality was 23b Stanley St but that was a North facing backyard (more sought after) and arguably better location & better finished than First Street (that had some challenges in terms of narrow street/congested, Southern orientation, steep gradient driveway that bottomed out alot of cars when trying to drive into garaging, landscaping not established and no lighting or pathways at front of home affected its value with buyers)

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
