ZONES

8.0 - General Residential

To provide for residential use or development that accommodates a range of dwelling types where full infrastructure services are available or can be provided. To provide for the efficient utilisation of available social, transport and other service infrastructure. To provide for non-residential use that: (a) primarily serves the local community; and (b) does not cause an unreasonable loss of amenity through scale, intensity, noise, activity outside of business hours, traffic generation and movement, or other off site impacts. To provide for Visitor Accommodation that is compatible with residential character.

TPS General Residential Zone
