IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

WARNING—SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

WARNING—LOOSE-FILL ASBESTOS INSULATION

Before purchasing land that includes any residential premises (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*) built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*). In particular, a purchaser should:

- (a) search the Register required to be maintained under Division 1A of Part 8 of the *Home Building Act 1989*, and
- (b) ask the relevant local council whether it holds any records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation (including areas in which residential premises have been identified as containing loose-fill asbestos insulation), contact NSW Fair Trading.

COOLING OFF PERIOD (PURCHASER'S RIGHTS)

1. This is the statement required by section 66X of the *Conveyancing Act 1919* and applies to a contract for the sale of residential property.
2. **EXCEPT** in the circumstances listed in paragraph 3, the purchaser may rescind the contract at any time before 5 pm on—
 - (a) the tenth business day after the day on which the contract was made—in the case of an off the plan contract, or
 - (b) the fifth business day after the day on which the contract was made—in any other case.
3. There is **NO COOLING OFF PERIOD**:
 - (a) if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act, or
 - (b) if the property is sold by public auction, or
 - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or
 - (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under section 66ZG of the Act.
4. A purchaser exercising the right to cool off by rescinding the contract will forfeit to the vendor 0.25% of the purchase price of the property. The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.

DISPUTES

If you get into a dispute with the other party, the Law Society and Real Estate Institute encourage you to use informal procedures such as negotiation, independent expert appraisal, the Law Society Conveyancing Dispute Resolution Scheme or mediation (for example mediation under the Law Society Mediation Program).

AUCTIONS

Regulations made under the Property, Stock and Business Agents Act 2002 prescribe a number of conditions applying to sales by auction.

- 11 Compliance with work orders**
- 11.1 *Normally*, the vendor must by completion comply with a *work order* made on or before the contract date and if this contract is completed the purchaser must comply with any other *work order*.
- 11.2 If the purchaser complies with a *work order*, and this contract is *rescinded* or *terminated*, the vendor must pay the expense of compliance to the purchaser.
- 12 Certificates and inspections**
- The vendor must do everything reasonable to enable the purchaser, subject to the rights of any tenant –
- 12.1 to have the *property* inspected to obtain any certificate or report reasonably required;
- 12.2 to apply (if necessary in the name of the vendor) for –
- 12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or
- 12.2.2 a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and
- 12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.
- 13 Goods and services tax (GST)**
- 13.1 Terms used in this clause which are not defined elsewhere in this contract and have a defined meaning in the *GST Act* have the same meaning in this clause.
- 13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.
- 13.3 If under this contract a *party* must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7) –
- 13.3.1 the *party* must adjust or pay on completion any GST added to or included in the expense; but
- 13.3.2 the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and
- 13.3.3 if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the *GST rate*.
- 13.4 If this contract says this sale is the supply of a going concern –
- 13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;
- 13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;
- 13.4.3 if the purchaser is not registered by the date for completion, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows –
- if *within* 3 months of completion the purchaser *serves* a letter from the Australian Taxation Office stating the purchaser is registered with a date of effect of registration on or before completion, the *depositholder* is to pay the retention sum to the purchaser; but
 - if the purchaser does not *serve* that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and
- 13.4.4 if the vendor, despite clause 13.4.1, *serves* a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.
- 13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.
- 13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.
- 13.7 If this contract says the sale is not a taxable supply –
- 13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and
- 13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –
- a breach of clause 13.7.1; or
 - something else known to the purchaser but not the vendor.
- 13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –

- 13.9 If this contract says this sale is a taxable supply to an extent –
- 13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and
- 13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.
- 13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.
- 13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.
- 13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.
- 13.13 If the purchaser must make a *GSTRW payment* the purchaser must –
- 13.13.1 at least 5 days before the date for completion, *serve* evidence of submission of a *GSTRW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under clause 4.3 has been *served*, by the transferee named in the transfer *served* with that direction;
- 13.13.2 produce on completion a *settlement cheque* for the *GSTRW payment* payable to the Deputy Commissioner of Taxation;
- 13.13.3 forward the *settlement cheque* to the payee immediately after completion; and
- 13.13.4 *serve* evidence of receipt of payment of the *GSTRW payment* and a copy of the settlement date confirmation form submitted to the Australian Taxation Office.

14 Adjustments

- 14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax, levies and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.
- 14.2 The *parties* must make any necessary adjustment on completion.
- 14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.
- 14.4 The *parties* must not adjust surcharge land tax (as defined in the Land Tax Act 1956) but must adjust any other land tax for the year current at the *adjustment date* –
- 14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;
- 14.4.2 by adjusting the amount that would have been payable if at the start of the year –
- the person who owned the land owned no other land;
 - the land was not subject to a special trust or owned by a non-concessional company; and
 - if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.
- 14.5 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.
- 14.6 *Normally*, the vendor can direct the purchaser to produce a *settlement cheque* on completion to pay an amount adjustable under this contract and if so –
- 14.6.1 the amount is to be treated as if it were paid; and
- 14.6.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).
- 14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.
- 14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

- 18.6 If this contract is *rescinded* or *terminated* the purchaser must immediately vacate the *property*.

New tenant checklist

What you must know before you sign a lease

At the start of every tenancy, your landlord or agent should give you:

- a copy of this information (*the New tenant checklist*)
- a copy of your lease (tenancy agreement)
- 2 copies of the premises condition report (more on that later)
- an invitation to lodge the bond using Rental Bonds Online (RBO). Or, if you are unable to use RBO, a bond lodgement form for you to sign, so that it can be lodged with NSW Fair Trading
- keys to your new home.

If applicable, you should also receive:

- a certificate of compliance for a swimming pool (more on that later)
- a copy of the by-laws, if the property is in a strata complex
- notification if the premises has been listed on the Loose-Fill Asbestos Insulation Register (more on that later)
- notification of any other material fact relating to the premises (more on that later).

Before you sign the lease, make sure you read it thoroughly. If there is anything in the lease that you do not understand, ask questions.

Remember, you are committing to a legally binding contract with no cooling-off period. You want to be certain you understand and agree to what you are signing.

You should only sign the lease when you can answer Yes to the following statements.

The lease

- I have read the lease and asked questions if there were things I did not understand.
- I know the length of the lease is negotiated before I sign, which means it can be for 6 months, 12 months, or some other period.

- I know that I must be offered at least one way to pay the rent that does not involve paying a fee to a third party.
- I know that any additional terms to the lease must be negotiated before I sign.
- I have checked that all additional terms to the lease are legal. For example, the lease does not include a term requiring me to have the carpet professionally cleaned when I leave, unless I have agreed to that as part of a condition to allow me to keep a pet on the premises.

Promised repairs

For any promises made by the landlord or agent (for example, replace the oven, paint a room, clean up the backyard, etc.):

- I have made sure these have already been done
- or
- I have an undertaking in writing (before signing the lease) that they will be done.

Upfront costs

I am not being required to pay:

- more than 2 weeks rent in advance, unless I freely offer to pay more
- more than 4 weeks rent as a rental bond.

I am not being charged for:

- the cost of preparing my lease
- the initial supply of keys and security devices to each tenant named on the lease.

Managing your bond online

Your landlord or agent **must** give you the option to use Rental Bonds Online (RBO) to pay your bond. You can use RBO to securely pay your bond direct to NSW Fair Trading using a credit card or BPAY, without the need to fill out and sign a bond lodgement form. Once registered, you can continue to use your RBO account for future tenancies.

If you decide not to use RBO, you can ask your agent or landlord for a paper bond lodgement form for you to sign, so that it can be lodged with NSW Fair Trading.

Swimming and spa pools

Does the property have a swimming or spa pool? If so, the landlord or agent must give you a copy of a valid certificate of compliance or occupation certificate issued in the past 3 years. This does not apply if you are renting in a strata or community scheme of more than 2 lots.

Property containing loose-fill asbestos insulation

Properties in NSW that test positive for loose-fill asbestos insulation will have the property address included in a public register (available on the NSW Fair Trading website). If a property has been listed on this public register, the agent or private landlord must disclose this information to new tenants. The following section lists the other information that must be provided to tenants before they sign a lease.

What tenants must be told

Sometimes a residential property has something in its history that you should know. If the landlord or agent is aware of any of the following facts, they must inform you:

- if the property:
 - has been affected by flooding or bushfire in the previous 5 years
 - has significant health or safety risks (unless they are obvious when you inspect the property)
 - has been the scene of a violent crime in the previous 5 years

- is affected by zoning or laws that will not allow you to obtain a parking permit and only paid parking is available in the area
- is provided with council waste services on a different basis to other premises in the area
- is listed on the loose-fill asbestos insulation register
- if other people are entitled to share the driveway or walkway.

After you move in

- Fill in your part of the condition report and make sure you return a copy to the landlord or agent within 7 days. This is an important piece of evidence. If you do not take the time to complete it accurately, money could be taken out of your bond to pay for damage that was already there when you moved in.
- If you lodged the bond using RBO, make sure you receive an email or SMS notification from Fair Trading confirming your bond has been received. If the bond was not lodged using RBO, make sure you get a letter from Fair Trading sometime during the first 2 months saying that your bond has been received and advising you of your Rental Bond Number.

If you do not receive an email, SMS notification or letter, call NSW Fair Trading to make sure the bond has been lodged.

Top tips for problem-free renting

Follow these useful tips to help avoid problems while you are renting:

- Photos are a great way to record the condition of the property when you first move in. Take date-stamped photos of the property, especially areas that are damaged or unclean. Keep these photos in case the landlord objects to returning your bond at the end of your tenancy.
- Keep a copy of your lease, condition report, rent receipts, Rental Bond Number and copies of letters/emails you send or receive in a safe place where you can easily find it later.

- Never stop paying your rent, even if the landlord is not complying with their side of the agreement (e.g. by failing to do repairs). You could end up being evicted if you do.
- Comply with the terms of your lease. In particular, never make any alterations, keep a pet or let other people move in without asking the landlord or agent for permission first.
- Keep a diary of your dealings with the landlord or agent - record all the times and dates of conversations, who you spoke to and what they agreed to do. If repairs are needed, put your request in writing to the landlord or agent and keep a copy. This type of evidence is very helpful if a dispute arises that ends up in the NSW Civil and Administrative Tribunal (NCAT).
- Consider taking out home contents insurance. It will cover your belongings in case of theft, fires and natural disasters. The landlord's building insurance, if they have it, will not cover your things.
- If the property has a pool or garden, be clear about what the landlord or agent expects you to do to maintain them.
- Be careful with what you sign relating to your tenancy and do not let anybody rush you. Never sign a blank form, such as a 'Claim for refund of bond' form.
- If you are happy in the place and your lease ends, consider asking for the lease to be renewed for another fixed term. This will remove the worry about being unexpectedly asked to leave and can help to lock in the rent for the next period of time.

Landlords and agents must give a copy of this information statement to all new tenants before they sign a residential lease. Fines can be imposed if this is not done.
